Anniversary:

Club Anniversary:

If you had any we hope you had a good day

Meets Monday
6 for 6.30pm
At Rotary Hall
Brownell Crescent, Medina

Visitors always welcome

Great meeting this week we had a joint Group 4 meeting with RC Cockburn, RC Fremantle, RC Rossmoyne, RC Willetton and RC Kwinana held at the Darius Wells Function Centre.
Each Club President introduced themselves then asked their club members to stand and be recognised.
President Natalie Blechhynden from Cockburn, President Greg Paten from Fremantle, President Richard Atkinson from Rossmoyne, President Simon Cubitt from Willetton and President Max Bird from Kwinana.
President's from all club gave the meeting a brief overview of their respective clubs and the projects they were currently involved with.

Casey Mihovilovich, Director of City Strategy at the City of Kwinana gave the meeting a ppt. presentation on the Indian Ocean Gateway Project. I'm sure everyone present couldn't help but be impressed by the sheer scale of the proposal together with the longer term benefits for both Fremantle and the Kwinana/Rockingham region, let's hope our politicians have the right coloured glasses on when they make the necessary decisions.

No meeting Monday 16th and with many members in Kalgoorlie the meeting scheduled for Monday 23rd is cancelled.

Rotary International President

K.R. (Ravi) Ravindran

THE ROTARY 4 WAY TEST
of things that we think, say or do.

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO ALL CONCERNED?

Club President 2015/16 Max Bird

President's Pen

Club Meeting 9th November 2015

President Report

1. The Combined Rotary Club meeting with the Kalgoorlie Clubs is on the weekend 21st - 22nd November in Kalgoorlie, this is also fast approaching, please see Michael's notes from last week and let's get behind him and make it a successful trip, it will be a great weekend away, also please direct all enquires to Michael as he is dealing directly with the Kalgoorlie clubs
2. The Christmas Dinner is fast approaching as you are all aware from reading the club Calendar, the only thing booked at this stage is the venue. Michael Nella and the executive Social committee consisting of Diane Brown, Ann Samut (Bossy) Marge Williams (Trouble) and Diane Bird (M D), will be asking for ideas over the next couple of weeks, please help them when asked and please direct all inquiries to Michael Nella
3. Thank you to Mike Metcalf for mowing the grass, cleaning up the grounds and turning the reticulation back on, it certainly has made the place look a lot better
4. We need a busy bee to fix a few things around the place, tail Lights not working on the BBQ caravan (left hand indicator only) number of tables need fixing or throwing out, one that was used at the festival was bloody dangerous, plus a general clean-up of the sheds etc

International

The international Committee has carried out the following.

- Reports are done and have been put in ClubRunner for any member that wants to read them at their leisure, interim reports to foundation & RAWCS will be sent off in the next couple of weeks
- With Daryl Mills leaving the position of Rotary Liaison officer in Timor-Leste we are in the processes of opening our own bank account in Dili
- Meetings arranged with Pushpa and Brian Eddy on Wednesday 4th November re foundation and surplus school computers went very well and I will report on those later
- Spoke to the Rotary Club of Cockburn on Thursday 5th November and it was a great meeting I would encourage other members to attend one of their when possible
- Will also be the guest speaker at Mount Barker on the 17th November and Albany on the 18th November

Isn't it scary that doctors call what they do "practice"?

Despite the cost of living, have you noticed how popular it remains?

Club Service: PP Mike Nella

1. Please members let's all get join together in recruiting new members, to join our club
2. Thank you to all the members willing to help with our distribution of the bread program, if we need more help please join in
3. On Saturday 21st November in Kalgoorlie there is a Christmas party and the Rotary Club of Kwinana is invited, will be held at one of the Rotary member's house. Please let me know if you are interested in attending, the cost is $45.00 P/H including Drinks& Food
4. The meeting in Kalgoorlie will be held on the 22nd November, with all three Kalgoorlie clubs & the Kwinana Club at the Tower Hotel, if you want to stay at the Towers tell them you are from Rotary , it may get you a discount

Project Director's Report.

City Square Markets
The next City Markets will be held on Saturday 21st November 2015

The next Wellard Village Markets will be held on Sunday 13th December 2015. A meeting will be held at John Iriks home this Wednesday night to work out a promotion strategy.

Members have been requested to attend local Primary School Graduation Ceremonies to present prizes donated by our club.

Club trip to Kalgoorlie on the weekend 21st/22nd member numbers attending up to now a little disappointing, however it is a long trip.

HandiCamp coming up in January 2016, participants are needed especially carer's/buddies, we have 1 participant and we are told that we don't need to provide a carer.

Christmas Lolly Run has run into a bureaucratic brick wall, the opportunity of Santa and helpers travelling in the open back of vehicles and trailers has been denied. A ruling has been received by the COK that all persons must travel inside the vehicle and will be required to wear a seatbelt. This ruling effectively takes away a 50+ years tradition in Kwinana. PP Chris Oughton commented that local police were quite comfortable with our procedures, a uniformed officer actually sat in the trailer he used last year, we should not let overzealous bureaucrats wreck a tradition.

Lorraine Lucas and PP Mike Nella are picking up leftover bread products from Bakers Delight Baldivis, Rockingham and Kwinana to distribute to many community organisations around Kwinana including Gilmore College, Leda, Bertram, Calista, Parmelia Breakfast Club's. Lorraine commented that most of the bread needs to be sliced, Mike Metcalf has refurbished a slicer which is proving to invaluable. Lorraine and Mike wish to sincerely thank Bakers Delight for their very generous support.

PP Chris Oughton is seeking our support for the plan to restrict development in the Buffer Zone between Industry and existing urban development.

International Report:

The international Committee has carried out the following.

