District 9465 Western Australia

Chartered: 22 April 1971

Bulletin

No 15 19th Oct. 2015

Be a gift to the world

President Max

Quiet meeting tonight, attendance way down with 2 members in Timor, another 5 involved in City of Kwinana business we only had 13 members present.

Welcome along to Matt Farrelly again, a guest of PP Mike Nella. Matt resides in Parmelia and teaches English at Belmont City College.

President Max and his team have completed their task of providing water for villagers in East Timor, they are due to return to Australia Tuesday 20th October Max reports that he is very happy with the teams progress.

Congratulations to Wendy Cooper, Sheila Mills, Peter Feasey and Dennis Wood on being elected to serve on the City of Kwinana Council. The final results were very close for the fourth spot.

PP Genevieve entertained us tonight with a Rotary Quiz of 20 questions, members who answered a question correctly were rewarded with a lolly.
All good lighthearted fun for everyone.
Next week is our Vocational visit to the Hydro-Pool at the Kwinana Requatic Centre, be there at 7pm followed by dinner at the Admiral.

Rotary International President

K.R. (Ravi) Ravindran

Rotary Club of Colombo

District Governor 9465

2015/16

Melodie Kevan

Club Meeting 19th October 2015

PP Mike Nella presided over and welcomed everyone to our meeting tonight.

President Report.

1. PP Michael is doing a great job while I 'am away thanks mate, you're doing that well I don't think I will come back.

2. The recent council elections show the calibre of the members of the Kwinana Rotary Club, we now have three elected councillor's to the city of Kwinana, that's going to start the bull dust on face book about the Rotary Club running the council, or worst still council running Rotary.

3. Congratulations to Wendy Cooper been re-elected for a second term and Sheila Mills Joining Bob Thompsons on council well done to both Wendy & Sheila.

PP Genevieve Carr displays her Rotary Quiz papers with VP Mike Nella

Talk is cheap. Until you hire a lawyer.

Take my advice — I'm not using it.

Sure, I'd love to help you out ... now, which way did you come in?

Secretary: PP Brian McCallum

Lunch will be finger food provided by those attending (Bring-a-plate) No admission charge.
Time: 11 am BYO drinks.
Usual sweep etc.

President 2015/16 Max Bird

Rotary Club of Kwinana: Club President
Kwinana Rotary Club International Manager
Project Manager for RAWCS 21-2011-12 project

19th October 2015

The international Committee has carried out the following.

Visited another village Naha'e with all the same problems, very much like Buibela community of 21 family's with very little, no water, power or anything else.

There is a spring above the village at 942 metres in elevation and 1200 metres from the School at 868 metres elevation relevantly easy to do, however we had a meeting with the community and told them of our requirements they need to ask us formally to help, be prepared to work for the project, be prepared to maintain the asset, and to maintain it, and write a simple agreement signed by all the land owners from the spring to the school that this is what they all want.

Returned to Buibela for a late lunch and a thank you ceremony, all very touching and rewarding, also received our tais as a thank you from them.

Arriving at back at Baguia at about 1800 hours

Ted, Manna Leo, Bob & myself then visited two village's Bubuha this village has no power as yet, however they believe it will get to them in the next 12 months as the route is been surveyed now.

Also at Larisula consisting of the sub villages of Uro, Bai-aha, Uatatefo, lau-hare & Bibidae with approx. 629 people.

The government is now spending just under $6 million to upgrade the irrigation system need to ensure whether they are also supplying water to the village.

Ted and Mick with Mario connected the Padre's bore at Laga to the high school tanks. The bore is pumping 25 litres per minute into the 2 x 5,500 litre school tanks, with just under 40 metres in elevation, a very good result credit to all, and now a job that has been on the books for 3 years is now completed.

The Suco from Saelari came down to see us, appears all appears in order now with the agreement and all the people are now signed onto the agreement.

