CLUB BUSINESS AND ANNOUNCEMENTS: President Shari Clifford

No meeting today.

<u>SERGEANTS AT ARMS</u>: Jennifer and Mark

<u>NEXT WEEK'S PROGRAM</u>:

<u>MEET YOUR FELLOW ROTARIANS</u>

<u>PROGRAM:</u>

Vocational Visit - Mike McGinley, St. Croix Sensory, introduced by brother in law Jason Hanlon

The last time Rotary visited the Sensory Center, they were in Lake Elmo in another bank building, this was in 2001. They have expanded their business to other areas, but the expertise remains smells. They average 2000 smells per year. Their emphasis is on perception rather then chemical or toxicity analysis. Their biggest customer is Waste treatment facilities. Other areas they cover are product smells for producers or for example determining if long term storage of products in a smelly place as resulted in the products picking up that smell or another example is does a new freshener from S.C. Johnson (a major customer of theirs) cover bad odors. They have developed and are selling some of the equipment they use, like the portable "Odor Ranger". There is a new business developing of providing smells to enhance a theater performance or in the Children's museum. Fascinating visit, thanks to Mike McGinley and Jason.

<u>Joke of the Week</u>

The graveside service just barely finished, when there was a massive clap of thunder, followed by a tremendous bolt of lightning, accompanied by even
more thunder rumbling in the distance.
The little old man looked at the pastor and calmly said, 'Well, she's there.'

Editor: Chuck Buehler

President K.R. Ravindran, Rotary International

Governor Marlene Gargulak - District 5960
