What is Rotary

We are 1.2 million neighbors, friends, and community leaders who are creating positive, lasting change in our communities and around the world. Our diverse occupations, cultures, and experiences give us a unique perspective. Our shared passion for service helps us accomplish remarkable feats.

Through our programs for emerging leaders, we're also helping young people get the skills and experience they need to make a real difference in the lives of others. We offer both service clubs and programs to help students and young professionals strengthen their leadership skills, expand their world understanding, and make new friends.

With clubs in nearly every country, Rotary's positive impact on communities around the world has never been greater. If you share our passion for creating lasting change, contact our club to learn how you can join . Here are a few other ways to get involved:
