The Flags Across Kingwood Program, an expression of patriotism, is a fundraiser of the Kingwood Rotary Club. Our "Service Above Self" motto means we are dedicated to helping others, and proceeds of this program will be used to support the many projects & organizations supported by our club.

HOW DOES IT WORK? For a contribution of a $50 annual subscription the Kingwood Rotary Club places an American flag in the front yard of a residence or business for a total of these four(4) patriotic holidays:

- ***Memorial Day (May)***
- ***July 4th***
- ***September 11th***
- ***Veteran's Day (November)***

1. Subscriptions can be started *prior to any of the above holidays*. We must receive your subscription at least ***ten (10) days beforehand***.
2. The flags are made in the USA and each flag measures 3 ft x 5 ft mounted on an 8 ft. high pole. The flag, pole, and metal stake remain the property of the Kingwood Rotary Club. Installation, removal, storage, and maintenance is provided by the Kingwood Rotary Club.
