LEAD YOUR DISTRICT

Governor
2015-16
This is the 2014 edition of *Lead Your District: Governor*, the reference manual and GETS workbook for district governors serving in the 2015-16 Rotary year. The information in this publication is based on the Constitution and Bylaws of Rotary International, the Rotary Code of Policies, and The Rotary Foundation Code of Policies. Please refer to those documents for exact Rotary policy. Changes to the documents listed above by the triennial Council on Legislation, the RI Board of Directors, or The Rotary Foundation Trustees override policy as stated in this publication.

Congratulations on your position as district governor. Your role is to lead your district and support its clubs. Before your year starts, you can prepare for your responsibilities by reading this and attending your governors-elect training seminar (GETS) and the International Assembly.

**THIS RESOURCE**

*Lead Your District: Governor* is both a reference guide and a workbook that you should bring to your GETS. Your governors-elect training seminar and the information in this publication are your foundation for the International Assembly.

Your responsibilities as governor-elect and as governor are listed in each of the relevant sessions included in this workbook. They may vary from district to district because of local laws, cultural practices, and established district procedures. Be sure you understand your responsibilities and adapt the suggestions to fit your district’s needs.

**THE ROTARY WEBSITE**

Rotary launched a new website in August 2013. This site makes it easier to connect with other Rotarians who share your interests. The new site also supports the exchange of ideas, collaboration on community service projects, and the conducting of Rotary business, in addition to providing Rotary news and announcements of local and international events.

Throughout this workbook, there are references to [rotary.org](http://rotary.org), where you can get current information on all aspects of Rotary. You can find resources, conduct administrative tasks, and contact Rotary staff.

When you click on My Rotary, or go to [www.rotary.org/myrotary](http://www.rotary.org/myrotary), and sign in as a member, you gain access to much more member information and resources.

STRATEGIC PLANNING

Becoming a district governor can be overwhelming if you don’t have a plan for your year. To prepare for your term as the 2015-16 governor, you need to understand your role and responsibilities, set goals, and create a plan for achieving them. Once that work is completed, you will be ready to take action.

Your year as governor will be a memorable one, and you are sure to make your mark on your district. Rotarians in your district will remember you for your impact, the result of good planning. Don’t distinguish your term by creating your own theme, but support the RI president’s theme for the year.

STRATEGIC PLANNING

Once you understand your responsibilities, you must set goals and create a strategic plan for achieving them. Get your current governor, immediate past district governor, district governor-nominee (if known), and other district leaders involved to gather support. Follow the existing strategic plan, or develop a multiyear strategic plan if there isn’t one in place, to maintain the district’s focus from year to year.
Rotary’s Strategic Plan (see appendix 1) can serve as a guide for clubs and districts to follow when creating their own strategic plans.

Use the District Planning Guide (appendix 2) to assess your district’s strengths, weaknesses, opportunities, and risks and set goals for the coming year. Ask your current governor, district committee chairs, assistant governors, and Club and District Support (CDS) representatives for the information needed to complete the guide. You can also download statistical reports about your district via My Rotary to help you complete it.

**CLUB GOALS**

To set good goals, a club president-elect must assess past club accomplishments, member interests, and the club’s capacity to achieve goals. Encourage club presidents-elect to enter their annual goals in Rotary Club Central, accessible through www.rotary.org/clubcentral, where they can also see information on their clubs’ past performance. For a list of goals clubs can enter in Rotary Club Central, see appendix 3.

As a district leader, you can view a summary of your district’s goals and achievements or those of a particular club. If a club is unable to enter goals, any district leader can edit a club’s data on its behalf. Club presidents will be notified by email when any changes are made to their clubs’ data. Make sure that club leaders’ email addresses are current in Rotary’s member database. If clubs in your district participate in OneRotary vendor integration, remind them to opt in both on rotary.org and from within their vendor’s software. Take a course on Rotary Club Central in the Learning Center to become more familiar with its tools for both districts and clubs.

Work closely with your assistant governors to review each club’s goals at the beginning of the Rotary year, as well as their achievements as the year comes to an end. Club goals may be adjusted during the year as needed. Clubs can use the Strategic Planning Guide to create a long-term plan if they don’t already have one. A club strategic plan is helpful for setting annual goals.

**RATE CLUBS IN ROTARY CLUB CENTRAL**

Rate Clubs is a feature in Rotary Club Central that replaces the Memo of Club Visit. You will use it to keep track of your club visits and report each club’s practices, accomplishments, and challenges.

You and your assistant governors can use Rate Clubs to rate and leave comments after each club visit. Assistant governors can view, rate, and leave comments only for the clubs in their club groups.

You can view the ratings and comments for all clubs in the district during your governor-elect year. You can rate clubs and leave comments during your governor year. These ratings and comments will serve as a reference for you, your assistant governors, and your successors. Once all clubs’ ratings are final, you should confirm them by 1 June. Final comments and ratings should reflect the state of the club based on all club visits. Clubs do not have access to the ratings or comments.
MINIMUM STANDARDS

Before visiting a club, review Rotary Club Central’s information to determine whether the club needs extra support. To be considered functional, a club should meet these minimum standards:

- Meets regularly
- Implements service projects that address the needs of the local community and communities in other countries
- Accepts the visit of the assistant governor, governor, or any officer of Rotary International
- Pays per capita dues to RI and submits a semiannual report
- Subscribes to a Rotary World Magazine Press publication
- Maintains liability insurance appropriate for the region (United States only)
- Acts in a manner consistent with the RI Constitution and Bylaws and Rotary Code of Policies
- Pays RI membership and district dues without outside assistance
- Provides accurate membership lists to RI in a timely manner*
- Resolves club disputes amicably
- Maintains cooperative relations with the district
- Cooperates with RI by not initiating or maintaining litigation against Rotary International, The Rotary Foundation, the associate foundations, and the international offices of the Secretariat

Work with your assistant governors to support clubs that are rated nonfunctioning. As your liaisons to club leaders, assistant governors can provide regular guidance to these clubs and inform you of their progress. More information is included in their main resource, Lead Your District: Assistant Governor.

QUESTIONS TO CONSIDER

Consider these questions in preparation for your governors-elect training seminar.

- What additional responsibilities does the governor of your district have?
- What will be your most challenging responsibility as governor?
- Which goals from the current year will continue into your term?
- How will you measure and track progress toward the goals you have set?
- What are your district’s strengths and weaknesses?
- What motivates Rotarians in your district?
- How will you use Rotary Club Central to support club activities in your district?
- What support will clubs need in setting annual and long-term goals?

*Work with club secretaries to ensure membership data is kept current.
OUR VALUES IN ACTION

Through **fellowship**, we build lifelong relationships that promote greater global understanding. With **integrity**, we honor our commitments and uphold ethical standards. SESSION 1: STRATEGIC PLANNING – Learning Objectives

1. Work with your district and clubs to create a strategic plan.
2. Establish or refine at least one long-term goal and plan for achieving it.
PLANNING YOUR DISTRICT’S GOALS: Process for completing the worksheet

1. Identify one long-term goal from your district’s existing plan, or a long-term goal you would like to implement.
2. Determine the level of priority. (i.e., high, low)
3. Identify tactics you can use to accomplish the goal.
4. For each tactic, identify the following:
   a. People you will work with to achieve this goal
   b. Results of the goals put in place to help achieve this goal
5. Work with your district team to identify other long-term goals.

BUILDING YOUR TEAM

Being a successful district governor requires having a strong district leadership team. This team includes assistant governors, district committee chairs, and incoming and past governors. If you share responsibilities with your team, you’ll have more time to innovate, develop leaders, and motivate Rotarians to participate in projects, programs, and activities. Use the District Planning Guide (appendix 2) to work with your leadership team on planning your year.

HOW TO BUILD YOUR TEAM

Selecting individuals to serve on your leadership team is a joint effort. Work with your predecessors and successors to select appropriate people for each open position. Your advisory council of past district governors offers a wealth of history and experience that can be very useful in long-range planning. When making district appointments, consider the following tips:
• Consider two- to three-year terms, and stagger appointments so that there are always returning leaders in place to guide those new to the team.

• Appoint Rotarians based on their demonstrated leadership abilities and potential for growth, and select them from as many clubs as possible.

• Choose a combination of experienced district leaders and Rotarians who have not yet served at the district level.

• When offering a position, be clear about your expectations, explain the responsibilities of the position, and get a commitment to serve.

Finalize your appointments as a governor-elect several months before you convene your district team training seminar, where you will confirm each member’s responsibilities, district goals, and reporting procedures. District appointments should be reported on rotary.org by 31 December.

ASSISTANT GOVERNORS

Assistant governors play an important role, because they are the most familiar with the clubs in your district. The number of assistant governors you appoint should be based on factors such as the size, language needs, geography, and balance of strong and weak clubs in your district. Assistant governors should be appointed annually, with no assistant governor serving more than three consecutive years.

To develop leaders in the district, consider past club leaders or other members who have leadership potential for the assistant governor role. For more information about assistant governor responsibilities see Lead Your District: Assistant Governor.

Your district is responsible for determining the amount of financial support provided to assistant governors as they carry out their duties.

