Dear President Elects and Secretary Elects,

Firstly, thanks for agreeing to serve in this very important leadership position and to adequately prepare you for this role your District training team will be here to support your training needs - we start with PETS on FEBRUARY 24TH 2022.

The sessions are expected to be engaging and inspiring and shall allow you to network with your colleagues in the District via the zoom room activities planned.

We have prepared a mini–Presidents' Tool Kit to assist you in some key areas and hope that you will find the information useful as you make and execute your plans.

One item we wish for you to review immediately and complete Parts 1 & 2 is the Learning Support Contract and the other areas shall be completed at the end of the programme. An agenda is also attached with schedule dates for you to plan accordingly.

The major portion of PETS will be done virtually and the ½ day we have together in Barbados on April 7th 2022 will be spent discussing Budgets and networking.

We expect that by now, having registered for PETS you have completed the Learning Plan in the Rotary Learning Centre for Presidents and Secretaries respectfully, ***Congratulations!***

Those plans will help you to be better prepared for the PETS sessions.

We are reintroducing the Annual Planning Guide which you will complete with the assistance of your AG when you meet in the coming weeks.

See you all on February 24th as we kick off PETS 2022 – IT IS A VIDEO ON EVENT PLEASE!

Leslie Ramdhanny – District Governor Elect (DGE)

LIZCOX – District Trainer Elect (DTE)

Date: 18th February 2022
