## Linda Carney Rotary Cares Celebrity Challenge June 19, 2010

Once again Squamish Rotary hosts the "Linda Carney Rotary Cares Celebrity Challenge" which is a great way to get some exercise, have some friendly competition with friends or family members and support the Linda Carney Foundation. All the pledge money raised for the Foundation stays here in Squamish to help our citizens.

The funds raised assist people with medical needs not covered by conventional medical funding i.e. wheelchairs, motorized scooters, special medications, and dental work to name a few.