DISTRICT COMMITTEES

District committees support club and district activities related to their areas of expertise and help achieve district goals. The recommended committees are listed and described in appendix 4. You can create additional committees as needed. For more information about district committees and their responsibilities, see Lead Your District: Committees.

DISTRICT GOVERNOR CONTINUITY

To create greater continuity within the district leadership team, collaborate with your predecessor and successors, especially on activities that last more than a single Rotary year, such as strategic planning, district appointments, district service projects, and managing District Designated Funds and global grants. Your advisory council of past district governors offers a wealth of history and experience that can be very useful in long-range planning.
As governor, consider giving the governor-elect and governor-nominee the opportunity to request specific responsibilities or assignments on district committees so they can gain experience. Help prepare your successor by

- Assigning the governor-elect specific district committee or organizational responsibilities
- Including the governor-elect in district meetings you convene, such as the district conference
- Informing the governor-elect, before the International Assembly, of the status of clubs and recommending actions for strengthening each club
- Referring the governor-nominee to the governor-nominee course on the Learning Center

Meet with the governor-elect after he or she returns from the International Assembly to discuss the information presented there.

**SUPPORTING CLUBS**

The district leadership team exists to support the clubs in the district. Your district can help clubs update their practices using the suggestions in *Be a Vibrant Club: Your Club Leadership Plan*. This publication helps a club be one that members are proud of. Helping clubs be the best they can be is the ultimate goal of the district.

**QUESTIONS TO CONSIDER**

Consider these questions in preparation for your governors-elect training seminar.

- What should you think about when selecting Rotarians for district positions?
- How will you check in with your team during the year?
- What support will the clubs in your district need in order to be successful?
- How can past district governors support clubs in the district?
DISTRICT COMMITTEES

Resources and key messages for each committee are listed in *Lead Your District: Committees*. Encourage your committees to use Rotary resources for more information.

All district committees are expected to

- Work with the governor, governor-elect, governor-nominee, and assistant governors to plan strategies for achieving goals
- Promote and attend district training meetings and the district conference
- Relay information between Rotary International, the district, and club members
- Work closely with club leaders to provide support and guidance
- Share materials received from the Secretariat, RI committees, and the regional support team with clubs

CONVENTION PROMOTION

This committee promotes attendance at the annual Rotary International Convention to Rotarians throughout the district.

QUALIFICATIONS

Give preference to those with

- Experience attending a Rotary International Convention
- Marketing experience
- Public speaking skills

RESPONSIBILITIES

- Attend club and district meetings to promote the convention.
- Serve as a local resource for convention materials and information.
- Communicate with and assist the zone-level Rotary International Convention promotion committee member assigned to your district.
- Contact potential registrants.
- Contribute convention articles and information to district newsletters, publications, and directories.
- Translate important convention information into local languages, if necessary.
- Create or expand a district website with links to the convention information at www.riconvention.org.

Many convention promotion committees also

- Organize district group tours for the convention (especially for first-time attendees).
- Invite prospective Rotarians to attend the convention. (This is done mainly by host districts.)
- Carry out marketing campaigns and promote contests offered by the Rotary International Convention promotion committee.
DISTRICT CONFERENCE

This committee plans and promotes the district conference and helps achieve maximum attendance.

QUALIFICATIONS

Give preference to the governor-elect or governor-nominee or those with
- Experience in the meeting coordination or hospitality industries
- Professional media, public relations, or marketing skills
- Public speaking skills

RESPONSIBILITIES

- Recommend the district conference venue and make all related logistical arrangements.
- Coordinate conference finances to achieve maximum attendance.
- Promote conference attendance, with particular emphasis on new Rotarians, new clubs, and representation from every club.
- Publicize the district conference to external audiences, such as the media, community leaders, and beneficiaries of Rotary’s programs.
- In cooperation with the district trainer, arrange a district leadership seminar to be held in conjunction with the conference.
- Consider including time in the agenda to report on Rotary Foundation activities if no report has been or will be provided at another district meeting.

DISTRICT PROGRAMS

These committees promote district groups, programs, and activities, providing guidance to Interact, Rotaract, and Rotary clubs. Districts often have a specific committee for each of the programs or groups, with additional support for Rotaract and Interact clubs. Rotary offers resources for each of the following committees:
- Interact
- Rotaract*
- Rotarian Action Groups
- Rotary Community Corps
- Rotary Fellowships
- Rotary Friendship Exchange
- Rotary Youth Exchange
- Rotary Youth Leadership Awards (RYLA)

QUALIFICATIONS

Give preference to those who have club-level experience with the particular program or activity. The governor-nominee should serve on the district Youth Exchange committee.

*Rotary International has a recommended structure for district Rotaract committees, which is outlined in the Rotaract Handbook.
RESPONSIBILITIES

- Coordinate districtwide efforts related to the program.
- Promote program participation through regular contact with assistant governors and clubs.
- Promote successful programs at district meetings and during club visits by inviting program participants to speak and encouraging clubs to get involved.
- Consult with Rotary coordinators to identify program expertise in your region.
- Assist club program committee chairs in carrying out their responsibilities.
- Encourage clubs to determine whether the program can address local needs.
- Identify potential areas of cooperation between district programs and local non-Rotary service organizations.
- Encourage participants of one program to participate in others offered in the district.

EXTENSION

This committee develops and implements plans to organize new Rotary clubs within the district.

QUALIFICATIONS

Give preference to past district governors, district governors-nominee, and those with
- Experience as chair of a club committee related to membership development
- Success inviting new members to join Rotary
- Familiarity with implementing membership programs
- Success developing new clubs

RESPONSIBILITIES

- Identify communities without Rotary clubs that have a population capable of meeting the requirements for chartering a new club.
- Find communities where additional Rotary clubs could be established without detracting from service provided by existing clubs.
- Assist in organizing and establishing new clubs.

TRAINING REQUIREMENT

The chair and as many committee members as possible should attend a training meeting conducted by the Rotary coordinator.
FINANCE
This committee supervises district funds by reviewing and studying the amount of per capita levy and district administration expenses. It also prepares annual reports on the district’s finances. The district treasurer serves as an ex officio member of the committee and has voting privileges.

QUALIFICATIONS
Give preference to those with
• Previous service as club treasurer
• Accounting or finance as a component of their profession

RESPONSIBILITIES
• In cooperation with the governor, create a district budget to be submitted to clubs at least four weeks before the presidents-elect training seminar (PETS) or the district training assembly and approved at a meeting of incoming club presidents.
• Review and recommend the amount of per capita levy. Any per capita levy must be approved by at least three-fourths of the incoming club presidents at PETS or the district training assembly or by a majority of the electors present and voting at a district conference.
• Ensure that proper income and expense records are kept.
• Prepare an annual financial report to present at the district training assembly.
• Ensure that a member of the committee (preferably the treasurer) and the district governor are the authorized signatories for district bank accounts. Both signatures are required for any withdrawal.
• Consider working with the district Rotary Foundation committee chair to disburse grant funds and ensure that proper records of grant activity are maintained for reporting purposes.

MEMBERSHIP DEVELOPMENT
This committee identifies, markets, and implements membership development strategies that are appropriate for the district and will result in membership growth.

QUALIFICATIONS
Give preference to the governor-nominee, past district governors, or those with
• Experience as chair of a club committee related to membership development
• Success inviting new members to join Rotary
• Familiarity with implementing membership programs
• Success developing strategies to retain existing members

RESPONSIBILITIES
• Plan, market, and conduct a district membership development seminar in consultation with the governor-elect and district trainer.
• Assist clubs’ member recruitment efforts, paying special attention to small and struggling clubs.
• Encourage clubs to strive to represent the demographic composition of the community’s professionals.
• Ensure that clubs are aware of the membership tools available from Rotary International and that membership information is reported promptly to Rotary International.
• Work and communicate regularly with the district governor and club leaders to ensure that the district achieves its membership goals.
• Coordinate districtwide membership development activities.
• Encourage clubs to participate in Rotary or presidential membership development and recognition programs.
• Work with the district extension and public relations committees to plan activities that will aid membership development efforts.
• Assist club membership committee chairs in carrying out their responsibilities.
• Visit clubs to speak about innovation, flexibility, diversity, and ways to engage members.
• Work with the Rotary coordinator to plan membership activities in the district.
• Ensure that each club committee has a copy of *Attracting and Engaging Members* (formerly known as *Membership Development Resource Guide*) and is aware of resources available on rotary.org.

**TRAINING REQUIREMENT**

The chair and as many committee members as possible should attend a regional seminar conducted by the Rotary coordinator.

**NEW GENERATIONS**

This committee develops, implements, and supports New Generations activities in the district and coordinates with other committees to engage youth. The district governor may determine the best structure for the committee and its relationships with other district committees.

**RESPONSIBILITIES**

• Promote New Generations Month (September).
• Coordinate with the district Interact, Rotaract, RYLA, Youth Exchange, Community Service, International Service, and Vocational Service committees to foster cooperation.
• Emphasize service in each of the New Generations programs (Interact, Rotaract, RYLA, and Youth Exchange).
• Encourage and facilitate relationships with other organizations to expand opportunities for young people.
• Encourage and facilitate young people’s transition from one program or activity to another, and offer progressively increasing responsibility as they acquire leadership skills.
• Engage with former New Generations program participants to maintain their contact with Rotary.

