GETTING TO KNOW OUR MEMBERS:

PROGRAM:

We visited the new Stillwater Fire Department with Chief Stuart Glaser as our host. Some interesting facts from the Chief were:

The Department was founded in 1872 after the Great Chicago Fire in 1871. The Chief is part of a family who have served on the Fire Department, his dad, Grandfather and brothers. The department covers the city (9 Sq.miles) and the surrounding communities (60 sq.miles). There are 25,000 people in the total area with the city 18,500. There are 3 people on duty 7/24. The chief is on call for the same. Last year they had 1800 calls of which 65% were medical. They are only backup to the Lakeview EMC. EMC covers a much greater area, 276 sq.miles. They have 30 people available on call and 30 more volunteers. Recruitment is tough, lots of training etc…The new building cost $7.3 million and have gotten lots of grants to subsidize the furnishing. There are 6 sleeping rooms available, all used when the snow is so deep that to have people start over is safer. Next door is the new Armory, it is huge something like 70,000 sq. Ft. They will be cooperating fully.

Joke of the Week

Senior Moments at the Pharmacy

The other day I went over to a nearby Walgreens. When I got there, I went straight to the back of the store to where the Pharmacists' Counter is located. I took out my little brown bottle along with a teaspoon and laid them both onto the counter.
The pharmacist came over smiled and asked if he could help me.
I said, "Yes! Could you please taste this for me?"
Being I'm a senior citizen...I guess the Pharmacist just went along with me.
He picked up the spoon and put a tiny bit of the liquid on his tongue and swilled it around. Then with a stomach-churning look on his face he spit it out on the floor and began coughing.
When he finally was finished, I looked him right in the eye asked, "Now, does that taste sweet to you?"
The pharmacist, shaking his head back and forth with a venomous look in his eyes yelled, "HELL NO!!!"
So I said, "Oh thank God! That's a real relief! My doctor told me to get a pharmacist to test my urine for sugar!"Well, I can never go back to that Walgreens, but I really don't care though, because; they aren't very friendly there anyway!!!
