THE FOUR WAY TEST THAT ROTARIANS USE IN MAKING ETHICAL DECISIONS:

Is it the **truth**? Is it **fair** to all concerned? Will it build **goodwill** and better **friendships**? Will it be **beneficial** to all concerned?

Fellowship Specialness

Veteran Rotary members here with, say, 10 or more years of service may recall when Paul Harris Fellowship ceremonies were rare: one honoree named annually and nothing else on the program that day. Those presentations are much more common now; who knows – the day may come when District incentives and Club competitions (“10 Brave Rotarians,” NCAA sports pools) make it easier for all members to more quickly achieve Fellowship status.

Becoming a member of the Paul Harris fraternity does begin with a brief ceremony. RI Foundation Council Chair **Ginny Sprague** likes to start each such occasion talking Harris history and

the award’s specialness, to wit:

“Paul Harris Fellow recognition is named for Paul Harris, who founded Rotary with three business associates in Chicago in 1905. ... Foundation programs provide educational opportunities, food, potable water, health care, immunizations, and shelter for millions of persons. These activities are funded, implemented and managed by Rotarians and Rotary clubs around the globe.”

The ceremony also reintroduces awardees to their Rotary colleagues, and usually to events or accomplishments previously unknown. The meeting before last, for example, two members became Paul Harris Fellows: **Joanie Smith** and **Tim Arter**, below. Briefly, we learned that Joanie had been an educator for 49 years in Michigan, California and New York City, concluding her career as the superintendent of 17 schools in New York City. She volunteered extensively in her churches as a teacher, youth leader, and head of various committees.

Tim had been a 10-year member and president of the Shelby Rotary Club, a member of the Mercy Hospital Philanthropy Council and Special Gifts Committee Chair, and a member of the Grand Rapids Chamber’s Regional Issues Committee, among other things.

We congratulate again these two energetic members, who obviously are deserving of special accolades.

ReWine Review

(From ReWine Meeting Minutes 10-20-16)
October 27: ReWine meeting moved to the GVSU Muskegon Innovation Hub Open House, located at 200 Viridian Drive; group decided to attend that event in lieu of an actual meeting. **Asaline Scott** called **Doug Pollock** at the Holiday Inn to report the meeting change.

Remember the Century Club and adjacent businesses? This is them today.

Mission for Area People: Serving the Community 50 Years

SPEAKER: LaDon Gustafson

E-MAIL: jjaltagirl@aol.com

**by RIM Reporter
Jamie Hekker**

Coordination and collaboration have been at the heart of Mission for Area People's work since its inception in 1967. Founded to bring together the charitable efforts of over 50 Methodist churches in the Muskegon area, it began as a food and clothing pantry. Over the years, its work has grown to respond to the increasing needs of Muskegon County families including: rental and utility assistance, a daily congregate meal at the Supper House and a medical/dental assistance fund.

The medical and dental assistance program provides help for the uninsured, high co-pays for those with insurance, and transportation to specialists. Clients often include working families as well as those who are unemployed. MAP has developed relationships

with doctors and dentists to facilitate referrals.

Mission for Area

People also hosts special seasonal programs. Working with local churches and agencies, MAP participates in the Lakeshore Backpacks for Kids program in August. The backpacks provide supplies and resources for back to schools. For the upcoming holiday season, MAP will be again hosting its Thanksgiving baskets and holiday shop. Coordination and communication are keys during the holiday season. All major agencies providing holiday assistance meet and communicate

regularly to ensure clients are able to receive assistance – and that they are only being served by one agency.

A hallmark of MAP's food pantry is that it is a "healthy choices" pantry. Clients are able to shop to select their own food, and all items are healthy. To help with skill-

building, MAP is now partnering with MSU Extension to offer Cooking Matters classes. Participants learn how to cook the healthy items they receive from the pantry and also receive much needed kitchen equipment: bowls, measuring cups, and a crockpot for completing the program! The next evolution of the program will focus on cooking and eating for specific chronic health conditions, such as diabetes, hypertension, and heart disease. The food pantry serves residents all over Muskegon County, but most of the clients are from Muskegon and Muskegon Heights. Currently MAP is seeking to expand partnerships in the northern areas of the county, where there are fewer services available.