- We all returned safe and well from Timor-Leste, no one got shot, lost or put in jail, although the same as Perth the dreaded logy was rife and we all got a dose of the flu, Bob Cooper came of the worse with two trips to the doctor.

- Reports are just about done and can be ready for presentation next week
- However it was a very successful trip and a credit to all that went.
- Meetings arranged with Pushpa and Brian Eddy on Wednesday 4th November re foundation and surplus school computers.
- I will also be the guest speaker at Cockburn Thursday 5th November & Mount Barker on the 17th November.

Guest Speaker: Casey Mihovilovich

Director of City Strategy at the City of Kwinana

The Indian Ocean Gateway

The Indian Ocean Gateway (IOG) represents the optimal, long-term solution to the infrastructure, transport, economic and environmental future of the State's premier industrial area, and at its core is the pressing need for investment in the Outer Harbour.

The long-proposed Outer Harbour is considered the future trade nexus of container imports and freight movements in and throughout the State for the next half century. There is agreement across all political spectrums, within all associated industries and at all levels of government – the Outer Harbour is key to the future sustainability and overall success of Western Australia's port trade.

The Indian Ocean Gateway represents Western Australia's premier industrial region on the shores of the Indian Ocean with access to international trading partners throughout Asia and across the globe.
With approx 6,115 hectares of land available, and of this only 2,250 currently utilised, the industrial area provides for growth catering to national and international trade and is a place where industry will be protected from urban encroachment and has certainty to make investment decisions for the long term.
The sheer size of the industrial area, the potential for modern infrastructure to exist and the maturity of resources already established in the area makes for the ideal location for business collaboration focusing on the Indian Ocean and throughout Asia.

It is estimated that at full build out the annual revenue generated in the IOG would be in the order of $42.4 billion with projected flow on effects in Australia of indirect sales/output of $28 billion.

Employment of 13,757 people is expected to triple to 37,383 employees and generate indirect employment for a further 49,657 employees.

Construction of the Outer Harbour is the best solution for addressing Perth's freight congestion issues.

There is an increasing demand for international container trade. The IOG already has in place the freight rail lines and road networks (already built or reserved) to accommodate the volume of trade projected.

The IOG industry protection zone will be legislated. Residential, sensitive and incompatible land uses will be prevented from being approved within the zone.

See the full proposal.

This Week in History

1493 Explorer Christopher Columbus lands on Puerto Rico for the first time.

1840 New Zealand becomes a separate colony, no longer administered by New South Wales

1855 Missionary and explorer David Livingstone becomes the first non-African to sight Victoria Falls in Africa.

1869 The Suez Canal, linking the Mediterranean and Red seas, is formally opened to shipping traffic.

1877 Thomas Edison announces his invention of a 'talking machine', which preceded the phonograph.

1920 Australian airline Qantas is founded

1938 The Waterside Workers' Strike, which earns Robert Menzies the nickname of 'Pig-Iron Bob', begins.

1953 Piltdown Man, the so-called missing link between ape and man, is declared to be a fraud.

1963 US President, John F Kennedy, is assassinated.

1970 The first computer mouse is patented by Douglas Engelbart.

1978 Over 900 people mass suicide at Jonestown, Guyana, South America.

Polio this week 11th November 2015

- Three years since no wild poliovirus type 3: the 10th of November is an opportunity to mark three years with no child paralysed by wild poliovirus type 3 (WPV3); a reminder of the role of surveillance in ensuring the world is polio free, and of innovations in driving the program forward
- Following its meeting in October, the Independent Monitoring Board (IMB) published its latest report evaluating the current status of polio eradication
- This week, the Emergency Committee of the International Health Regulations (IHR) is meeting by teleconference, to determine whether the current epidemiology continues to represent a public health emergency of international concern, and whether to maintain the temporary recommendations associated with it for a further three months. The Committee's report is expected to be published by early next week.
- The Global Commission for the Certification of Poliomyelitis Eradication (GCC) published an editorial in Science magazine, on the importance of ensuring global containment of type 2 polioviruses, following the group's declaration in September that wild poliovirus type 2 has been globally eradicated. The containment of type 2 polioviruses is particularly critical, in the lead-up to the switch from trivalent OPV to bivalent OPV in April 2016.

KEN JACKMAN HALL

A man goes to see a wizard and says "can you lift a curse that was put on me years ago ?"
"Maybe," says the wizard, "if you can remember the exact words of the curse ?"
The man replies without hesitation "I pronounce you man and wife ..."

A little boy asked his father, "Daddy, how much does it cost to get married?" And the father replied, "I don't know, son, I'm still paying for it."

Wife: "What are you doing?" Husband : Nothing. Wife : "Nothing...? You've been reading our marriage certificate for an hour." Husband : "I was looking for the expiration date."

A bank robber wanted to keep his identity secret, but didn't wear a balaclava. He told all in the bank not to look at him or he would shoot them. One foolhardy customer sneaked a look, and the robber promptly shot him. The robber asked if anyone else had seen his face. One customer, gazing intently at the ground, said "I think my wife got a glimpse"

A wife arrived home after a long shopping trip, and was horrified to find her husband in bed with a young, lovely thing.
Just as she was about to storm out of the house, her husband stopped her with these words: "Before you leave, I want you to hear how this all came about.
Driving home, I saw this young girl, looking poor and tired.
I offered her a ride. She was hungry, so I brought her home and fed her some of the roast you had forgotten about in the refrigerator.
Her shoes were worn out so I gave her a pair of your shoes you didn't wear because they were out of style.
She was cold so I gave her that new birthday sweater you never wore even once because the color didn't suit you. Her slacks were worn out so I gave her a pair of yours that you don't fit into anymore.
Then as she was about to leave the house, she paused and asked,
"Is there anything else that your wife doesn't use anymore?"
"And so, here we are!"
