CLUB BUSINESS AND ANNOUNCEMENTS: President Paula Williams

Good Samaritan is having a fund raising dinner and Music on Aug 8, Friday, at the Lake Elmo Event Center called a night to remember. We are invited to attend. It starts at 6 PM. We have donated over 8 Kindles to their facility in Stillwater.

July 19 is the annual Rotary Twins Game. The Twins are playing the Angels. Proceeds go to Polio Plus.

Craig Leiser had a Brain ____. He is going to donate the years of his anniversary in dollars (50) to Polio Plus. Suggest we all consider doing the same.

Paula reminded us of the cans we all have for collecting loose change for Polio Plus. Use them when ever you can and bring them in whenever you would like.

The club picnic is coming up, July 22 at the Langer home, 12820 Paradise Ave. N. Stillwater, 6 PM.

SERGEANTS AT ARMS: Bob Gray and Mel Sullivan

Bob is still recovering from a Graduating Senior Party at his house which included the visit of 6 relatives. At the same time his son turned 21.

Steve is celebrating his 20th Anniversary. He had a great time at the convention in Sidney, Australia and has registered Shari for next years. Shari will be in Sao Paulo, Brazil, cool. Maybe Presidents don't have it so bad after all.

Ted Nesse paid double for missed meetings.

Craig was in the Lake of the Woods and caught many Walleyes.

Chuck said he was glad to be back, talked about 120 mph storm in Dusseldorf and thanked all the notetakers for their hard work.

Jon is celebrating 53 yrs of marriage and was wearing his District Gov. Jacket today and it still fits.

Shari saw a running Mark Lambert the other morning.

Jason noted that USA beat Ghana at the World Soccer Tourney.

Dave Newman paid just so he didn't have to see Mark in running shorts.

Tim was golfing in Duluth and they couldn't say enough good about Mark L. and what he has done for their city.

Lynda announced that Jason and wife are expecting a baby boy…(how'd she know?)

Andy wore a bit of orange today in tribute to Craig. On July 19 his daughter is getting married, on Aug. 8 is his 25 th High School reunion (if anyone believes that number they don't know Andy.

Rick is having his High School reunion on the 19th of July and it is not 25.

Joke of the Week

The Proper Perspective...

You may have heard on the news about a Southern California man who was put under 72-hour psychiatric observation when it was found he owned 100 guns and allegedly had 100,000 rounds of ammunition stored in his home. The house also featured a secret escape tunnel.

By Southern California standards someone like this would be considered "mentally unstable."

What Southern California lacks is The Proper Perspective
In Arizona , he'd be called "an avid gun collector."

In Arkansas , he'd be called "a novice gun collector."

In Utah , he'd be called "moderately well prepared," but they'd probably reserve judgment until they made sure that he had a corresponding quantity of stored food."

In Kansas, he'd be "A guy down the road you would want to have for a friend."

In Montana , he'd be called "The neighborhood 'Go-To' guy."

In Alabama , he'd be called "a likely gubernatorial candidate."

In Georgia , he'd be called "an eligible bachelor."

In North Carolina , Mississippi, and South Carolina he would be called "a deer hunting buddy."

And in Texas he's just "Bubba, who's a little short on ammo!