The Xefe and his wife also came down from Buibela for a festival and where extremely happy their tank, it took about 24 hours to fill and has been overflowing ever since.

Went to Saelari to inspect the site again as neither Ted nor Mick has seen the site since Mr Antonio from Paya's Sisters was there and played around with the power line and the pump.

After much questioning it was established that the extra power wire was run to the pump to enabling three phase to be used, however only single phase was connected to the meter box and one of the phases was a rogue phase, two of the phase were giving around the 240 volts mark however the one was down to 169 volts.

The villagers have arranged with the East Timor Electricity Department (EDTL) for surplus power poles and heavier cable, the cable EDTL will supply is suitable for three phase or single phase @ 240 volts and 16 amps.

Once the villagers renew the power line with the new poles and wire to the EDTL standards and it is approved by the EDTL, and the power source has been connected each end by EDTL with hopefully a three phase metre at the pump end, as we have been stuck with a three phase pump. We can then and not before come back to install the pump in either three phase or single phase

At this stage all is going very well Max Bird

Project Director's Report.

The next Wellard Village Markets will be held on Sunday 8th November 2015

Members will soon be requested to attend local Primary School Graduation Ceremonies to present prizes donated by our club.

Kwinana Festival coming up on Saturday 31st October 2015 at Rhodes Park, Calista. We will be running our usual Chocolate Wheel, our food van will be in attendance also.

Lolly Run 2015 planning well underway, similar budget to last year. More volunteers feasibly with trailers required to service new areas.

October 26th Vocational visit to Requatic Centre, dinner after at the Admiral, 8pm, Genevieve will organise with Admiral to pre-order meals to cut waiting time, menu has been emailed to members to order their meals.

Admiral is hosting an outdoor concert, Feb. 2016 and wish to use our traffic management authority, PP Ian is liaising with Admiral manager.

RYLA applications close at the end of October.
Andy Valk applications will open soon.
HandiCamp coming up in January 2016, participants are needed especially carers/buddies.

Lorraine Lucas and PP Mike Nella pick up leftover bread products from Bakers Delight Baldivis and distribute to many community organisations around Kwinana including Gilmore College Breakfast Club, Lorraine and Mike with to sincerely thank Bakers Delight for their very generous support.

City Square Markets
The City Markets were not be held in October because of ground works in the area.

John Wellard Centre will be celebrating its second birthday on Saturday 24th October, 12pm -2pm. We will provide a 'Sausage Sizzle' City of Kwinana are paying and we will be serving 250 sausage sizzles on the day.

Visit your club webpage.

Fine Session

Sergeant: PP Stephen Castelli

John B: Welcome back John.

Wendy C: Congratulations to you and Sheila Mills on your election to the COK.

Sam and Matt: Seen leaving the hall just as the meeting was about to start????

Eric B: Caught talking to Matt as the meeting was about to begin.

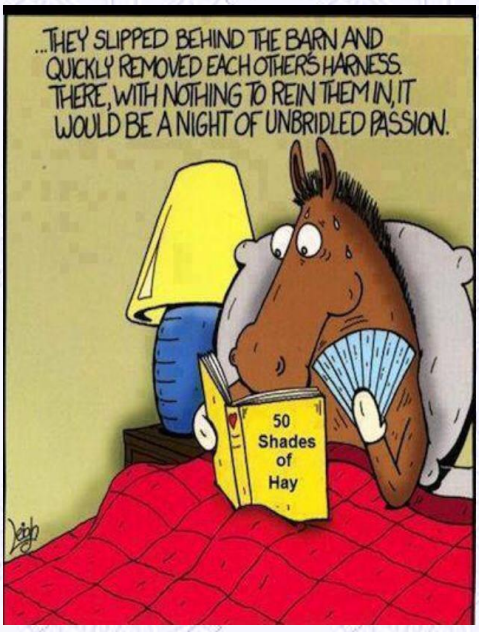
Genevieve C: Just made it as the meeting was about to start.

