President's Corner

by John Suzukida

The long reach of Rotary continues to be reinforced as we meet and engage with great speakers and great members. We heard from the Cole family last week about their mission to provide medical aid to many in need in Peru and we just received matching grant funds from the District to fund a second chicken coop for Tiny Tim & Friends in Zambia. That project, which Kent and Adel spearheaded this year, will enable the Tiny Tim organization to help feed orphans they are treating for HIV and also give them an additional tool of teaching animal husbandry to the kids and their families, which could end up being a lifetime gift. Our club of 28 people, about average for Rotary clubs around the world, is a great way for us to stay in touch locally and globally!

As we winnow down fund raising ideas this month to increase our reach to help Youth and continue to have speakers whom inspire and inform us such as the Cole family, Bob Powers and MN Secretary of State, Mark Ritchie, remember to reach out to others to invite them to join our club to build on our momentum and impact on serving others above ourselves!

Club Service

by Kevin Keenan

September is New Generations month in the Rotary year. For many years Rotary has had four Avenues of Service. it now has five. The fifth Avenue of Service is New Generations. The New Generations Avenue of Service includes everything we do for youth including the interact Club, Youth Exchange, and the many scholarships we award.
As a club we need to focus on new members, but particularly younger members. When we are fortunate to have a new younger member we all must work diligently to see that he or she becomes a life-long Rotarian.

Monthly Celebrations

by Paul Bartyzal

Member Birthdays

Paul Bartyzal - Sep 16

Rich Routhe - Sep 30

Joey Torkildson - Sep 30

Spouse Birthdays

Kathy (Dennis) Erno - Sep 20

Anniversaries

Mark and Cyn - Sep 6 - 43 years

Rich and Louise - Sep 7 - 21 years

Club Anniversaries

Robert Meyer - Sep 16 - 4 years (second time in Club)

Community Service

by Myrna Bourcy

We will be doing our Annual Rice Creek Trail Clean-up Thursday evening September 27 at 5:00 PM. Please mark your calendar. More information will be provided at the club meetings.

International Service

by Kent Peterson

Below are two exchange programs for your consideration.

ROTARY FRIENDSHIP EXCHANGE (RFE)

A World of Rotary Opportunity
An Exchange with District 5080 British Columbia

Outbound to British Columbia
May 21 - June 2, 2012

This district is located in British Columbia, Canada. This district consists of the geographic areas of Southeastern British Columbia, Canada, Northern Idaho and Eastern Washington State. They have a geographical diversity that includes snow capped mountains, pristine lakes, fertile agricultural areas and mountain deserts. Starting in Grand Forks, the exchange then moves to Castlegar, and Cranbrook, BC. It ends in Post Falls, ID, USA. The trip will be for approximately 12 days.

District 5080 consists of 64 clubs with a membership of about 2870 Rotarians. If you would like to learn more about District 5080, visit their website at http://www.clubrunner.ca/portal/home.aspx?did=5080

The ideal number of participants in this exchange is 8-10 and team members must be Rotarians, spouses and/or friends.

Applications will be accepted beginning August 15, 2012 for this 2013 exchange. Please go to http://www.rotary5960.org and click on Rotary Friendship Exchange to find guidelines, expectations and application. Applications must be signed by both the applicant and the Club President. A deposit of $50 is required and is non-refundable for those applicants accepted for the team. Please make check payable to Rotary District 5960 and send with completed application to Cheryl Kohout, 1519 23rd Street, Houlton, WI 54082.

If you have any questions about this exchange with British Columbia, please contact Cheryl Kohout, Rotary District 5960 Friendship Exchange Chair, at CherylKohout@aol.com or 651/442-7986.

ROTARY SEEKS BUSINESS/PROFESSIONAL PEOPLE FOR GROUP STUDY EXCHANGE(GSE) WITH THE CZECH REPUBLIC AND SLOVAKIA

A once in a lifetime opportunity! Too good to be true! A life-changing learning experience! These are phrases past participants have used to describe Rotary International's Group Study Exchange program.

Rotary District 5960 has opened applications for Group Study Exchange (GSE) team members (non-Rotarian) and team leaders (Rotarian) immediately for an exchange to Czech Republic and Slovakia (District 2240) from **May 4, 2013 - June 1, 2013.** Applications are open for Team Leader (Rotarian) and Team Member (non-Rotarian) positions and should be sent to your local Rotary Club by **October 15, 2012.** The local Rotary

Club must sign off on the applications and send them to the District office by **October 25, 2012.**

Group Study Exchange (GSE) is a unique educational experience that furthers international understanding by providing an opportunity for outstanding business and professional people to study another country, its people, its culture and its institutions. Each GSE team visits a Rotary district in another country for four weeks. Team members stay in the homes of Rotarians, if possible, and follow an itinerary of educational and cultural points of interest. Travel and living expenses are covered during the exchange by The Rotary Foundation, Rotarians and Rotary District 5960.

A Rotary District 5960 GSE team will visit Rotary District 2240 in the Czech Republic and Slovakia, from May 4, 2013 - June 1, 2013. The focus of the exchange will be public policy, public health and economic development. Rotary offers this opportunity to spend a month living with local Rotarians and seeing the country in a way few will ever experience.

