President Max

Meeting with a difference tonight, PP Genevieve in her vocation as a physiotherapist gave a group of members and partners an example of the benefits of Hydrotherapy on the senior and not so senior body. Eight members and 1 partner (Chris) took to the Hydro-pool at the Kwinana Requatic Centre for 45 minutes of light-hearted exercises by Genevieve.
The pool session was followed by dinner for 28 at the Admiral Hotel., most of our meals had been pre-ordered so waiting time was kept to a minimum.

Our restaurant club meetings are proving to be very popular and will continue to be a highlight throughout the year, our next scheduled restaurant meeting is April 2016. January, February and March will each have a BBQ meeting at Rotary Hall.

Kwinana Festival this coming Saturday, this year held at Rhodes Park, Calista. Community manager PDG John Iriks is working hard making sure everyone available has a job on Saturday. We will be running with our annual Chocolate Wheel with about 40 spins at least on the agenda. Our food van will be pumping out the burgers and sausages. Thank you members and partners for your ongoing support.

THE ROTARY 4 WAY TEST
of things that we think, say or do.

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO ALL CONCERNED?

Club Meeting 26th October 2015

President Report.

President Max welcomed everyone to our dinner meeting at the Admiral, no reports were the go so Max left everyone to enjoy their meals.

For a brief second Ian thought President Max was going to pick up the tab????

We live in a society where pizza gets to your house before the police.

If I agreed with you we'd both be wrong.

The sole purpose of a child's middle name, is so they can tell when they're really in trouble.

Polio this week 21st October 2015

- World Polio Day on 24 October is an opportunity to reflect on how far we have come in the last year and to pay tribute to the countless healthcare workers, volunteers, families, traditional and religious leaders, governments, donors, civil society organizations and partners who work tirelessly to protect children against polio. Join Rotary International and UNICEF for a live streamed global update on 23 October and for updates throughout the week from the partners of the Global Polio Eradication Initiative follow @Vaccines on Twitter.

- The Independent Monitoring Board met in London in October to assess progress towards polio eradication and to make recommendations for the coming months. The report is expected to be published in the next few weeks.

A man died and went to The Judgment, they told him , “Before you meet with God, I should tell you — we’ve looked over your life, and to be honest you really didn’t do anything particularly good or bad. We’re not really sure what to do with you. Can you tell us anything you did that can help us make a decision?”
The newly arrived soul thought for a moment and replied, “Yeah, once I was driving along and came upon a person who was being harassed by a group of thugs. So I pulled over, got out a bat, and went up to the leader of the thugs. He was a big, muscular guy with a ring pierced through his lip.
Well, I tore the ring out of his lip, and told him he and his gang had better stop bothering this guy or they would have to deal with me!”
“Wow that’s impressive, “When did this happen?” “About three minutes ago,” came the reply.

A few elderly couples used to get together to talk about life and to have a good time.
One day one of the men, Harry, started talking about this fantastic restaurant he went to the other night with his wife. “Really?”, one of the men said, what’s it called?
After thinking for a few seconds the Harry said, “what are those good smelling flowers called again?”
“Do you mean a rose? the first man questioned. “Yes that’s it,” he exclaimed.
Looking over at his wife he said, “Rose what’s that restaurant we went to the other night?

An old man went to the Doctor complaining that his wife could have a hearing problem.
The Doctor suggested a test to find out the extent of the problem. “Stand far behind her and ask her a question, and then slowly move up and see how far away you are when she first responds.”
The old man excited to finally be working on a solution for the problem, runs home and sees his wife preparing supper.
” Honey” the man asks standing around 20 feet away “what’s for supper?” After receiving no response he tried it again 15 feet away, and again no response. Then again at 10 feet away and again no response. Finally he was 5 feet away “honey what’s for supper?”
She replies “For the fourth time it’s lasagna!”

“Honey!” screamed my husband from our bedroom, “you MUST check this out! “What is it?”
I shouted back from the kitchen. “You’re not going to believe what I found when I was drilling a hole through the wall! I found a secret stash of drugs!”
Just then my I heard my daughters voice screaming from the bathroom, “I’m trying to brush my teeth in here! Who the hell is drilling a hole through the medicine cabinet!?”
