POWER HOUR BONUS

Make sure to tune into TV Cogeco throughout the live auction for your chance to be a winner during the Power Hour.

This year, Power Hour bonus prizes include gift cards for Johnny Rocco's restaurants, generously donated by Tony Visca.

How it Works:

During the Power Hour, if you are the successful bidder, and your bid amount is the FULL VALUE or MORE for that item, you will receive a $20 gift card for one of these restaurants.

This year's Power Hours are set for Thursday, Friday and Saturday night between 8 and 10 p.m.

In other words, you have a chance to win when you tune in each night!

Thank you to Tony Visca for this generous donation!

We are 1.2 million neighbours, friends, and community leaders who come together to create positive, lasting change in our communities and around the world.

Our differing occupations, cultures, and countries give us a unique perspective. Our shared passion for service helps us accomplish the remarkable.

What makes us different?

Our distinct point of view and approach gives us unique advantages:

- We see differently: Our multidisciplinary perspective helps us see challenges in unique ways.
- We think differently: We apply leadership and expertise to social issues—and find unique solutions.
- We act responsibly: Our passion and perseverance create lasting change.
- We make a difference at home and around the world: Our members can be found in your community and across the globe.

How do we work?

Our impact starts with our members—people who work tirelessly with their clubs to solve some of our communities' toughest challenges. Their efforts are supported by Rotary International, our member association, and The Rotary Foundation, which turns generous donations into grants that fund the work of our members and partners around the world. Rotary is led by our members—responsible leaders who help to carry forward our organization's mission and values in their elected roles.

How did we get here?

We've been making history and bringing our world closer together for over 100 years. Since forming in 1905, we've taken on some of the world's toughest challenges and helped a wide range of international and service organizations—from the UN to Easter Seals—get started.

WE ARE THIS CLOSE TO ENDING POLIO

Now is our chance to change the world.
To make sure no child is disabled by polio ever again.

Many Thanks!

From the Rotary Clubs of Fonthill, Fort Erie, Niagara Falls, Niagara Falls Sunrise, St. Catharines, and Welland

To those special friends who help make the Auction a success:

Welcome to the seventh Rotary TV Mega Auction, brought to you by the Rotary Clubs of Fonthill, Fort Erie, Niagara Falls, Niagara Falls Sunrise, St. Catharines, and Welland.

TV Cogeco is producing their 35th Annual TV Auction. Many hours of effort by their staff and volunteers go into this production. We appreciate the role they play in making this community broadcast possible.

This is our fifth year conducting the auction at the Pen Centre, and we thank them for making the space available. Once again, we are fortunate to be using the space of the former Swiss Chalet, on the east side of the Pen Centre, for our warehouse space. Additional storage space was donated by First Ontario Credit Union in Welland.

Computer systems to manage the auction are handled by Brian St. Hilaire of Grant Thornton (St. Catharines).

Rotarians Tawnya Hartford, Carolyn Mullin and Don Thorpe led the integrated marketing and communications this year, including preparation of this Tabloid. The St. Catharines Standard, Niagara Falls Review and Welland Tribune published and distributed this year's Rotary TV Mega Auction Tabloid. Many thanks to the Welland Tribune for layout expertise.

A huge thanks to all the restaurants and food services and stores who all provided Auction 2015 with much-needed coffee, snacks, meals, water, soft drinks and juices for the 26 hours of live broadcasting: Boston Pizza, Rick Lowes Country Corner Market, Mahtay Café, Fort Erie Secondary School Culinary Department, Port Colborne Secondary School Culinary Department, The Smokin Buddha, Tim Hortons Fonthill, Tim Hortons Niagara Falls and Zappi's Pizza Niagara Falls.

Many thanks to Telecable for their donation of services to setup our phones, and to Serge Paquin of SkyComp Solutions, Brian St. Hilaire of Grant Thornton and Lyle Walker for their efforts building and maintaining our computer hardware and database systems. All six Rotary Clubs, with their families and friends, pitch in to make this event successful, and they are led by the Auction Steering Committee of: Jim Arnold, Jack Custers, Darryl Day, Alexis De Wolfe, Scott Glover, Hugh Graham, Jacquie Herman-Wink, John Hillhouse, Mark Holmes, Annie Holtby, Margaret Jarrell, Pauline Petek, Brian St Hilaire, Don Thorpe and Lyle Walker.

Finally, thanks to all our donors who are so generous, and our viewers who will bid and buy during Auction 2015. We could not do it without you!
