Foursome	$700
Individual	$175
Shot gun start:	9 am
Registration:	8 am

Cochecho Country Club is a course where shorter hitting golfers can be just as skillful as their longer hitting counterparts and where strategy requires a golfer to put varying values on successive shots. The beauty of this strategic design is twofold: the bogey golfer can enjoy a round just as much as the scratch golfer and the course is forever enjoyable for golfers of all abilities.