The teams will consist of four non-Rotarian professional or business people and a Rotarian team leader. Candidates must be engaged in a recognized business or profession on a full-time basis for at least the past two years. Employers must give permission for the candidate to participate **BEFORE** the interview process. Candidates must be between the ages of 25-45 years and must live or work within the limits of Rotary District 5960 and its clubs (St Paul, southeastern and central MN, parts of western Wisconsin). Applicants cannot be spouses or lineal descendants of current Rotary members. Applicants must be citizens of the United States of America. **All applications must be received by your local Rotary Club by October 15, 2012.**

District level interviews will be held on Saturday, November 10, 2012. Applicants must be available all day, st art ing at 11:30 a.m. for interviews which will be held at the Northern Star Boy Scout Council's Hulings Scout Service Center, 393 Marshall Ave., St. Paul, Minnesota.

For an application form and/or local Rotary club information and contact person, please call Jingle Mahan at 651/636-9054 or jingle@rotary5960.org .

GSE applications available for downloading at (follow the links to service and fellowship and click on the Group Study Exchange link):

Sorry, no article submitted.

August 7 - Club Meeting

by Peggy Strom

Today's speaker was Kristine Fortman, Medtronic, Inc. Foundation and Community Affairs Manager. Kris grew up in Roseville, and earned a Bachelors in English from the College of St. Benedict and a PhD in Health Communication from Washington State University. She currently resides in White Bear Lake with her husband and three boys. Prior to her current role with the Medtronic Foundation, Kris worked in clinical research at Medtronic and, prior to that, worked at HealthPartners Foundation doing health services research and grant review. Kris reported that Medtronic and it's Foundation gave $60 million in contributions to a variety of organizations around the world in 2011. Half of this was focused on improving health - making health systems stronger in developing countries, bringing chronic disease treatments into the primary care setting, supporting patient advocacy and support groups worldwide, and addressing sudden cardiac arrest in the United States. Grants in the education arena focused on STEM programs. Grants in the community arena focused on disaster recovery and matching grants in support of individual employee volunteerism. 75% of Medtronic employees volunteer their time and 95% report giving charitably.

August 14 - Club Meeting

by Terry Schwerm

The Club welcomed honorary member Irene Meinen and guest Stan Karbowski. T he guest speaker was Ramsey County Parks and Recreation Director Greg Mack. Greg indicated that Ramsey County has about 6500 acres of parkland that they manage with about 4000 located within Regional Parks. Most of their parks are located on major water bodies throughout the County. In the Shoreview area, some of the major parks include the Vadnais/Snail Lake Regional Park, Island Lake Park, Tony Schmidt Park, as well as parks on Turtle Lake, Lake Owasso, and Lake Josephine. T hey also manage 11 ice arenas and 5 golf courses within the County system. These regional and county parks attract more than 6 million visitors per year. Greg noted that Turtle Lake Park is currently being renovated with a new restroom, picnic shelters, playgrounds, parking areas, and beach area. Last year, the County paved the crushed limestone trail in the Grass Lake open space area, and earlier this year the trails and fishing pier were reconstructed in Island Lake. He distributed maps of the County Park system and also talked about the new GoRamsey website that has comprehensive park information on all parks (County and City) throughout Ramsey County.

August 21 - Club Meeting

by Terry Schwerm

The Club welcomed visiting Rotarians Seth from Roseville, Bill Nielson from St. Paul 10, and Sam Cave from Antigua Guatemala. The Club also welcomed visitors and guest speakers for the day Peter, Nancy and Channing Cole. It was also announced that Club Member Bob Meyer had made a $500 contribution to the STEAM program at Chippewa Middle School.

Nancy and Bob Cole presented a power point presentation about the Birth of a Jungle Mission in Peru. After having a daughter spend a year in Peru, the Cole's began visiting as part of a medical teams that went to Pucallpa, Peru a remote community that has significant medical needs. Eventually they created the Scalpel of the Cross non profit group that provided christian based medical/surgical missions to

this area. Peter stated that Peru is the second poorest country in South America, but is known for Machu Picchu and the Amazon River. He noted that they purchased land in 2003 and then in built a guest lodge called Jungle Bunks for people on these mission trips to stay. He presented a slide show showing the community and the many people that they have helped during their medical mission trips.

August 28 - Club Meeting

by Peggy Strom

Past District Governor Craig Leiser joined today's meeting to present our club with a matching grant of nearly $1000 from the Rotary Foundation. This grant will be joined with the support we are providing to the Tiny Tim project in Zambia. Craig also provided an update on RI's Polio Plus efforts. Eradication is close but there are still around 200 reported cases in three countries - Afghanistan, Pakistan and Nigeria - so the effort continues! Today's speaker was Bob Powers. In addition to having the distinction of still competing in triathlons at the age of 88, Bob is a recipient of the prestigous Navy Cross, in recognition of his heroic efforts to save others during battle while serving in the pacific during WWII. Bob was barely out of high school when he was accepted into the all volunteer Marine Raider Battalion, which took on especially dangerous and complicated missions in the island and jungle locations of the pacific battlegrounds.
