THE FOUR WAY TEST THAT ROTARIANS USE IN MAKING ETHICAL DECISIONS:

Is it the **truth**? Is it **fair** to all concerned? Will it build **goodwill** and better **friendships**? Will it be **beneficial** to all concerned?

In the latest Habitat for Humanity work session, we had a nice mix of Rotaractors, Interactors and Rotarians. More on page 2.

Rotary Building Project

Below, Linda Juarez, Mary Anne Gorman

For the first time, Rotary, Interact and Rotaract were all involved in our Habitat home along with the owner and her son. We built this safety fence around the egress wall. We secured the roof to the house with hurricane strips. We cleaned up around the house and yard, and are preparing for the drywall to come in any time now.

LAST WEEK'S PROGRAM

**What's Your BodyAge?-
Towards a Healthier Muskegon**

Speakers: Jeff Lohman, Rachel Fawcett and Chris Sutton

by RIM Reporter Robin Henshaw

There is a lot of talk about Healthy Muskegon and, as a community, together we have developed programs and non-profits to assist Muskegonites in attaining optimal health and wellness habits, and plans. We now have another component: Lakeshore Fitness Center, housed where the "Y" was located, adds another element to enhance our community goals.

Lakeshore Fitness Center is much >>>

Cont'd - LAKESHORE FITNESS CENTER

From left, Chris Sutton, Jeff Lohman and Rachel Fawcett.

>>> more than a gym or workout facility. They have medically integrated fitness programs that work hand-in-hand with your physician to help improve medical situations through exercise. The Next Steps program includes a BodyAge assessment, which tracks your medical history and tests your baselines.

After the data is computed by certified instructors, you are provided with a significant report that lists your BodyAge versus your chronological age. This information, often shocking at first, can be extremely helpful in developing a workout plan that you will enjoy and help you become a healthier you! The staff will then spend another hour with you developing a goal-orientated workout plan - orientated to you - that's a pleasant means for reaching your fitness goals. In summary, the Lakeshore Fitness Center is all about helping members achieve a healthier lifestyle; one more is personalized and productive.

Lakeshore Fitness Center, a new addition to Muskegon Community College,* offers many extras, too. There are over 88 group exercise classes, personal training opportunities, an aquatic program, Kids' Night Out (Parent's Night Out), Youth Programming, massage therapy and so much more. A few Rotarians

shared their favorite aspects of

Lakeshore Fitness Center, and now you have a chance to go and experience what the buzz is all about. And

you get to know your true age, your BodyAge. Remember to be good to your body. We only get one. Go and check out the Lakeshore Fitness Center.

*(MCC) is committed to addressing Muskegon County's low health ranking in Michigan over the last 20 years. We will collaborate with other organizations while directing both our educational expertise and our community-centered health and wellness programming toward reversing this unacceptable trend."

NEWS / ANNOUNCEMENTS
- PRESIDENT, COMMITTEE
MEMBERS, GUESTS, ETC

**Rotaractor of the Month
Jaydn Midkiff
December 2016**

Jadyn is a first year member of the Rotaract Club of Baker College of Muskegon. When Jadyn isn't volunteering at our table fundraisers or other events

(like the Boys and Girls Club telethon), she enjoys volunteering at Pound Buddies. Jadyn also had the opportunity to attend a Montague/Whitehall Rotary lunch and did a great job representing our club. Once she graduates from Baker College, Jadyn hopes to pursue a career as a Neonatal Nurse Practitioner. Thanks for everything you do to make our club great, Jadyn. Keep being awesome!

Orville Crain sponsored in **Nate O'Brien**, who is our newest Rotarian. Welcome, Nate!

The 1st Green Apple Challenge application is complete! **Nancy Crandall** checked off all the boxes and raced to the finish line. **President Josh Wallace** couldn't believe his eyes, when he received the finalized form. Who will be the next Rotarian to complete the green apple challenge... tune in next week to find out!

Not only did **Nancy Crandall** get her green apple this week, but she also brought a very nifty magnetic Rotary pin we can purchase. Now there are no more excuses...these pins will not harm your clothing and they are only \$3.50 ☺ Protect your clothing and your wallet from future fines... Make sure to get yours.

Rotary's **The RIDE** team is complete! **Dave Alexander** rose to the occasion and accepted the position of TEAM HOST. He will assist our riders by recording time and distance! Good Luck Rotary Riders.

RIM Editor Bill Johanson, below, was out of sorts (since he is the

photographer extraordinaire) upfront with hour-glass in hand visually demonstrating how he tracks his hours of volunteer service to Rotary, **three minutes at a time**. All in all, the sands that fell through the hour-glass ticked off 905 volunteer hours, for which Bill then applied to the Consumer Energy Foundation for a Volunteer Investment Program (VIP) grant. \$425.00 ended up being donated to the Muskegon Rotary Foundation. Now that's **SERVICE ABOVE SELF!** Thank you, Bill, for all the **GOOD** you do. And to Consumers Energy's VIP, too.

Pam Babbitt had student Cora McDonell choose our next Brave Rotarian... and the HERO is **Ed Hendrickson**, who was busy making memories at the Holiday Inn! Ed, thanks for being a HERO.

President Josh, above on right, made a special presentation to **Tim Lipan** on behalf of Finemeister **Kevin Donovan**. The award was for Tim recently being named top cell phone violator during Rotary meetings. In Kevin's absence, Tim said he'd been forced to sit with Kevin for several months because no one else would. The plaque read, "Just put the phone down and pay your fine, Tim Lipan."

Julia Koch from The Hope Project brought to our attention that this is National Human Trafficking Month! Muskegon County's first ever human trafficking case has been prosecuted, and the collaboration and support of local authorities was instrumental in combating this issue. Julia extended special kudos to **Prosecutor DJ Hilson**.

At last week's ReWine meeting...

... the handshake between North Muskegon Interact and Mona Shores Interact, is a challenge between the two schools to sell the most tickets based on student ratio for "Get Your Chili On." The losing school will go to the winning school and sing their school song.

Two Mini Factoids

On March 23, our meeting moves to Shoreline Inn, for one day only

Those who haven't kept their personal profile-birthday information up-to-date will not / cannot be wished Happy Birthday in RIM
