ANNOUNCEMENTS, REPORTS:

Mark welcomed two of our visiting New Generation members, Hillary Jasicki, and Rob Stensoth,

Paul Harris awards were given by Pete Smith to Margie and Rick, Margie having given 5 times so far.

Brewer's Bazaar is humming along. Need signups for help, runners are needed. Raffle tickets are available. Ken says he has 35 tickets left and if he combines those with the Lift Bridge Brewery not many left. We had some good publicity in the Gazette and the Valley Press. We have sold some 100 Raffle tickets so far.

Arba-Della reminded us we have GSE travelers from Turkey arriving from July 4-7. We can use help hosting.

Thanks from Valley Outreach, Lakeview Foundation and Good Samaritan.

GETTING TO KNOW OUR MEMBERS

In order to get to know better our members, the previous weeks host provides a semi-biographical introduction of the host for this week's program. **(Last week we made an error, Jon Stillman was a member of the U.S. Army not the Air Force, our apologies)**

Jon introduced Margie Horning. Margie was born in St. Paul, has been married to Gary for 45 years, and has 3 sons and 2 grandsons. She likes biking, hiking, traveling and reading to name a few. She has served on the board of the Washington County Library and has been a very active member of our Rotary and the Rotary District. She is a CPA and works for R.W. Ramsay and Assoc. as a business advisory executive.

SERGEANT-AT-ARMS:

Today is Batman Day also national Lei Day.

Dan Schmid has a 2 weeks old Grandson and Rick H. has a 3 year old granddaughter who is celebrating her birthday this month.

Paula's husband suffered a heart attack a few weeks ago and thought it was only a strong heartburn. Two weeks later he realized it was a heart attack. Be careful you men…..

Ted Nesse noted that the Century College Orchestra will have an excellent concert on Saturday at 3 PM.

Cheryl received the traveling trophy from Del for having reached the magical age of Medicare benefits.

Bob Rupp shot a turkey…..hunting…..last week.

Dean Tibbett's daughter now has a full time job teaching in the Minneapolis Public Schools.

NEXT WEEK'S PROGRAM

Rick Heidick will introduce Rob Ammerham (sp.?), who is a volunteer helping Haiti. He and his family are planning to move there for 2 years to help out. What dedication.

PROGRAM

Margie introduced her brother in law, Larry Huttle, retired chairman of Airstream and her sister Carol, Larry's wife. He is a member of Travel International RV Hall of Fame.
Larry, who was a hockey player in St. Paul and went to Universities of MN and Wis., was trained as an executive by Chrysler before joining Winnebago and Air Stream. He eventually became CEO of Air Stream. This iconic symbol of America has been a passion with him and many
Americans. There have been over 300,000 made with 64% of them still on the road.

Those that own them, treasure them, and belong to clubs all over the world. They travel together, help wherever they are and are know for their friendliness and community spirit. Larry told many stories of this dedication. Right now they are trying to help our national parks as attendance is down due to the economy. A very entertaining story.

Joke of the Week

1. Do not argue with an idiot. He will drag you down to his level and beat you with experience.

2. The last thing I want to do is hurt you. But it's still on my list.

3. Light travels faster than sound. This is why some people appear bright until you hear them speak.

4. If I agreed with you, we'd both be wrong.

5. We never really grow up, we only learn how to act in public.

6. War does not determine who is right - only who is left.

7. Knowledge is knowing a tomato is a fruit. Wisdom is not putting it in a fruit salad.

8. Evening news is where they begin with 'Good Evening,' and then proceed to tell you why it isn't.

9. To steal ideas from one person is plagiarism. To steal from many is research.

10. A bus station is where a bus stops. A train station is where a train stops. On my desk, I have a work station.

11. I thought I wanted a career. Turns out I just wanted paychecks.

12. Whenever I fill out an application, in the part that says, 'In case of emergency, notify:' I put 'DOCTOR.'

13. I didn't say it was your fault, I said I was blaming you.

14. Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they are sexy.

15. Behind every successful man is his woman. Behind the fall of a successful man is usually another woman.

16. A clear conscience is the sign of a fuzzy memory.

17. I asked God for a bike, but I know God doesn't work that way. So I stole a bike and asked for forgiveness.

18. You do not need a parachute to skydive. You only need a parachute to skydive twice.

19. Money can't buy happiness, but it sure makes misery easier to live with.

20. There's a fine line between cuddling and holding someone down so they can't get away.

21. I used to be indecisive. Now I'm not so sure.

22. You're never too old to learn something stupid.

23. To be sure of hitting the target, shoot first and call whatever you hit the target.

24. Nostalgia isn't what it used to be.

25. Change is inevitable, except from a vending machine.

26. Going to church doesn't make you a Christian any more than standing in a garage makes you a car.

27. A diplomat is someone who tells you to go to hell in such a way that you look forward to the trip.

28. Hospitality is making your guests feel at home even when you wish they were.

29. I always take life with a grain of salt. Plus a slice of lemon, and a shot of tequila.

30. When tempted to fight fire with fire, remember that the Fire Department usually uses water.
