CLUB BUSINESS AND ANNOUNCEMENTS: President Shari Clifford

Passed a Holiday envelop for Margot and the staff at Lowell Inn.

Talked little about Urban Boat Builders

There will be a new(updated) Rotary Sign installed by Stillwater Boat & Packet with all of the other service club signs. We have a sticker in the meantime to cover up the outdated information.

Sign up for Bell Ringing with Justin

Mark Lambert was honored with another Paul Harris award. Congratulations.

The Lake Elmo Club is planning an Ethics Conference. More information to follow.

Bob Grey gave an EREY(Every Rotarian Every Year) update on Rotary Foundation giving.

SERGEANTS AT ARMS: Jennifer Giovinazzo and Mark Fisher

Mark went solo with the Sergeant at Arms. Something about snow shoveling and raised a lot of money.

NEXT WEEKS PROGRAM:

Andy substituted for Mark, next weeks speaker is Judd Sather, owner of the new event center in Stillwater which can hold 700 people in one gathering. It is on the 3rd floor of the building across the street from the Lowell Inn. We can go take a look after our meeting.

GETTING TO KNOW OUR MEMBERS:

Brewers Bazaar Planning Session

PROGRAM:

Judd is a former math teacher and coach. He is the owner of Judd Sather Photography and the Loft at Studio J. The Loft is an event space for up to 250 people.

He recently purchased the Connolly Shoe Factory and is in the process of remodeling it to become a mixed use building with 42,000 sq. ft. The first floor will house storage and a catering kitchen. Also planned for the first floor is an old fashioned speakeasy, the Velveteen Lounge. The second floor will be retail and specialty stores related to the wedding and event business—a hair salon and some photographers.

The third floor will be home to JX Event Venue, large enough for 1,000 people; one of the largest event centers in Minnesota.

They are taking bookings now for the Spring of 2016.

Joke of the Week

Look what happens when we cut down too many trees.

Global warming is one thing, but see below & look at what is happening if we continue to clear our forests!

We have to stop cutting down trees!

This is getting really serious!