It is partnerships, volunteers and grants that make MAP successful. A few of the supporters include the Community Foundation, United Way, Blue Cross Blue Shield, Mercy Health, the Service League and Women's Division Chamber of Commerce. Volunteers and financial support remains strong from local churches and over 600 volunteers assisted in 2015! If Rotarians are interested in volunteering, there are opportunities in the food and clothing pantry, as office volunteers and with the summer program. Donations of cooking utensils, and clothing and coat drives also help support the pantry activities.

For more information or to donate online, see the new website at www.missionforareapeople.org.

NEWS / ANNOUNCEMENTS – PRESIDENT

This next Thursday, November 3, as perhaps you've RIM-read a couple times already, we will be back at our winter location: the Holiday Inn or "that away," according to

President Josh's finger pointing.

However, please note that on Nov 10, we

will meet at the Muskegon Country Club, before returning to the Holiday Inn until May.

NEWS / ANNOUNCEMENTS – COMMITTEE MEMBERS, GUESTS

A few Rotarians still need to pick up t-shirts from **Merica Dobry**, left.

This is the last call – leftovers will be (and have been) offered for sale to other members.

NEW MEMBER ORIENTATION will be held on Wednesday, November 2, 8:00am at the Shoreline Inn. If you are a new member or haven't yet attended orientation, please come on Wednesday!

Grape Escape Co-Chair Deni Hunter, center, presents → \$10,000 from our major fundraiser's proceeds to the Muskegon Promise. Megan Byard-Karaba is on hand to accept the huge and heavy payment (which President Josh has to help hold up for this photo), and thank her Promise Zone Board Members. In the past year, the Muskegon Promise raised over \$1 million and the program is now available to all schools in the County.

Kyle Harris, below center, joined as the newest member of the

Muskegon Rotary, sponsored by his wife Jeanette. Kyle is a native of Muskegon, a graduate of

Muskegon Catholic Central and Michigan State University. Prior to returning to Muskegon, he lived for several years in Chicago. Both Kyle and Jeanette work for AFLAC.

Speaking of **Jeanette Harris**, she had her Red Star removed by President **Josh**.

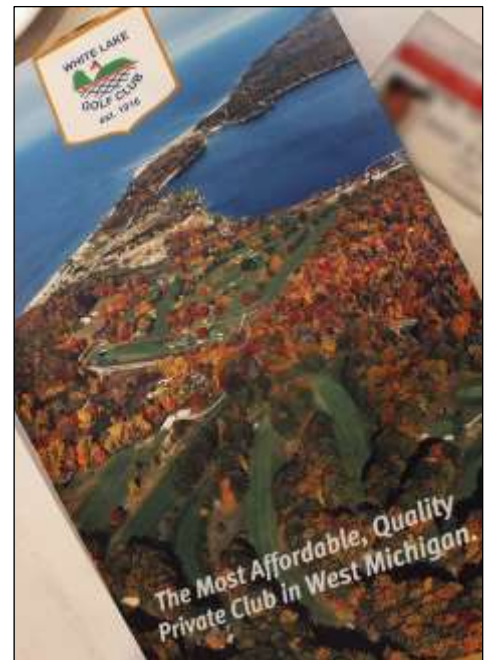

A Golf Package, left over from the *Grape Escape* Silent Auction will be auctioned off at our meeting on November 10 at the Muskegon Country Club. Please see **Josh Wallace** if you would like more information. →

This week in the “10 Brave Rotarians”: Only a few travelers on the Port City Princess remain. Unfortunately, **Mark Meyers** fell overboard and was eliminated.

On November 3, the film “Shot Felt ‘Round the World” will be screened at the Holiday Inn at 6:00pm. Pizza and n/a beverages will be provided. For more information, contact **Orville Crain**, or see the event Facebook page. Also, see page 2.

The third annual “Building Trust: Cops and Community Forum” will be held on Tuesday, November 1 at the Frauenthal Center. The event is sponsored by the Diversity and Inclusion Committee and will run from 5:30 – 8:00pm. See page 2.

Tom Schaub, right with **Ginny Sprague**, long time Rotarian and dedicated community volunteer, received a Paul Harris Fellowship.
