THE FOUR WAY TEST THAT ROTARIANS USE IN MAKING ETHICAL DECISIONS:
 Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?

Gary Ostrom: Dedicated to Family, Friends, Community, Rotary

EXTRA EDITION: As most of you probably know, we lost a special Rotarian this week; a very busy week, it was, requiring making sure we properly notify our Rotary community and RIM friends. **Past President Gary Ostrom’s** family okayed that we communicate the following: **Gary Ostrom** passed Friday afternoon at the hospital in Detroit. He went to Mercy ER Thursday at 2am, with breathing difficulty. Helicopter transferred him to Detroit shortly after midnight this morning. They did all they could but could not save him. A visitation will be held Tuesday, June 14 from 5 to 7pm, at Sytsema Funeral Home’s Lee Chapel. A funeral service is being planned for Wednesday, June 15, 11am, at First Presbyterian Church with visitation at 10am.

Past District Governor John Salan, 2009-10, expressed his sincere thoughts: *My deepest sympathies to you and your fellow Club members. This has been an extremely trying year for your Club in the passing of some great people who were great Rotarians. May God bless them and hold them in the palm of his hand.*

John F. Salan East Grand Rapids, MI 49506

Gary Ostrom loved a good story (witness his renowned Ole and Lena

{(or Sven)} tellings. Here’s one in Gary’s honor to lighten any mood: Dave Alexander was part of a welcoming committee Thursday for the cruise ship Pearl Mist, left.

“After providing an overview of the community for the first passengers, one of them came up and asked for a pharmacy. The easiest way was for me to drive her to Walgreens on Henry Street. I had time to talk to her in the car. She was in her late 60s and from Southern California, born and bred. This was her first time on the Great Lakes. She and her husband had a Bud distributorship in Pasadena, Calif. until 2003. She said she has been on about 38 cruises. Muskegon was the second

best welcome she had ever seen. Always the reporter... No. 1, I asked? She said she and her husband in 1968 were on the first American cruise ship to have a port of call in communist China. Not bad for little ol’ Muskegon.”
