Rotary Club of the Villages Noon

Roclarion July 30, 2019

President Danielle advises our speaker of the day, Claudia Labbe` who is The Fundraising Chairperson of The "Your Humane Society SPCA", is going to the moon as part of our program to help The Anti Bulling Campaign.

Claudia gave us and overview of what happens when an animal is sent to a "NO KILL " Shelter such as this. Did you know that "no Kill shelters" have to have a better than 90% no kill. The exceptions are severely injured , violent animals that can not be put back in society or are so badly injured that it is a mercy to put them to sleep.

I was unaware as I am sure you are that they take in all animals Wild ,injured, big and small. They have horses and goats , you might say the shelters take in all commers except those that can walk in on their own two feet. They are however looking for some of those with two feet, that might be looking to be of service to the shelter.

If you are interested helping out the shelter contact Claudia at 352-793-9117 or info@hsspca.