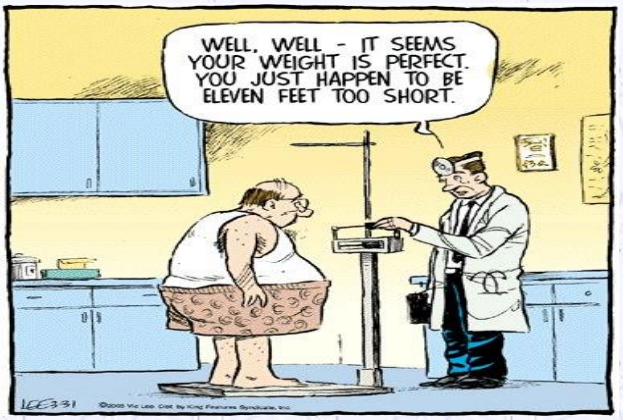
Lorraine L: The International Convention is not in Bunbury next year!!

Bevan P: Answered a few questions but somehow had a pile of lollies in front.

Sam C: Had 'hungry boards' on his cheese plate.

Brian Mc: Last question asked by Genevieve was began with 'Who am I'
Brian quick of the mark shouted out "Genevieve Carr' No Brian wait for the rest of the question!!





This Week in History

1616 Dutch sea-captain Dirk Hartog becomes the first European to set foot on Australia's West Coast and leaves his inscription at Cape Inscription, WA.

1872 The first overseas telegraph messages are received in Adelaide via the newly constructed Overland Telegraph Line.

1879 Thomas Edison demonstrates the first commercially viable electric light bulb.

1945 The United Nations is founded.

1965 Canberra's first traffic lights begin operation.

1966 144 people including 114 children killed when a coal slag hill buries a school in Wales UK.

1973 The Sydney Opera House is formally opened by Queen Elizabeth.

1987 The Dow Jones falls 22.6% the biggest one day fall in history.

2003 Supersonic Airliner Concorde makes its last commercial flight.

How is it one careless match can start a bush fire, but it takes a whole box to start a campfire?

Polio this week 14th October 2015

- In Lao People's Democratic Republic a circulating vaccine-derived poliovirus type 1 (cVDPV1) outbreak has been confirmed, with one case, an eight year old boy who had onset of paralysis on 7 September.
  Outbreaks of cVDPVs can arise in areas of low population immunity, emphasizing the importance of strong vaccination coverage.
-
- Thirty five million children were reached with polio vaccines during the September campaigns in Pakistan. Nearly 3 million children who were previously missed were vaccinated during the catch up days following this campaign. 'Continuous community-protected vaccination' (community based vaccinators who carry out immunization activities on an ongoing basis) and health camps are helping to reach children in the most difficult to reach areas.

Poet Lesley Adams

A poem by Lesley Adams
from her book.

Irreverent Verses

This poem was commissioned for a tennis club wind-up. Perhaps I should explain that at the time Loton Park was known as the "gay" tennis club.

Tennis

I'll admit that I'm not very sporty
It's too energetic for me
I'd much rather look
At a really good book
Or watch something on the TV
My knowledge of sport is quite meagre
And that includes tennis I fear
So I asked round about
For some terms I could spout
When I found I was going to come here
I learnt that it's all quite suggestive
The terms that they use in your sport
Grand slams and love alls
And the need for new balls
It's really quite naughty I thought
There are players who take the advantage
Which frequently ends up with deuce
I suspect a mixed double
Can only mean trouble
And what about racquet abuse?
But then I asked someone about Loton Park
It's amazing the strange look that gets!
He gave me a leer
And he said, "Well, my dear
They don't ever win in *straight* sets".

