MEET YOUR FELLOW ROTARIANS

John Lennes is a charter member of our club. He has also served as President. He is a graduate of Wabash College and London University. He and his wife have 3 children.

PROGRAM:

We were pleased to have as our speaker and guest, District Governor Marlene Gargulak . Marlene is a past Rotary President of Rice Lake and has also served in various civic positions in her community.
She paid tribute to Bob Rupp our oldest member .
She also pointed out that the new International President ,K.R. Ravindran, owns the biggest manufacturer of tea bags in the world located in Sri Lanka.
She shared with us the value of teamwork by showing how horses like Clydesdales can be trained to pull up to 32,000 pounds by working as teams.
Her topics included leadership, Polio and working together. She shared an interesting statistic…in the 1980's we were seeing 1,000 new cases of Polio each day and to day we have 39 year to date.
Besides Polio, her favorite projects are the Pollinator initiative and recruiting new members into Rotary. Why not focus on the latter on the new cultures in our midst? It may be a big untapped potential.

Marlene helped to induct our newest member along with Jack G. Bob McDowell is the Executive in charge of Innovative Education in our School District or also Assistant Superintendent. He has 3 children.

Joke of the Week

A blonde calls Delta Airlines and asks, 'Can you tell me how long it'll take to fly from San Francisco to New York City ?'
The agent replies, 'Just a minute.'
'Thank you,' the blonde says, and hangs up..

Two Mexican detectives were investigating the murder of Juan Gonzalez.
'How was he killed?' asked one detective.
'With a golf gun,' the other detective replied.
'A golf gun! What is a golf gun?'
'I don't know. But it sure made a hole in Juan.'
