GETTING TO KNOW OUR MEMBERS:

PROGRAM:

Brent Emmons introduced two members of the Phipps Center for the Arts Board, Trudy Popenhagen (Board Chairwoman) and Diana Swanson.

Trudy noted that the Phipps has 25,000 Patrons every year and over 700 volunteers. This year is its' 30th Anniversary. It has contributed greatly to the St. Croix Valley thru its' plays and the dinners at local restaurants for the nite out.

The arts have been key to the development of many children as noted in a study done by Michigan State University thus another less known contribution since the Center does a lot with young adults.

They are in the middle of a capital campaign, their first in 22 years.

Then Trudy introduced Dianne who gave spirited talk about her involvement at the Center form just a theater goer to an actress, stagehand, chair of the drama committee. Quoting her (she is a Lake Elmo resident), " the center is a very family friendly place"

A few members also pitched in saying it was a great rental space for meetings, some have actually exhibited their art there as members. A very interesting talk with Dianne especially building enthusiasm.
