Havasu Suicide Awareness & Prevention Walk

Statistics on Suicide:

- Over 44,000 Americans die by suicide each year
- Suicide is the number two killer among young people between the ages of 10 and 24
- 22 veterans take their lives every day
- The elderly, 65 and older, have the highest risk of suicide
- Suicide is the number two killer among college students
- For every completed suicide by youth, it is estimated that 100-200 suicide attempts are made

"Suicide is a permanent solution to a temporary problem."
~Phil Donahue

2019 3rd Annual Havasu Suicide Awareness & Prevention Walk

#YOUmatter;

Our Mission Statement

Our Goal is to provide ongoing community awareness, collaboration and prevention concerning the causes and impact of suicide among students, adults and veterans in our community

Our Objective is to raise money to "train a trainer" in Mental Health First Aid. The trainer will train the professionals and lay people in how to talk with individuals who are suicidal and how to direct them to the appropriate mental health support services.

Support: Suicide Support Group for those affected by suicide in a supportive setting to work through their grief.