**RESOURCE**

*An Introduction to New Generations Service* — Information and resources related to Interact, Rotaract, Rotary Youth Exchange, Rotary Youth Leadership Awards (RYLA), youth protection, and program alumni activities.
NOMINATING
This committee nominates the most qualified Rotarian who is available to serve as governor. For more information, see the “District Nominations and Elections” folder in the district governors workgroup.

RESPONSIBILITIES
• Conduct a selection process in a dignified, responsible manner in accord with the principles of Rotary.
• Seek out and nominate the most qualified person.
• Interview all candidates for governor, whether they are suggested by clubs or by the nominating committee itself. Each interview of governor-nominee candidates should satisfy the minimum requirements specified in the Rotary Code of Policies, Governor Nominee Selection, section 19.030.
• Ensure that no member, alternate member, or candidate for membership on a nominating committee is eligible to be nominated for any office for which the committee nominates candidates.

PUBLIC RELATIONS
This committee promotes Rotary to external audiences and fosters understanding, appreciation, and support for the organization’s programs. It also helps Rotarians understand that effective external publicity, favorable public relations, and a positive image are goals for Rotary.

QUALIFICATIONS
Give preference to those with a background in either of the following:
• Club public relations activities (preferably as chair)
• Media, journalism, public relations, communications, advertising, or marketing skills as part of their profession

RESPONSIBILITIES
• Maintain contact with the district governor and key committee chairs to stay informed about district projects and activities that can be promoted — particularly those that are of interest to the public.
• Promote Rotary to external audiences, such as the media, community leaders, potential partner organizations, program beneficiaries, and the general public.
• Contact the media with newsworthy stories of district projects and events, and share district and club stories via social media.
• Share Rotary public relations materials with clubs and encourage them to make public outreach a priority, using both traditional and social media.
• Seek opportunities to speak to individual clubs about the importance of club public relations, including developing websites geared toward the public.
• Promote Rotary initiatives, such as PolioPlus, grant successes, alumni activities, and awards, to districts and the Rotary community.
TRAINING REQUIREMENT

Committee members should attend public relations workshops held in conjunction with Rotary training meetings whenever possible, as well as the regional seminar held by the Rotary public image coordinator.

ROTARY FOUNDATION

This committee assists the governor in educating, motivating, and inspiring Rotarians to participate in Foundation programs and fundraising activities. It serves as a liaison between the Foundation and club members. The district governor is an ex officio member of the committee and has voting privileges. The committee chair should serve as an ex officio member of all subcommittees to stay informed of their progress and directly support them as needed.

The members of the district Rotary Foundation committee serve as chairs of four subcommittees:

- Fundraising — Coordinates the district’s fundraising goals for the Annual Fund, PolioPlus Fund, and the Endowment Fund, soliciting gifts and educating Rotarians about their gift options.
- Grants — Oversees the qualification of clubs, assists clubs in applying for Rotary Foundation grants, ensures that proper stewardship and grant management practices are implemented, reports irregularities in grant-related activities, and promotes Rotary Foundation grants.
- PolioPlus — Supports Rotary’s commitment to polio eradication and encourages participation in PolioPlus activities.
- Stewardship — Responsible for ensuring the careful management of Rotary Foundation grant funds and educating Rotarians on proper and effective grant management.

Districts are free to appoint other subcommittees to support their activities and goals. There are six subcommittees that can be reported online but are not required:

- Alumni subcommittee
- Annual Fund subcommittee
- Endowment Fund subcommittee
- Rotary Peace Fellowships subcommittee
- Scholarships subcommittee
- Vocational training team subcommittee

QUALIFICATION

Give preference to past district governors, past assistant governors, effective past district subcommittee members, significant financial contributors, and club-level Rotarians with professional or technical experience in a related field.

RESPONSIBILITIES OF THE CHAIR

- Assist the district governor in presenting a district Rotary Foundation seminar for club presidents, presidents-elect, club Foundation committees, and other Rotarians.
- Help the district training committee conduct Foundation sessions each year at the presidents-elect training seminar and district training assembly.
• Encourage clubs to offer at least two programs on the Foundation annually, paying special attention to November, which is Rotary Foundation Month.
• Promote high levels of financial support for Foundation programs by encouraging regular contributions to the Annual Fund, PolioPlus Fund, and the Endowment Fund.
• Coordinate all district Foundation fundraising and program participation.
• Encourage clubs to find current Foundation information at rotary.org.
• Work with the district governor and governor-elect to decide how to use the District Designated Fund.
• Help the governor-elect gather input from club-level Rotarians before establishing district Foundation goals for the upcoming year.
• Manage the DDF distribution process and work with the district governor to authorize the use of the fund for program, grant, and fundraising purposes.
• Ensure that satisfactory final reports on district-sponsored programs and activities are submitted to The Rotary Foundation on time.
• Serve as an ex officio member of all subcommittees, maintain contact with them to stay informed of their progress, and directly support them as needed.
• Help the governor select qualified recipients for Foundation awards.
• Qualify the district and its clubs to use Rotary Foundation grants.
• Ensure that all clubs interested in participating in Rotary Foundation grants are able to qualify.
• Help organize grant management seminars to qualify clubs.
• Confirm that clubs applying for global grants are qualified.

TRAINING REQUIREMENT
All members of the district Rotary Foundation committee are expected to attend a regional Rotary Foundation seminar conducted by a regional Rotary Foundation coordinator.

TRAINING
This committee supports the district governor and governor-elect in training club and district leaders and overseeing the district’s overall training plan. The district trainer serves as the chair of the training committee and assigns responsibility for training meetings and functions as necessary.

QUALIFICATION
Give preference to those with experience in training, education, or facilitation.

RESPONSIBILITIES
• Work with the governor-elect, who has final approval on the program, speakers, training leaders, evaluations, and logistics for the presidents-elect training seminar (PETS), district training assembly, and district team training seminar, which includes assistant governor training. A district participating in a multidistrict PETS should have a training committee member selected by the governor-elect to develop and conduct training at the seminar.
• Work with the governor, who has final approval on the program, speakers, training leaders, evaluations, and logistics for the district leadership seminar, club-level and Rotaract leadership training, and other training and leadership development programs, as appropriate.

• Consult on training issues for the district Rotary Foundation seminar and district membership seminar. (These meetings are the primary responsibility of other district committees.)

• Support club trainers as needed.

• Work with the district governor and the district Rotary Foundation committee chair to plan, organize, and promote the district Rotary Foundation seminar and work with the district governor-elect to promote the grant management seminar.
SESSION 2: BUILDING YOUR TEAM – Learning Objectives

1. Create a plan for appointing an effective leadership team for the district.
2. Develop strategies for working with your district team to achieve its goals.

DELEGATION

During your year as district governor, much of your time will be devoted to club visits, attending training events, and other meetings. Your district leadership team is there to support you and help you achieve your district goals. The team includes your assistant governors, district committee chairs, and incoming and past governors. To have a successful year, it will be necessary to delegate tasks to your team members and communicate with them regularly. Each committee chair will take appropriate tasks back to their committees to complete. Check in with them often on their progress and advise them as necessary.
MOTIVATION
Your role as the leader of your district is to motivate your fellow district leaders to be knowledgeable and enthusiastic about Rotary and take action to achieve goals. Keep in mind that, like you, your team members are volunteers who value their time. Have reasonable expectations and be sure to show your appreciation for their efforts.

If you don’t know everyone on your district leadership team, make an effort to get to know them. This could be done with an informal gathering or by meeting individually with those you don’t know as well. People vary in what motivates them, so once you get to know your team members better, you will better be able to motivate them.

AWARDS
One way to demonstrate your appreciation for Rotarians’ commitment is to recognize them with an award. Awards motivate Rotarians and thank them for their service. In addition to honors given by Rotary International and The Rotary Foundation, your district may have several of its own awards. Descriptions and nomination forms for each award are available at rotary.org/awards.

QUESTIONS TO CONSIDER
Consider these questions in preparation for your governors-elect training seminar.
• How will you delegate responsibilities so that goals are met and no one is overtasked?
• How will you motivate your team and other Rotarian volunteers?
### SESSION 3: MANAGING VOLUNTEERS – Learning Objectives

1. Assess the work styles of your team members.
2. Develop strategies for handling potential challenges in leading the district team and working with clubs.
GETS WORKSHEET

ASSESSING YOUR WORK STYLE

Assessing the work and communication styles of your team members can help you work together more effectively.

Think about how you prefer to work by considering the questions below.

1. How do you prefer to receive information?
   a. In person
   b. Via phone
   c. Via email
   d. Other, please explain

2. Do you like it when decisions are made quickly by one person or reached by group consensus?

3. Do you respond to challenges with an emotional reaction or with thought-out logical analysis?

4. Do you respond well to criticism? Are you good at giving feedback to others?
## GETS WORKSHEET

### MANAGING CONFLICT

In your groups, discuss your assigned case study and answer the questions that follow.

