Be a gift to the world

President Max

Good meeting tonight, many guests and visitors.
Guest speaker was Morgan Gillham from Josh Byrne and Associates, the company charged with putting together our $5 ml Adventure Playground. Morgan gave us a very detailed look at how the project is starting to take shape. Projection is it should be finished late 2016.

AG Barry Berger came along with PDG Liz Westoby who later encouraged our club to follow up on the 'Club Visioning' we undertook some time ago. In fact Liz says she will return in a few weeks to see what progress we have made.

We also welcomed along Peter and Lisa Fry from Autobahn Kwinana, Paul Sutherland from Auto One, Rebecca Paice and Craig Standon from Sypher Locksmiths, Hine Grey and Sam Winmar from Bendigo Bank, six of our partners also attended. 29 in total.

PP Stephen Castelli reaches a significant milestone on the 6th Happy 60th

Congratulations to Karen and Norm Mulchay, Silver Wedding Anniversary on the 1st

President Report

1. A great time was held by all attending District Conference held in Bunbury, the conference was a credit to DG Melodie and the great team behind her

2. All Service Managers have submitted their Budgets for the rotary year 2016/17 to the Project Director, for Board approval and inclusion into the Club 2016/17 Budget. The next board meeting 20th April will be held at john Iriks place and will be mainly devoted to the 2016/17 budget

3. Rotary Club of Kwinana attended the Foundation Seminar whilst in Bunbury renewing the clubs ability to apply for future foundation grants, The MOU was signed and sent to foundation on the 26th March 2016

4. PP James Sharkey attended the district AGM at conference representing our club, I have not heard anything from district so all must be good

5. Thanks to Bob Thompson we had a successful day Thursday 24th March @ Bunnings sausage sizzle and raised a net profit of $474.44, A big **Thanks** to all the members and Partners that attended, without them this is not possible

6. Lee Davis had the money the money Spinner at Motorplex and raised $12.55 on Saturday night 2nd April 2016 Thanks Lee

7. The district Polio plus Movie night on the 13th April is fast approaching details in ClubRunner and the invitation already sent to all, last time was a great night out

8. Palm Beach rotary clubs Gala Dinner and Auction will be held 30th April @ Garry Holland Centre, please support them, we have 8 members and partners going and there are still some tickets still left

International

The international Committee has carried out the following.

- Our application for GG 1639026 has been authorized by the Dili Rotary club and our self's including both District Foundation Chairs authorizing their portions, now it's up Foundation and Rotary International

- 170 -180 Apple MacBook computers for Timor-Leste have been delivered to the warehouse for shipping to Timor-Leste on the 9th April with an ETA in Dili of 1st May 2016

- A small team of Ted Evans & Max Bird will travel to Timor-Leste on the 8th May returning 25th May 2016 to scope future works and sign the water use agreements with Samalari and Gari-Uai villagers, plus deliver the computers to Sol's 24/7

- A new Global grant will be applied for on our return to cover the village of Gari-Uai, this village has a population of 4,500 people without potable water

Club Service: **PP Mike Nella**

Please consider helping out with the bread project.
Bread is continuing to be picked up and distributed around Kwinana, please help out with this worthy project if are able, please see Mike or Lorraine to be placed on their roster.

Mike congratulated Lee Davis on her efforts in keeping our 'guest speaker' calendar pretty much full.

Rotaract Club to be 'Incorporated' going very well, 2 new members and continuing to be involved in a number of community projects.

Rtn Lee Davis, President Max Bird and Guest Speaker Morgan Gillham

Treasurer: **PDG Bob Cooper**

Bills paid, money in the bank

It used to be only death and taxes were inevitable. Now, of course, there's shipping and handling, too.

Joint Peel District Meeting at Ocean Clipper Inn on Monday May 30th

Anzac Day breakfast fast approaching, all hands will need to be on deck, preparation on the 24th and an early start on the morning of the 25th

Next Sausage Sizzle at Bunnings is on Sunday May 29th 2016

Material has been sourced for the installation of a plaque to be placed on the Wildflower Reserve Tower to recognise the contribution of our late and respected member Rodger Hamilton.

The next Wellard Village Markets to be held on Sunday 10h April

RC Palm Beach are holding a Gala Dinner and Auction on Saturday 30th April at the Ocean Clipper Inn. $75 pp see flyer below.

Lorraine & Mike still looking for assistance with the bread project, currently handling up to 700 loaves per week, we are able to help many people in Kwinana.
Anyone able to help please see either Lorraine or Mike.

Neighbourhood Day was on the 3rd April, Michael M had everything organised except the locals to turn up, attendance although better than last year was still rather disappointing. Indications were that the promised letter-drop to the local area may not have taken place?
Michael wished to thank everyone who gave up their time last Sunday.

Lorraine L in touch with a couple of prospects from Gilmore College for RYPEN.

Opportunities have become available to raise funds at the Motorplex by having our money spinner there..
PP Ian C believes we should persevere with this opportunity.
Lee D took the money-spinner to the last meeting, slight improvement in result.

