CLUB BUSINESS AND ANNOUNCEMENTS: President Shari Clifford

Did you know there is going to be a bar at Joseph's? We may be back there after the picnic next week.

We are both financially and volunteer-wise helping Valley Outreach fix up their place.

Shari hopes to have a real focus on Literary this year and is in need of someone to chair this activity.

Steve is all set for the Picnic…if you have a Bolo set bring it. Last years winners were the St. Croix Stompers alias Ted Nesse and his father. This year wife Mona will step in.

We have introduced a new link, the weekly newsletter of District Governor Marlene Gargulak , it is interesting in the sense that she visits many clubs and points out some of their individual and unique practices, for example at one of the District's clubs they opened a meeting with a boy scout color guard. The link is above with the other links but here it is for last weeks. ***District* Governor Marlene Gargulak's : Weekly News-letter**

SARGENT AT ARMS: Jennifer Giovinazzo and Mark Fisher

In keeping with our speaker anyone with a T or W in their name was asked to contribute.

John just got back from Florida.

The result of Margie's smashed up car in her driveway was $1200. An expensive mistake.

Don was fishing in North Dakota.

Mark was wearing his Marine Corp. shirt in memory of the recruiters who were shot.

Nancy raffled off a certificate for Chilkoot's.

NEXT WEEKS PROGRAM

Annual Picnic at Pioneer Park starting between 5:30 and 6:00 PM

GETTING TO KNOW OUR MEMBERS:

Nancy introduced Arba-Della. Arba-Della is President of Family Means, on the board of Lakeview Hospital, a Masters from University of Iowa, MBA from St. Thomas. She is a Bush Fellow and past president of our Rotary. She has 4 children and one perfect Granddaughter.

PROGRAM:

Arba-Della Beck introduced Ted Wegleitner, the new Lakeview CEO . Ted noted that he too attended St. Thomas. When Ted came to Lakeview he found the physician culture unique, involved and committed, and working together.
Lakeview is present all over the Valley not just Stillwater all the way to Amery, WI.
It centers of excellence include: the Women's Breast Center, Sleep Center expanding to 4 beds, Cardiology Center, Urology with its' Mayo trained doctors plus a whole center devoted to Women's health. It is not surprising to note that most health care decisions in families are done by Women.
In answer to questions, Mr. Wegleitner, noted that with the new Affordable Care Act, and higher deductibles , cost is becoming a critical issue and something they have to concern themselves with in the future i.e. competition.

Joke of the Week

I changed my car horn to gunshot sounds--people move out of the way much faster now.

You can tell a lot about a woman by looking at her hands--If they are holding a gun, she's probably angry.

I didn't make it to the gym again today--that makes it 5 years in a row.

To the paranoid people who check behind the shower curtains for murderers--if you find one, what's your plan?