The Signs Are There

The signs are there, the lack of kisses
The little things a woman misses
The broken dates, the poor excuses
The feeling that you've had your uses
So now it seems the magic's gone
And though it could just linger on
The love affair is sadly ending
The break-up may be quite heart-rending
But now the truth can't be ignored
Love comes and goes and you're plain bored
So take the plunge and say it first
It's over now, the bubble's burst
Just say it quick, no need to wait
This thing is past its use-by date
Express regret – cry, if you like
But tell him that he's on his bike
And if he asks if he can stay
Just tell him firmly, go away
The river of our love ran deep
But now, to me you're just a creep
And guess what dear, this river's tidal
The tide is out – I'm homicidal
So please just leave without a fuss
Don't cry and moan, don't scream and cuss
Don't ask me to remain a friend
Just bugger off, this is the end!

Letting the cat out of the bag is a whole lot easier than putting it back in.

Guest Speaker: PP Genevieve Carr

Rotary Quiz.

Vocational Quiz
October 2015

1. What is the 2015-2016 Rotary theme?
2. Where will the 2016 Rotary International Convention be held?
3. Who will be the District Governor for Rotary District 9465 for the year 2016-2017?
4. What do DG Melodie Kevan and PDG Marilyn Barton have in common?
5. What are you if you are known as "RIPE"?
6. What does the acronym RAWCS stand for?
7. Paul Harris is known as the founder of Rotary; the first Rotary meeting was held in downtown Chicago, in Room 711 of the Unity Building. Name Harris's three business acquaintances who attended to form this first Rotary Club.

Meeting 12th October was Hat Day, we also had Linda Liddelow, Chaplain at Gilmore College. Lorraine Lucas presented certificates to the three young people from Gilmore College, Nicole Patterson, Braydon Kelly and Jordon Harris who recently attended RYPEN.

Meeting 12th October was Hat Day, below are a sample of the of the hats on display that evening.

These pictures weren't in last week's bulletin because of file size constraints

A young Naval Officer was in a terrible car accident, but due to the heroics of the hospital staff the only permanent injury was the loss of one ear.
Since he wasn't physically impaired he remained in the military and eventually became an Admiral. However, during his career he was always sensitive about his appearance.
One day the Admiral was interviewing two Navy Master Chiefs and a Marine Gunnery Sergeant for his personal staff.
The first Master Chief was a Surface Navy type and it was a great interview. At the end of the interview the Admiral asked him, "Do you notice anything different about me?" The Master Chief answered, "Why yes. I couldn't help but notice you are missing your starboard ear, so I don't know whether this impacts your hearing on that side."
The Admiral got very angry at this lack of tact and threw him out of his office.
The next candidate, an Aviation Master Chief, when asked this same question, answered, "Well yes, you seem to be short one ear." The Admiral threw him out also.
The third interview was with the Marine Gunnery Sergeant . He was articulate, extremely sharp, and seemed to know more than the two Master Chiefs put together.
The Admiral wanted this guy, but went ahead with the same question.
"Do you notice anything different about me?" To his surprise the Gunnery Sergeant said, "Yes. You wear contact lenses."
The Admiral was impressed and thought to himself, what an incredibly tactful Marine.
"And how do you know that?" the Admiral asked. The Gunny replied, "Well sir, it's pretty hard to wear glasses with only one ear."

A man in Scotland calls his son in London the day before Christmas Eve and says
"I hate to ruin your day but I have to tell you that your mother and I are divorcing; forty-five years of misery is enough."
'Dad, what are you talking about?' the son screams. "We can't stand the sight of each other any longer" the father says. "We're sick of each other and I'm sick of talking about this, so you call your sister in Leeds and tell her."
Franticly, the son calls his sister, who explodes on the phone.
"Like hell they're getting divorced!" she shouts, "I'll take care of this!"
She calls Scotland immediately, and screams at her father
"You are NOT getting divorced. Don't do a single thing until I get there.
I'm calling my brother back, and we'll both be there tomorrow.
Until then, don't do a thing, DO YOU HEAR ME?" and hangs up.
The old man hangs up his phone and turns to his wife. 'Sorted!
They're coming for Christmas - and they're paying their own way.'