Fine Session **Sergeant: PP Stephen Castelli**

Barry and James: Went along to a Seniors establishment and probably forgot they had been there.

Max B: Belated fine by the Sergeant because Max left for a trip to Timor on Valentine's Day.

Eagles and Dockers copped a fine tonight.

Max B: Fined again for the saga of the undercooked roast pork.

James: Out driving, had a 'motorbike' run into the back of his car!!!!
When James investigated the rider turned out to be rather large 'bikie'

Liz W: Shirt of the week.

Bendigo Bank girls: Fined just for coming along.

Bevan P: Sitting as 'thorn between 2 roses'

Max B: Forgot some important guests tonight.

Sam C: Arrived late to the meeting, didn't bother to find his seat, straight out for dinner.

Michael M: The sergeant had to help him tuck in his shirt.

John W and Sam C: Not much changes, they still would like 'hungry boards' on their dinner plates.

Guest Speaker: Morgan Gillham General Manager
Josh Byrne & Associates

Introduced by Lee Davis.

Morgan has been involved with various large commercial landscape firms where he has been responsible for all facets of commercial landscape projects from design through to construction as both an Operations Manager and Project Manager. With almost 20 years' experience in the landscape industry in Western Australia and having completed studies in agriculture and electrical trades in his junior years, he has gained specialist expertise in irrigation, play spaces and community spaces.
Morgan has a particularly strong interest in the promotion, encouragement and development of water, power and cost efficient green developments throughout Western Australia; assisting regional communities with training for the long term benefits of those communities; and the building of sound, appropriate infrastructure that will support and promote the development of communities well into the future.

Josh Byrne & Associates' (JBA) team members Josh Byrne & Morgan Gillham were on site for the 'Turning of the Sod' that officially announced the commencement of works on the Kwinana Adventure Playground.

The $5.2 million adventure playground project is due for completion in late 2016 and will be a go-to destination for the south-metropolitan region that features a wide variety or universally accessible play and recreational areas. The Kwinana Rotary Club driven initiative includes funding from federal and local government.

The JBA design team assisted by Jeavons Landscape Architects, Civil Engineers – Tabec, Electrical Engineers – Best Consultants, Traffic Engineers – DVC and expert arborists from the Arbor Centre have been working closely with Dana Eidsvold from the City of Kwinana to design a unique facility that utilises many of the original concept ideas developed by Fiona Robbé from Architects of Arcadia. Fiona and her team conducted the initial community consultation with feedback forming the basis of the original concepts.

JBA are now working as the superintendents with the Head Contractor – Environmental Industries to deliver a project that integrates with the topography and natural features of the existing site. This design approach reduces the need for tree clearing and opens up opportunities for natural shade. Hundreds of salvaged Jarrah poles and large Tuart & Marri logs from local land clearing that would normally have been mulched are going to be used within the project, which is in line with JBA's strong environmental design policies.

The Kwinana Adventure Playground will feature a main play structure that winds its way up and amongst the existing large Jarrah and Marri trees that are a feature of the site. The facility also includes a toddler area for younger children, a splash pad with universally accessible shower, toilet and changing rooms, as well as a hireable entertainment facility currently known as 'The Hub'. The extensive playspace will include climbing structures, flying fox, musical instruments, slides and a wide variety of other play elements for all ages and abilities.

As well as acting as the co-landscape architects for this project JBA conducted storm water infiltration analysis. This work increased JBA's understanding of the site and strengthens the overall project design.

A young boy enters a barber shop and the barber whispers to his customer: "This is the dumbest kid in the world. Watch while I prove it to you."
The barber puts a dollar in one hand and a 20c in the other, then calls the boy over and asks: "Which do you want, son?"
The boy takes the 20c and leaves.
"What did I tell you?", said the barber. "That kid never learns!"
Later, when the customer leaves, he sees the same young boy coming out of the ice cream store.
"Hey, son! May I ask you a question? Why did you take the 20c instead of the dollar ?"
The boy licked his cone and replied: "Because the day I take the dollar, the game is over!"

A man is trying to understand the nature of God, time, and the Universe.
He asks God: "How long is a billion years to you?"
God says: "A billion years is like a second to me."
The man asks: "Well, how much is a billion dollars to you?"
God says: "A billion dollars is like a penny to me."
So the man says: "God, can I have a penny?"
And God replies: "In a second..."

A man went to his lawyer and told him: "My neighbour owes me $500 and he won't pay up. What should I do?"
"Do you have any proof he owes you the money?", asked the lawyer.
"Nope", replied the man.
"OK, then write him a letter asking him for the $1,000 he owed you", said the lawyer.
"But it's only $500", replied the man.
"Precisely. That's what he will reply and then you'll have your proof!"

The boss returned from lunch in a good mood and called the whole staff in to listen to a couple of jokes he had picked up. Everybody, but one girl laughed uproariously.
"What's the matter?", grumbled the boss. "Haven't you got a sense of humor?"
"I don't have to laugh", she replied. "I'm leaving Friday."
