2025 2026 District Governor District 7450 Janice Biros

I became a Rotarian in 2016 after a thirty-year career in higher education administration. I joined my local Rotary Club in Phoenixville to learn more about my community since my working life was in Philadelphia. During my first year as a Rotarian, I went on a Rotaplast mission to Myanmar as a non-medical volunteer. In the 2 weeks we were there, our team of medical professionals did close to 100 cleft palate and cleft lip surgeries. I became the Gundaker Foundation representative for my club, and soon I found myself the president of Gundaker for 2 years during the pandemic. I also become president of my club for two years and helped our club operate differently. I am married and have two grown sons and three granddaughters. My husband just became a Rotarian this summer and that was a total surprise to me!
