A message from President Greg Kern

If someone were to ask you "Why did you join Rotary?" I'd bet most of you would reply "To give back". Right now, as a member of the York East Rotary Club you have plenty of opportunities to give back. On April 22nd our club has been asked to participate in a "Day of Service". Please consider giving a little of your time to help with one of three projects; Road Clean Up along Edgewood Road, Gold Star Memorial Garden Clean Up, or to assist with some outdoor maintenance projects for Crispus Attucks.

From now until June 23rd you can help our club with our major fund raising event of the year – our golf outing. Our goal is to raise at least $20,000. This money is used for all of the events and activities that our club participates in throughout the year. In addition, any excess money is used and matched toward a specific charity and this year we have chosen to give that money to Make A Wish.

0.
These are just a few of the ways that you can "Give Back". Right now, they are critical. If we don't raise the money necessary from the golf outing, we will need to look into other ways to reach our goal. If we don't reach our goal, we will have to cut back on how we "Give Back". Our club has 70 members, it should not be very challenging to raise $21,000. If each member were to raise $300 we would be at our goal.