<table>
<thead>
<tr>
<th>CASE STUDY 1: Underperforming committee chair</th>
</tr>
</thead>
<tbody>
<tr>
<td>It's halfway through the year, and one of your first-year committee chairs, who was recommended by a respected past district governor, isn't meeting your expectations. He doesn't communicate with committee members and hasn't made progress on any of the committee's goals. The committee members are frustrated and are talking about stepping down if action isn't taken.</td>
</tr>
</tbody>
</table>

How will you address the situation? How can you work with the chair to build a successful working environment?

How will you respond to the committee members’ concerns?
**CASE STUDY 2: Clubs not working with district**

Over the past few years, a few clubs in your district have developed a negative attitude toward the district, and they avoid working with its people whenever possible. Your goal is to have them work with the assistant governor in accordance with the district leadership plan. How can you help the assistant governor build the trust of the club presidents?

How can you communicate the benefits of working with the district to these clubs?

What approach can you take with the presidents to make them feel confident about working with the district?
CASE STUDY 3: Overburdened district governor

You felt prepared for this position before taking office, but now that you are a quarter of the way into your year, you are feeling overwhelmed with all the work involved in developing goals, preparing for club visits, overseeing district funds, and fulfilling other responsibilities.

What should you do?

CASE STUDY 4: Unmotivated team member

You learn that one of your assistant governors feels her efforts go unnoticed. She has begun to volunteer less frequently, and you are worried she might step down from her position.

How can you address her needs and re-engage her?
CASE STUDY 5: Dominant past governor

Your immediate past district governor has a dominant personality and tries to impose his will on your decisions. Although a few of your district’s committee members are loyal to him, many are not.

How do you work with the past governor and also meet your team’s needs?

CASE STUDY 6: Overeager district governor-elect

In January of your governor year, your district governor-elect returns from the International Assembly motivated and eager to start working. He begins forming committees and planning projects for his term. You are glad that he is inspired, but his efforts are starting to interfere with your work as a governor.

How do you work with the district governor-elect to help him plan and stay motivated, while still keeping the focus on current district activities and events?
STRENGTHEN YOUR MEMBERSHIP

You joined Rotary because you wanted to make a difference. Together, with more than a million members in 34,000 clubs worldwide, our global community’s impact has never been greater. Our ability to provide service in communities around the world depends on strong, active, and engaged members.

Governors are in a unique position to influence membership growth. You and your team can help clubs become stronger, more dynamic, and more successful at keeping members active and engaged.

SERVICE, IMAGE, AND MEMBERSHIP

Rotary research shows that the number one reason people join Rotary is to positively affect their community. It is important that Rotary clubs are active in service, that this service truly improves the quality of life of its beneficiaries, and that the impact is visible to improve community awareness of Rotary. Promote club service projects on your district website, in your monthly communications, and at club visits. Encourage clubs to promote their service projects in their communities and to use social media to get the word out.

Remember that clubs that have engaged members are more likely to retain a strong membership. You can engage members by involving them in the following ways:

- Asking them to serve on committees
- Giving them active roles at meetings
- Asking them to participate in service projects
- Having them mentor new members

At the district membership seminar, members can share best practices for creating strong, vibrant, and innovative clubs with involved members. Work with your membership development and district training committees to plan this seminar, as well as stand-alone events or sessions for new members at your district training assembly or conference.

When you have clubs with engaged members who are fulfilling their desire to improve their communities and connect with others, they will stay in the club and will reflect a positive image. Engaged members have fun, and this also attracts new members.
DISTRICT MEMBERSHIP DEVELOPMENT COMMITTEE

Your membership development committee exists to help clubs attract and engage members by helping them set realistic goals, connecting them with available resources, and implementing strategies that are appropriate for the district.

Be sure to enter your district appointments at My Rotary so that the committee can receive membership development resources from Rotary International. For more information on this committee, see appendix 4: District Committees.

REGIONAL MEMBERSHIP PLANS

Regional membership plans recognize that needs vary from region to region and address our membership challenge on a local level. The initiative empowers Rotarians around the world to develop membership strategies that work best in their region. Find your regional membership plans on the Membership Resources page of rotary.org and review the strategies and tactics developed for your region. Work with your membership committee to identify tactics for attracting new members, engaging your current members to improve member retention, and increasing the diversity of your membership.

QUESTIONS TO CONSIDER

Consider these questions in preparation for your governors-elect training seminar.

- What opportunities exist for organizing new clubs in your district?
- How can you help increase membership in the clubs in your district?
- What strategies for engaging existing members will you promote to clubs?
- What can you do to promote membership diversity as a key component of membership growth?
- How can you encourage clubs to continually assess and monitor themselves to remain relevant and viable to their members and their communities?
### SESSION 4: STRENGTHEN YOUR MEMBERSHIP – Learning Objectives

1. Establish membership goals for your district.
2. Develop strategies for accomplishing membership goals.
GETS WORKSHEET

STRATEGIES FOR ACHIEVING MEMBERSHIP GOALS

Use this worksheet to develop membership goals and strategies that can be implemented in your district and your clubs. District-level strategies should relate directly to your responsibilities as governor and club-level strategies should help you develop ideas for your clubs to implement to strengthen membership.

For this exercise, select one goal, and work on the club- and district-level strategies for that goal. Use the table below to identify the goal you would like to work on with your group. The page numbers for each strategy are listed below for your reference.

SERVICE AND WORKING WITH YOUNG LEADERS

Effective service projects will help clubs maintain their members’ enthusiasm for Rotary and encourage them to initiate new service efforts. Meaningful involvement with young leaders through support of Rotary’s youth programs will secure a vibrant future for your district.

DEVELOPING SERVICE PROJECTS

All Rotarians are responsible for participating in service projects that improve the quality of life in their community and communities around the world. When considering service projects and activities, keep in mind Rotary’s areas of focus and programs (see appendix 5). Conduct a needs assessment to determine what will benefit the community. For more information on needs assessments, see Community Assessment Tools. Talking to members of the community who will benefit from the project before developing a project plan will increase the difference that the project makes in the community.

A priority of the Rotary Strategic Plan is to focus and increase humanitarian service. As district governor, encourage sustainable service focused on youth programs and the areas of focus, and create projects locally and internationally.

ONLINE TOOLS

To enhance your service this year, consider using these online tools.

- **Rotary Ideas** ([ideas.rotary.org](http://ideas.rotary.org)) — Find an international partner for a global grant, promote hands-on volunteer opportunities, or encourage clubs to crowdsource funding from non-Rotarians in their community. Go to My Rotary and find Rotary Ideas in the Take Action tab under Develop Projects.
- **Rotary Club Central** ([www.rotary.org/clubcentral](http://www.rotary.org/clubcentral)) — Plan your year of service projects and see what service goals clubs in your district have set. When you visit them, you can check on their progress. Go to My Rotary and find Rotary Club Central in the Take Action tab under Develop Projects.
- **Rotary Showcase** ([www.rotary.org/showcase](http://www.rotary.org/showcase)) — Promote successful projects on Rotary Showcase and share your service projects within and beyond the Rotary family. You can add your clubs’ service projects and explore the projects Rotarians are undertaking worldwide. Best of all, you can connect directly to Facebook and promote your district’s projects. Go to My Rotary, and find Rotary Showcase in the Take Action tab under Develop Projects.
- **Discussion Groups** — Find or start a discussion group on service projects, youth programs, or other Rotary topics. Go to My Rotary and find Discussion Groups under Exchange Ideas.
WORKING WITH YOUTH

When Rotary clubs and districts work with youth, they make an investment in the future of their communities and of Rotary itself — but this investment succeeds only if the activities are administered responsibly. Our Statement of Conduct for Working With Youth outlines this philosophy:

*Rotary International strives to create and maintain a safe environment for all youth who participate in Rotary activities. To the best of their ability, Rotarians, Rotarians’ spouses and partners, and other volunteers must safeguard the children and young people with whom they come into contact and protect them from physical, sexual, or emotional abuse.*

As district governor, take extra care to create a safe and inclusive environment that engages young people in Rotary. During the presidents-elect training seminar, ensure clubs understand their responsibility to report and follow through on any youth safety concerns.

The Rotary Youth Exchange program requires participating districts to obtain certification, which involves establishing additional policies and procedures for protecting youth. As governor, you ensure that certification requirements are met and maintained before the district plans any student exchanges.

Other club and district programs and activities that involve minors traveling outside their local communities require careful planning and specific communications with parents or guardians.

Additional resources and information for responsibly working with youth can be found in the Rotary Code of Policies section 2.110 and the *Abuse and Harassment Prevention Training Manual and Leaders’ Guide*. See appendix 6 for more information on managing risk for youth programs.

QUESTIONS TO CONSIDER

Consider these questions in preparation for your governors-elect training seminar.

- How will you motivate Rotarians to participate in service projects?
- Which service projects in your district will attract the most publicity and local interest?
- What factors have made projects in your district successful?
- How will you ensure that your district is providing a safe environment for youth who participate in Rotary activities?
Rotary programs and your responsibilities for each are explained below. Resources for each program are also listed and available at rotary.org. Depending on the activities in your district, appoint district committees for the following programs.

