About Our Club

Rotary of West Ventura County is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Making a Difference

Solving real problems takes real effort, commitment and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure and make our community and the world a more peaceful place.

Come Join Us

Be our guest for lunch at one of our weekly meetings. Visit our website for program calendar and talk to any member for an invite!

Catching the Wave of Service

Fun, Fellowship & Service Above Self

Rotary members come from all aspects of the business community. Small business owners, tradesmen, attorneys, accountants, designers, non-profit organizers and more get to know each other, socialize, network and work together to support each other and our causes. Join us and build your business and friendship network.

We help schools with scholarships, sports sponsorships and special awards to encourage good students and teachers.

We provide aid to people who need a boost in life – including support for low income families'nutrition, clothing and housing and educational options.

We assist local non-profit organizations by donating, volunteering, sponsoring and supporting their cause.

We support international projects like building houses and clinics in poor countries, helping to create new clean water sources where they're needed and eradicating polio.
