NEXT WEEK'S PROGRAM:

Vocational Visit - Mike McGinley, St. Croix Sensory, 1150 Stillwater Blvd. - Jason Hanlon

MEET YOUR FELLOW ROTARIANS

Not this week.

PROGRAM:

Our speaker Bill Turnblad has been with Stillwater as its' planner for 10 years. He grew up here in Stillwater but has traveled extensively. He went to school in Germany and there decided to go into development. Graduated from Mankato State in that field. He loves the outdoors and plays bass in a small ensemble.
He talked most about sustainability with particular view to the environment. He covered a number of very interesting subjects:
North Hill Community Garden, Chickens (12) and Bees kept by residents in Stillwater. The fascinating thing was how the city manages these activities once they are approved. In the case of the Gardens they auctioned off the plots each year, with the chickens no rooster and application each year for a permit and if complaints, a public meeting and the same for the bees. Did you know bees are not really the insect that stings so much except when you disturb their hive? The bad ones are the yellow jackets.
Stillwater is a strong supporter of the Pollinator movement. They have had the Public Works department trained on proper use of pesticides and fertilizers. The city has set up gardens to attract Pollinators and they are hard to maintain. If you are interested in helping call Ms. Laurie Schneider at 651-351-1100.
He told also their dedication to keeping historic buildings and the extensive work they are doing on bike and pedestrian trails all in the name of sustainability.

Joke of the Week

A doctor examining a woman who had been rushed to the Emergency Room, took the husband aside, and said, 'I don't like the looks of your wife at all.'
'Me neither doc,' said the husband.
'But she's a great cook and really good with the kids.'

A man is recovering from surgery when the Surgical Nurse appears and asks him how he is feeling.
'I'm O. K. but I didn't like the four-letter words the doctor used in surgery,' he answered.
'What did he say,' asked the nurse?
'Oops!'