**COMMUNITY SERVICE**

Community service includes the projects and activities that clubs undertake to respond to the needs of local communities. Rotary clubs should determine top priorities for service projects by assessing their own communities’ needs and assets, then developing a response that addresses them.

**RESOURCES**

- **Communities in Action/Community Assessment Tools** — Kit contains two publications:
  - **Communities in Action: A Guide to Effective Projects** offers step-by-step instructions for developing, carrying out, and evaluating a service project, including how to conduct a community needs assessment and work with other organizations.
  - **Community Assessment Tools** describes tools for identifying effective service projects.
- **Rotary’s Areas of Focus** — Booklet that introduces Rotary’s six areas of focus, with examples of service projects for each area.
- Rotary Service Update — Bimonthly newsletter that provides information and ideas for Rotarians to use in planning service projects. Subscribe at www.rotary.org/newsletters.

**ROTARY COMMUNITY CORPS**

The Rotary Community Corps program promotes self-reliance among community groups and encourages participants to identify and address community needs. A Rotary Community Corps is a group of adult, non-Rotarian volunteers sponsored by a Rotary club, which provides guidance for community and vocational projects.

**YOUR RESPONSIBILITIES**

- Approve the organization of all Rotary Community Corps.
- Encourage the formation of Rotary Community Corps in underrepresented areas.
- Establish relationships between Rotary Community Corps and their sponsor Rotary clubs.
- Suggest that Rotary clubs appoint a Rotary Community Corps committee.

**RESOURCES**

- **Rotary Community Corps Handbook** — Basic steps for organizing an RCC, including tips for identifying potential leaders, new case studies, and program ideas.
- **Rotary Community Corps Brochure** — An overview of the program, including case studies and instructions for organizing a Rotary Community Corps.
The Rotary Community Corps: Changing Lives, Shaping the Future — Brochure for prospective Rotary Community Corps members. Available to clubs as a recruiting piece to hand out their communities.

YOUTH SERVICE

Youth Service provides an opportunity for Rotarians to empower, guide, and mentor young people and to work alongside them in Rotary’s global network of humanitarian service. Interact, Rotary Youth Leadership Awards (RYLA), and Rotary Youth Exchange help young people develop as leaders to confront challenges in their communities and within our global community. Clubs and districts can design service projects that meet the needs of local young people and address the community’s concerns. Rotaract is an opportunity for university students and young professionals to work as partners in service with Rotary. In many districts, Rotaract is supported by the membership committee rather than a youth service committee.

YOUR RESPONSIBILITIES

- Help coordinate activities for district Interact, Rotaract, RYLA, Youth Exchange, New Generations, alumni, and membership committees.
- Support development of New Generations Service Exchange to provide international humanitarian or vocational service experiences for young adults.
- Promote New Generations Month (September) as an opportunity for Rotarians and New Generations participants to work together as partners in service.
- Support service and professional development connections between program participants and Rotarians to create meaningful interactions that strengthen the family of Rotary.

INTERACT

Interact is Rotary International’s service club for young people ages 12-18. Interact allows participants to carry out fun, meaningful service projects while developing leadership skills and meeting new friends. An Interact club must have a Rotary club sponsor and may be based either in a school or in a community.

YOUR RESPONSIBILITIES

- Approve the organization of all Interact clubs.
- Send your monthly communications to Interact clubs, highlighting opportunities for Interactors to participate in Rotary projects and activities.
- Establish strong relationships between Interact clubs and their sponsor Rotary clubs.
- Work with Interactors to develop a districtwide service project for all Interact clubs.
- Endorse the Statement of Conduct for Working With Youth and ensure that appropriate risk management measures are in place to protect all program participants.
- Promote Rotary Youth Exchange and RYLA among current Interactors, and raise awareness of Rotaract among those who are outgrowing Interact.
- If your district has two or more Interact clubs, encourage them to elect a district Interact representative to work with the district Interact committee.
RESOURCE

- *Interact Handbook* — Complete guide for organizing and administering an effective Interact club, written for both sponsoring Rotary clubs and Interact club leaders.

NEW GENERATIONS SERVICE EXCHANGE

New Generations Service Exchange allows young adults up to age 30 the opportunity to discover their strengths while using their skills to help others. These exchanges may be designed for individuals or groups, may be reciprocal or one-way exchanges, and can last up to six months. Coordinated by district New Generations committee chairs, exchanges are supported by district resources and through connections with community, international, and vocational service chairs and Rotary Foundation subcommittee chairs. All exchanges must have a strong vocational or humanitarian service component.

YOUR RESPONSIBILITIES

- Encourage connections and coordination among district committees to design and plan customized exchanges for young professionals.

RESOURCE

ROTARACT

Rotaract is a Rotary-sponsored service organization for young adults ages 18-30, designed to promote personal development by building leadership and professional skills through service. Rotaract clubs must have a Rotary club sponsor.

YOUR RESPONSIBILITIES

- Approve the organization of all Rotaract clubs. Encourage the formation of both university-based and community-based Rotaract clubs.
- Send your monthly communications to Rotaract clubs, highlighting opportunities for Rotaractors to participate in Rotary projects and activities.
- Establish strong relationships between Rotaract clubs and their sponsor Rotary clubs. Involve Rotaractors in the life of the district. They should meet regularly with sponsor Rotary clubs, attend district events, and work with Rotarians on service projects.
- Increase the capacity of Rotaract clubs to provide service.
- Welcome former Rotaractors to Rotary club activities and events.
- Ensure that the Rotaract leadership training seminar is conducted during the district training assembly, if appropriate.
- If your district has two or more Rotaract clubs, encourage them to elect a district Rotaract representative to co-chair the district Rotaract committee. Appoint both Rotaractors and Rotarians to serve on this committee.
• Pay for the attendance of district Rotaract representatives at district, multidistrict, or international training meetings. Defray all or part of the costs associated with the district Rotaract representative-elect’s attendance at the annual Rotaract Preconvention Meeting.

• Promote the Rotaract Preconvention Meeting and the Rotary International Convention to all Rotaractors.

RESOURCES

• Guide for District Rotaract Representatives — Manual for district Rotaract representatives and others involved with Rotaract at the district level. Provides an overview of responsibilities and suggestions for successful Rotaract clubs.

• Rotaract Handbook — Guide to organizing and developing a Rotaract club and conducting service projects and professional development projects. Also describes district Rotaract structure and multidistrict activities. Contains administrative forms and constitutional documents.

ROTARY YOUTH EXCHANGE

Rotary Youth Exchange gives students ages 15-19 the opportunity to meet people from other countries and experience different cultures. The program offers two types of exchange:

• Long-term exchange — Students ages 15-19 live with more than one host family and attend school in the host country for an academic year.

• Short-term exchange — Students ages 15-19 visit the host country for several days or weeks. This exchange does not include an academic program and often takes place when schools are not in session.

YOUR RESPONSIBILITIES

• Endorse the Statement of Conduct for Working With Youth, and make certain that appropriate risk management measures are in place to protect all program participants.

• Have your district’s Youth Exchange program obtain certification or maintain its certification.

• Make sure the district Youth Exchange program is being conducted within RI guidelines.

• Seek legal advice about liability issues before undertaking Youth Exchange activities.

RESOURCES

• Youth Exchange: A Guide for Host Families — Information on the responsibilities of serving as a host family.

• List of district Youth Exchange chairs and multidistrict officers (available from programs@rotary.org) — Resource for coordinating exchanges with other districts and multidistrict groups.
• **Youth Exchange Handbook** — Comprehensive information for Rotarians organizing a district Youth Exchange program. Includes guidelines for sending and hosting Youth Exchange students.

• Youth Exchange certification materials (available from [programs@rotary.org](mailto:programs@rotary.org)) — Application, support documentation, and youth protection requirements.

**ROTARY YOUTH LEADERSHIP AWARDS (RYLA)**

Rotary Youth Leadership Awards provide young people an opportunity to develop their leadership skills. Young men and women selected by their local Rotary clubs are invited to participate in leadership training meetings organized, funded, and implemented by Rotarians. These events can happen at the club, district, or multidistrict level.

**YOUR RESPONSIBILITIES**

• Endorse the Statement of Conduct for Working With Youth and make certain that appropriate risk management measures are in place to protect all program participants.

• Use RYLA as a tool to develop the leadership skills of Interactors, Rotaractors, and other young people with leadership potential, with a special focus on economically and socially disadvantaged youth.

• Promote Interact and Youth Exchange participation among younger RYLA participants.

• Encourage young professionals who participate in RYLA to start or join a Rotaract club or Rotary club or to participate in New Generations Service Exchange.

• Ask RYLA organizers to exchange ideas with other districts through social media, planning workshops, and visits to other RYLA events.

• Promote leadership of youth by youth by empowering young people, including Rotaractors and past RYLA participants, to design RYLA programming.

**RESOURCE**

• **Rotary Youth Leadership Awards Handbook** — Step-by-step guide to organizing a RYLA event.

**INTERNATIONAL SERVICE**

International Service promotes and fosters international understanding and goodwill through both fellowship and service.

**YOUR RESPONSIBILITIES**

• Support clubs in their efforts to partner with clubs in other countries for fellowship and service.

