NEXT WEEK'S PROGRAM:

Mr. Tim Mulcrone will give a presentation on Polio sponsored by Jon Stillman

GETTING TO KNOW OUR MEMBERS:

Barb Tischart was introduced to Rotary by Ken McGinley and Bruce Goldstrand. Jack Meier was her sponsor. She is the Sales and Marketing Director at SMC in Somerset, WI. She is happy to see the bike trail complete, has already rode on it.

PROGRAM:

Barbara introduced Margie Horning who spoke about her Rotary Trip to Ghana. Margie has been in Rotary for 21 years, she was President of our club in 2005-6. She chairs the District Grant sub-committee.

Margie noted that our club donated a portion of the monies needed for the trip to Ghana which by the way does not include the travel of the Rotarians who pay their own fare.

Ghana is a country of 25 million people and the town she was in has 2.5 million residents. They are a democratic nation, and very stable since 1992, 65% Christian, and english is the dominant language. They traveled with Kathy Stutzman and Kathy Smith (Both very active Rotarians) who have been there many times before and this time they came as consultants. Their target, an organization in Ghana dedicated to helping girls living on the streets (actually on the grounds of a Railroad Station) find themselves, jobs etc…all of which to take them off the streets.

The Rotarians were there to help them set goals and provide a vision. What they are doing now is vocational training for all sorts of jobs, like hair dressers, hand labor etc…

In addition Margie talked about the persons they met, the determination of the people there and anecdotes like the teamwork developed by building portable libraries to exchange books.

Again, the effort in Rotary to build sustainable development.
