T–G–I–F–I–Y

PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 37 No. 12 OCTOBER 9, 2026

The Main Event

On October 1, 2026 Microsoft deleted Publisher and it is no longer supporting it. Publisher was the program that has been used for years to create out weekly TGIFIY, so we no longer have access to it or any of the files that we had previously created. I have TGIFIY saved as PDF files and also some of the other documents that were created as PDF's.

What this means is that the TGIFIY will be streamlined from what you previously have received with less content.

Going forward we don't know what the TGIFIY will look like or contain but we will work to make sure all of us are informed of what is happening in our club.

Dues notices have been sent out to all members. Unfortunately we are having issues with the ClubRunner link to pay your dues through them. You can still pay your dues by way of check or credit card. I will have our credit card payment system at this Fridays meeting or you can call me 508-916-1617 and I will process your payment. You may also bring a check to this Fridays meeting or mail it to Yarmouth Rotary, PO Box 448, South Yarmouth, MA 02664 Dues are $280.00.

Director Needed—We currently have one Board of Directors position open. The open position is Director of Vocational Service. Please see Tomas or Mary Lenihan if you are able to fill this position.

Newsletter Fall 2025

Cape Cod Brite Lights is now five years into our purpose of Helping Cape and Island Residents. We started with weekend nutrition for thirty elementary school children. This has grown to over 60 students who are provided with healthy options for weekend nutrition.

Our next outreach was to provide hygiene for high school students. This grew to include both the Dennis Yarmouth High School and Cape Tech High School and again grew to include two of the elementary schools.

A need for shoes for graduating seniors was identified and we were able to assist. This fall, the need for building blocks, whiteboard markers, glue sticks and binders was identified and again, Cape Cod Brite Lights was able to help. Also identified was a need for Kleenex and disinfection wipes, something teachers had been purchasing with their own funds. Cape Cod Brite Lights was again able to help out.

Additionally, we continue to support the Yarmouth Chamber of Commerce and the Yarmouth Police Department with gift cards to local grocery stores. These help those in need who could just use a little boost.

With the holiday season fast approaching, Cape Cod Brite Lights will be assisting the Yarmouth Rotary Club in providing holiday meals for both Thanksgiving and Christmas to families identified by the schools as needing help.

All this would not be possible without the generous support of our donors. With our all-volunteer workers, 100% of your donation goes to help others. We thank you for your continued support as Cape Cod Brite Lights continues to search for ways to help our fellow Cape Codder's.

Thank you

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Joe Potzka along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)