• Promote World Understanding Month (February).

**RESOURCES**

• Rotary Foundation grants — Available grants will vary depending on the type of project.

• Rotary Service Update — Bimonthly newsletter that provides information and ideas for Rotarians to use in planning service projects. Subscribe at [www.rotary.org/newsletters](http://www.rotary.org/newsletters).
ROTARIAN ACTION GROUPS

Rotarian Action Groups are international associations of Rotarians who provide assistance and support to clubs, districts, and groups of districts in planning and implementing service projects related to a specific topic. Though each action group is administered independently, all operate in accordance with Rotary policies and with the recognition of the RI Board of Directors.

YOUR RESPONSIBILITIES

• Facilitate collaboration between clubs and Rotarian Action Groups on projects and activities.
• Report on Rotarian Action Group activities for the year at the district conference.

RESOURCE

• Rotarian Action Groups Officer Directory — List of Rotarian Action Groups including officers’ contact information.

ROTARY FELLOWSHIPS

Rotary Fellowships unite Rotarians worldwide in friendship and service, the exchange of ideas, and the pursuit of international understanding based on common interests or vocations. Though each fellowship is administered independently, all operate within formal program guidelines and with the recognition of the RI Board of Directors.

YOUR RESPONSIBILITIES

• Report on Rotary Fellowships activities for the year at the district conference.
• Promote Rotary Fellowships Month (June).

RESOURCES

• Rotary Fellowships Handbook — Guidelines and suggestions for starting, operating, and promoting a Rotary Fellowship.
• Rotary Fellowships Officer Directory — List of each Rotary Fellowship, including officers’ contact information.

ROTARY FRIENDSHIP EXCHANGE

Rotary Friendship Exchange gives Rotarians and their families an opportunity to stay in the homes of Rotarians in other countries. These reciprocal visits advance international understanding through personal contact across national boundaries. This program also fosters partnerships between districts that lead to fellowship and service visits.

RESOURCES

• Rotary Friendship Exchange District Chair Directory (available from programs@rotary.org) — Resource for coordinating exchanges with other districts.
• *Rotary Friendship Exchange Handbook* — Guidelines for hosts and guests, information on arranging exchanges, sample itineraries, and more.

• *Rotary Friendship Exchange Matching Board* — Quarterly list of districts seeking partners for an exchange.

### VOCATIONAL SERVICE

Vocational Service encourages Rotarians to model high ethical standards and apply their business knowledge and skills to benefit others.

### YOUR RESPONSIBILITY

• Promote Vocational Service Month (October).

### RESOURCES

• *An Introduction to Vocational Service* — Provides information, resources, and project ideas related to vocational service.

• Vocational Service Update — Quarterly newsletter that provides information and ideas for Rotarians to use in planning vocational service activities. Subscribe at [www.rotary.org/newsletters](http://www.rotary.org/newsletters).
APPENDIX 6

RISK MANAGEMENT FOR YOUTH PROGRAMS

It’s important to be aware of the risks involved in youth activities, such as injury, illness, and abuse, so that participants may make good choices in dealing with these risks. Although awareness alone cannot prevent incidents, it can reduce their number and effects. Your district should consider developing a risk management program for working with youth that includes the following steps:

- Develop and implement a district youth protection policy to prevent and address any potential physical, sexual, or emotional abuse or harassment.
- Establish a code of behavior for adults and youth participants to follow during their involvement in the program. Screen adults before they work with youth.
- Maintain clear policies and procedures for any travel by youth and have systems in place to communicate specific information with parents or guardians.
- Review your district’s policies to ensure that they align with the Rotary guidelines developed by the Board for each youth program.
- Explore the risks and insurance needs involved in sponsoring a youth program or event. Consider these questions:
  - What happens if someone is injured?
  - What happens if a natural disaster occurs?
- Work to minimize potential losses by:
  - Purchasing liability insurance coverage that is adequate for your region
  - Developing an emergency plan and practicing it at least once during the program
  - Teaching participants about safe behavior during the program

While these steps are required for Youth Exchange district certification, they are also recommended for districts that participate in Interact, RYLA, or any other youth activity.

Clubs and districts are urged to contact their insurance brokers or agents to determine whether their insurance policies provide adequate coverage for their youth programs. Insurance becomes a complex issue when multiple districts or clubs sponsor a program, because each organization may have different coverage.

All participants, including youth and organizers, are urged to verify that their health and life insurance will provide adequate coverage while they participate in the program. Many health insurance policies provide only limited coverage outside a certain area, so this precaution is especially important when traveling or living away from home. In these cases, participants must obtain a travel medical and accident insurance policy that provides the following types of coverage:

- Medical expense reimbursement
- Repatriation of remains
- Emergency evacuation
- Accidental death and dismemberment
Consult legal counsel before signing an agreement or contract with any organization, contractor, or service provider. These documents may contain waivers, hold harmless, or indemnification agreements that may attempt to release a party from liability and transfer the risk to the club or district. Be aware that Rotary International is not liable for any illness or injury to persons, including participants and organizers, or for damage to any property.
SESSION 5: SERVICE AND WORKING WITH YOUNG LEADERS – Learning Objectives

1. Understand the needs of youth and young adults who participate in Rotary’s opportunities for young leaders.
2. Encourage clubs and the district to treat Rotaractors as true partners in service and foster relationships between Rotaract and Rotary in every club.
There will be several opportunities for your clubs and district to partner with Interactors, Rotaractors, RYLA participants, Youth Exchange students, and other young leaders when planning and implementing service projects. Think about a recent or upcoming club or district project and discuss the questions below.

DEVELOPING LEADERS

Rotary club and district leaders change annually, and new Rotary leaders are continually needed. While serving as governor-elect and governor, you are responsible for overseeing the training events that develop incoming and future Rotary leaders.

For detailed information on the district trainer’s and the training committee’s responsibilities, refer to *Lead Your District: Training* and online resources at [www.rotary.org/trainers](http://www.rotary.org/trainers). Appendix 7 lists and summarizes Rotary training events.

**RESOURCES**

Find more information in the following resources.

- *Lead Your District: Training*

- Learning Center
DISTRICT TRAINING COMMITTEE

Your district’s training committee, chaired by the district trainer, will assist you with the Rotary training meetings you are responsible for as governor-elect and as governor. Under your supervision, this committee plans and conducts the trainings, including logistics and program content. As the convener, you have final authority over the program, venue, speakers, training leaders, and other meeting elements. For more information on the district training committee, see Lead Your District: Training.

ROTARY TRAINING MEETINGS

Since Rotary clubs and districts change leadership annually, training is critical to maintain continuity and the success of Rotary. Every year, there is a series of consecutive training meetings for district and club leaders. Each meeting has a recommended but flexible time frame and curriculum, allowing for modifications based on the needs of the district and participants.

Rotary International provides many resources to support the training meetings for club and district leaders, including leaders’ guides for every RI Board-recommended meeting (see appendix 7). Rotary leaders’ guides can be found on www.rotary.org/trainers.

Courses for trainers are available in the Learning Center on rotary.org. Encourage your district trainer and committee to take the courses by signing in to My Rotary and going to the Learning Center in the Learning and Reference Section.

During the training meetings you convene, your main responsibilities are to motivate participants to exchange ideas and take action.
TRAINING MEETINGS FOR INCOMING OFFICERS

As governor-elect, you attend GETS and the International Assembly to prepare you for your year as governor. Following these training seminars, you will begin training your district leadership team, club presidents, and other incoming club leaders to prepare them for their specific roles.

CONTINUING EDUCATION MEETINGS

As governor, you convene meetings for Rotarians to further their Rotary education. Holding training meetings during the year keeps members informed on current trends in the organization, develops leadership skills, and provides networking opportunities. For these continuing education meetings, you and your district training committee have discretion on the time frame and other details, such as who convenes and organizes each meeting. The governor and governor-elect should work together to determine what works best for the district. For more information on each of these meetings, see Lead Your District: Training, or the leaders’ guides for each of these events.
CLUB TRAINING

Clubs are encouraged to have a club trainer to
• Provide new members with orientation training.
• Give current members the opportunity to learn more about Rotary.
• Offer all members an opportunity to build leadership skills.
• Identify and address any other club training needs.

For more information about the role of the club trainer, sign in to My Rotary and go to the Learning Center.

QUESTIONS TO CONSIDER

Consider these questions in preparation for your GETS.
• What learning opportunities does your district offer in addition to Rotary-recommended events?
• What makes training seminars successful in your district?
• How will you motivate Rotarians to attend training meetings?
• How will you support the development of future district governors?

DISTRICT CONFERENCE

District conferences are held each year to inspire and motivate Rotarians. Celebrate the achievements of the past Rotary year and build confidence to achieve the goals for the upcoming year. The district conference should be designed to appeal to all Rotarians in the district.

Hold your conference at a time and place agreed upon by you and a majority of club presidents. The event dates and location can be decided as early as your term as governor-nominee, with either the current club presidents or those who will be president during your term. Avoid scheduling your conference during the Rotary institute, Rotary International Convention, and holidays; the dates for these and other RI meetings are available at rotary.org or from your CDS representative. Consider holding your conference with another district. For more information about planning and promoting your district conference, refer to the District Conference Manual.

QUESTIONS TO CONSIDER

Consider these questions in preparation for your governors-elect training seminar.

• What features of your district conference will interest Rotarians and their families?
• How will you ensure that your district conference is widely promoted?
• What will you do to make sure that your district conference is a celebratory event, in addition to training and Rotary business?

As district governor, you will need to communicate with Rotarians, Rotary leaders and staff, community leaders, the media, prospective members, project recipients, and the public. Communicating well and often will foster effective clubs, achieve goals, coordinate club visits, encourage membership growth, and increase Rotary Foundation support. Being aware of different communication styles and working on your own communication skills will enhance your success.

**DISTRICT LEADERSHIP TEAM COMMUNICATION**

Communication is essential to the effectiveness of any team. To support effective clubs, district leaders must work together and communicate often.

Though district leaders can communicate with each other and with clubs in a variety of ways, assistant governors interact with clubs most frequently, so you may prefer to route all information through them. District committees can send information to clubs through the assistant governors assigned to those clubs. The assistant governor can then provide specific club information to the district committees. Another approach is to have district committees to work directly with club committees. Whichever communication plan your district uses, all involved parties should review and support it at the district team training seminar.
DISTRICT WEBSITE

Your district website is not only a helpful tool for Rotarians in your district, but an outward-facing site where the public can learn more about Rotary in your district. To make it more useful, consider having a section only for members. Many district websites include the following features:

- A district events calendar listing upcoming district meetings and club visits
- A message for clubs (which can be your monthly communication)
- Notes on how clubs in your district have been successful attracting new members
- Profiles of club service projects
- Links to club websites
- Updates on district goals
- Contact information for district leaders

Encourage clubs to have their own websites to promote Rotary, advertise club and district events and activities, and share Rotary resources and news via RSS feeds. Clubs should also be encouraged to have an outward-facing website or Facebook page that is directed to the public.

Find everything you need to create club and district communications that reflect Rotary’s new look and feel at www.rotary.org/brandcenter. The site is home to Rotary logos, templates, ads, images, videos, and more. Sign in to My Rotary and start exploring today.

SOCIAL MEDIA

Communicating with Rotarians in your district through social media can facilitate networking and collaboration among Rotarians for individual or club projects and activities. Visit Rotary’s official social networking pages (Facebook, LinkedIn, Flickr, and YouTube) to share Rotary images, videos, and stories with Rotarians and non-Rotarians.

GOVERNOR’S MONTHLY COMMUNICATION

The governor is required to communicate with each club president and secretary in the district at least once a month. This provides club leaders with news and reminders about the district and Rotary International. Your monthly communication can take many forms, including an electronic newsletter, a video message, or a message on your district website. If you choose an online format, consider having an alternative format available for members who do not use the Internet. Whatever form you use, you may also want to make it available to assistant governors, past district governors, and Interact and Rotaract clubs. This communication should

- Inform members about important Rotary updates
- List upcoming district deadlines
- Highlight specific club activities, such as new clubs admitted and names of new Rotarians
• Motivate club leaders to use Rotary Club Central to list their goals and celebrate their accomplishments
• Motivate clubs to pursue club goals, plan for upcoming events and observances, and promote district initiatives
• Recognize the service of committees, Rotarians, and club and district programs
• Recognize the financial contributions of Rotarians and community organizations
• Recommend helpful Rotary resources

Work with an editor to determine the content of your regular communication.

QUESTIONS TO CONSIDER
Consider these questions in preparation for your governors-elect training seminar.

• Which aspects of your district’s current communication policy are working well, and which need to be improved?
• How will you communicate with clubs regularly?
• What kinds of social media does your district use?
• How will you make sure club members’ needs are heard and addressed?
### GETS WORKSHEET

#### NOTES

**SESSION 8: CONNECTING WITH CLUBS – Learning Objectives**

1. Create or refine a communication plan for your district.
2. Communicate with clubs regularly and effectively.
MAXIMIZING YOUR CLUB VISITS

By Rotary tradition, the governor visits all clubs in the district. The visit gives clubs the opportunity to meet the governor in person and gives governors the opportunity to address clubs and see firsthand the great work they are doing in their communities.

CLUB VISITS

During your year as governor, you will visit each club, either individually or in multiclub meetings. The goal of these visits is to motivate and inspire members and offer district-level support for the improvement of their communities.

Here are some tips for giving talks to the clubs in your district:

- Emphasize that district leaders are there to help them.
- Motivate club members to participate in service projects and encourage clubs to let the community know about their projects and activities.
- Encourage them to try new things to rejuvenate their clubs and attract new members. (Refer them to Be a Vibrant Club: Your Club Leadership Plan.)
- Highlight important Rotary issues.
- Recognize outstanding club projects and individual Rotarian contributions.
Be sure to meet with the president and other club leaders, including committee chairs. Attend a club meeting or assembly and take the opportunity to talk to members about club activities, issues, and how the district can support their efforts. This open communication will lead to a productive relationship throughout the year.

LOGISTICS

Work with the assistant governor assigned to the club to determine the best time for your visit. Ask assistant governors to identify clubs that will require an early visit, including those that are new, have low membership, or are not meeting minimum standards (listed on page 1.3). Given their role as club advisers, assistant governors should be able to discuss a club’s strengths, weaknesses, and needs with you, providing insight and potential ways to bring about improvement.

To have the greatest impact on club members, schedule the visit to coincide with a specific occasion, such as a charter night, induction ceremony, new member orientation program, award presentation, special program, Rotary Foundation event, or intercity meeting.

You can group visits to neighboring clubs or according to their meeting schedules, or you can conduct intercity meetings. Your Rotary funding for travel expenses is based on the assumption that you will visit neighboring clubs consecutively.

Once you have determined your visit dates, send club presidents your itinerary so that they can confirm. Send club leaders your final itinerary and post it on the district’s website.

QUESTIONS TO CONSIDER

Consider these questions in preparation for your governors-elect training seminar.

- How will you make sure club members’ concerns are heard and addressed?
- What innovative ideas do you have for your club visits?
- What will you do to prepare for your club visits?
SESSION 9: MAXIMIZING YOUR CLUB VISITS – Learning Objective

1. Develop a plan to maximize your club visits.
Applying a consistent Rotary look and voice in all of our communications is vital to strengthening our image and enhancing our reputation. Visit Rotary’s online brand center, where you can find new resources and templates to help you deliver a clear and compelling story to the public.

PROMOTING ROTARY’S PUBLIC IMAGE

Promoting a positive public image is important because it informs communities around the world that Rotary is a credible organization that meets real needs. In addition, a positive image of Rotary makes members proud and motivates them to be active participants in their clubs and districts.

RAISING AWARENESS OF ROTARY

There are many ways to make the community more aware of Rotary, including:

- Sponsoring special events (for example, marathons, recycling efforts, or fundraisers for a Rotary project or program)
- Creating exhibits and displays that can be featured in museums, historical societies, city halls, or libraries
- Advertising in newspapers, magazines, billboards, buses, airports, or train stations
- Establishing communication with the public relations staff of other organizations that your clubs and district are involved with
- Encouraging Rotarians to wear their Rotary lapel pins and talk about the organization with colleagues, family, and friends
- Having Rotarians post information on a club or district website or social media sites, or refer members of their community to rotary.org
- Ordering promotional materials and publications at shop.rotary.org

DISTRICT PUBLIC RELATIONS COMMITTEE

Your public relations committee exists to raise awareness of Rotary by promoting Rotary in local media and providing public relations advice to clubs. Seek out club members who are media, journalism, public relations, communications, advertising, or marketing professionals, and appoint them to your committee.

Be sure to enter your district appointments on rotary.org so that the committee can receive public relations resources from Rotary International. For more information on this committee, see appendix 4: District Committees.

STRENGTHENING THE ROTARY BRAND

The Rotary brand is strengthened by members living it. The way you talk about Rotary can affect the public’s perception of it. Keep this in mind when visiting clubs and encourage them to live according to the values that Rotary promotes.

For editable templates and logos, go to Rotary’s Brand Center. There you will also find guidelines for writing about Rotary and using the Rotary Marks. Take the course on Strengthening Rotary’s Brand on the Learning Center in the Learning and Reference Section of My Rotary.

QUESTIONS TO CONSIDER

Consider these questions in preparation for your governors-elect training seminar:

- How do you explain what Rotary is?
- What innovative ideas do you have to promote Rotary?
- Who in your community can you partner with to enhance Rotary’s public image?
- What district projects, activities, or special events would interest the public?
APPENDIX 8

ROTARY MESSAGES FOR EXTERNAL AUDIENCES

Use these messages when talking about Rotary to media professionals and in your public relations materials and speeches.

**Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges.**

- Rotary harnesses the strength of 1.2 million professional and community leaders from more than 200 countries to help families in need.
- From local food pantries to clean water and maternal health, Rotary clubs join forces to carry out sustainable projects with real impact at home and abroad.
- Rotary provides a platform for successful men and women of all ethnicities, faiths, and cultures to make the world a better place through volunteer service.

**Rotary's top philanthropic goal is to eradicate polio worldwide.**

- Rotary and its partners are close to eradicating polio, having achieved a 99 percent reduction in cases since 1988. Polio would follow smallpox to become only the second human disease in history to be eradicated.
- Rotary’s chief roles are fundraising, advocacy, and mobilization of volunteers.
- Rotary members have contributed more than $1.2 billion and countless volunteer hours to protect more than 2 billion children in 122 countries from polio.
- Rotary is working to raise an additional $35 million per year through 2018 for polio eradication, to be matched 2 to 1 by the Bill & Melinda Gates Foundation.

**Rotary maximizes its impact through innovative partnerships.**

- Rotary’s goal-oriented, business-model approach emphasizes the need for community involvement, measurable goals, and maximum impact and sustainability.
- Rotary leverages resources through partnerships with other top-tier humanitarian organizations to effectively combat disease and illiteracy, improve maternal and child health, improve access to clean water, and reduce poverty and conflict worldwide.

**Rotary builds peace and international understanding through education and humanitarian service and by connecting young leaders.**

- More than 600 graduates of the Rotary Peace Center master’s degree program are in key decision-making positions in governments, corporations, and organizations around the world.
- Rotary’s humanitarian projects help prevent the underlying causes of conflict, such as poverty, illiteracy, and lack of clean water.
- Rotary Youth Exchange fosters international goodwill by enabling 8,500 high school students to live and study abroad each year in 115 countries.
- Rotary’s two service organizations for young leaders — Interact and Rotaract — promote volunteer service, leadership, and professional development.
SESSION 10: PROMOTING ROTARY’S PUBLIC IMAGE – Learning Objectives

1. Motivate your district and clubs to create public relations plans for traditional and social media.
2. Develop strategies for promoting events at the club and district levels.
3. Understand how the Strengthening Rotary initiative better reflects the values of Rotary.
### GETS WORKSHEET

**PROMOTING ACTIVITIES AND EVENTS CHECKLIST**

What are the key messages for your audience? What do you want them to do?

What is the role of Rotarians in the project?

How can you promote the event to attract prospective members?
Rotary grants enable Rotarians to carry out service that improves health, supports education, and alleviates poverty. Rotary districts coordinate club participation in Foundation grants and programs as well as financial contributions to the Foundation. As governor, you will motivate Rotarians to support their Foundation and understand the possibilities it offers.

You will need a strong team to help you carry out your Foundation-related responsibilities. Your district Rotary Foundation committee has a structure in place to help you achieve your goals. Be sure to appoint qualified and interested Rotarians to fulfill these important roles, and communicate with them regularly to see that responsibilities are met.

DISTRICT ROTARY FOUNDATION COMMITTEE

The district Rotary Foundation committee serves as the liaison between the Foundation and Rotarians in the district. By assisting with your district Rotary Foundation seminar and other tasks, the committee will educate Rotarians about the Foundation and motivate them to participate.

The district Rotary Foundation committee chair must have significant knowledge about the Foundation and experience with its activities. The chair helps coordinate all committee activities and serves as an ex officio member of all subcommittees. The chair and the governor have signatory authority for the District Designated Fund on behalf of the district.

To provide continuity for district Foundation projects, the chair is appointed to a three-year term. If you will be appointing the chair, you will receive a nomination form from The Rotary Foundation and your regional Rotary Foundation coordinator. Work with the next two governors for your district to select a Rotarian all three of you agree on. The current chair can be reappointed for an additional three-year term if all three governors consent. Note that you cannot serve as district Rotary Foundation committee chair while serving as governor.

SUBCOMMITTEES

To reduce the committee’s responsibilities, create subcommittees to complete the various tasks that need to be done. Be sure to include the following four subcommittees:

- Fundraising
- Grants
- PolioPlus
- Stewardship

The chairs of each subcommittee should be members of your district Rotary Foundation committee. Additional subcommittees can be created as needed.

See descriptions of the subcommittee structure in appendix 4: District Committees. Detailed information about this committee can be found in *Lead Your District: Foundation Committee*.

FOUNDATION TRAINING

Information on The Rotary Foundation is included in sessions for the presidents-elect training seminar, district training assembly, district Rotary Foundation seminar, and grant management seminar. Your regional Rotary Foundation coordinator and your district Rotary Foundation committee will help you with these events. For details, see session 6.
GRANT MANAGEMENT SEMINAR

Every year, the district holds a grant management seminar to teach club members how to qualify their clubs to receive grant funds and develop the skills needed to manage and oversee grant funds. In order to be qualified, each club interested in global and packaged grants is required to send at least one representative to the seminar.

The training can be given in conjunction with other district meetings, such as the presidents-elect training seminar, district training assembly, district conference, or district Rotary Foundation seminar, or as a separate meeting. It can also be offered as a series of webinars. Find more information in the *Grant Management Seminar Leaders’ Guide* for trainers and the *Grant Management Manual* for participants.

RAISING FUNDS FOR THE ROTARY FOUNDATION

Raising funds for The Rotary Foundation is important for all Rotarians. Without financial resources, the activities through which Rotarians do good in the world would not be possible. Contributions sent to the Foundation can be directed to the PolioPlus Fund, Annual Fund, or Endowment Fund.

For year-end financial figures and notable achievements, see *Rotary International and The Rotary Foundation Annual Report*. For a pocket-size leaflet with recent Foundation statistics, see *Rotary Foundation Facts*.

CLUB CONTRIBUTION GOALS

The clubs in your district should set their PolioPlus, Annual Fund, and Endowment Fund goals for the coming year during your presidents-elect training seminar. Encourage all presidents-elect to go to Rotary Club Central to set their Foundation giving goals by 1 May. Setting these goals online enables The Rotary Foundation to set the worldwide Annual Fund goal in time to announce it at the Rotary International Convention. During your year as governor, support clubs’ efforts to achieve their fundraising goals.

ANNUAL FUND

The Annual Fund is the primary source of support for Foundation activities. The money is spent every year to carry out Rotarians’ international and local service opportunities. As governor, you are asked to promote contributions to the Foundation through the Every Rotarian, Every Year initiative, which encourages every Rotarian to participate in a Foundation project and donate to the Annual Fund every year. Contributions can be directed to SHARE, the World Fund, or one of the Foundation’s six areas of focus. Note: Contributions directed to areas of focus are not included in the district’s SHARE calculation and do not add to the District Designated Fund.
**ENDOWMENT FUND**

The Endowment Fund secures the future of The Rotary Foundation through endowments. The principal is never touched, and only the earnings provide additional funds. Donations to the Endowment Fund often take the form of outright gifts, such as endowed funds, bequests, or life-income agreements. Contact your regional Rotary Foundation coordinator to support you in pursuing these types of gifts.

**POLIOPLUS FUND**

The PolioPlus Fund supports the immunization activities of Rotary and the other major partners of the Global Polio Eradication Initiative — the World Health Organization, UNICEF, and the U.S. Centers for Disease Control and Prevention — by keeping Rotarians informed of progress, promoting accurate media coverage, volunteering in National Immunization Days, and providing needed resources in polio-endemic or at-risk regions.

Encourage continued support in your district for the fight against polio. Emphasize the importance of continuing to give to the PolioPlus Fund until worldwide polio eradication is certified. Through 2018, the Bill & Melinda Gates Foundation is providing a 2-for-1 match of Rotary dollars contributed toward polio eradication. For example, every $1 million that Rotary commits in direct support of polio immunization (up to $35 million per year) will be matched by an additional $2 million from the Gates Foundation. Remind Rotarians that because of this, their contributions of any amount will be tripled.

PolioPlus Partners is a Rotary Foundation program that provides direct support to Rotary’s national PolioPlus committees to conduct polio eradication activities, such as raising awareness of polio immunizations and disease surveillance. Districts are encouraged to contact the national PolioPlus committee chairs to learn more about polio eradication activities in polio-affected countries.

**ROTARY FOUNDATION GRANTS**

Rotary offers grants that support a wide variety of projects, scholarships, and training that Rotarians are doing around the world.

Rotary provides three types of grants: district grants, global grants, and packaged grants. District grants fund small-scale, short-term activities that address needs in your community and communities abroad. Global grants support large international activities with sustainable, measureable outcomes in Rotary’s areas of focus. Packaged grants are designed by Rotary and our strategic partners.

For more information about these grants, see the [Grant Management Manual](#).
ROTARY PEACE CENTERS

The Rotary Centers for International Studies in peace and conflict resolution provide Rotary Peace Fellowships to individuals pursuing a master's degree or a professional development certificate in international relations, peace, conflict resolution, peace and conflict studies, and related subjects at one of the Rotary Peace Centers. Peace fellowships are separate from district, global, and packaged grants.

Districts can submit fellowship applications to The Rotary Foundation by 1 July for world-competitive selection. For information on selecting qualified applicants, see the Rotary Peace Centers Program Guide for Rotarians. If you plan to submit a scholar’s application, appoint a selection committee to choose the district nominee to the program, and consider appointing a subcommittee to manage the program in the district.

SHARE AND THE DISTRICT DESIGNATED FUND

The SHARE system distributes Foundation funds worldwide as grants and allows Rotary districts to help decide how the money is spent.

At the end of every Rotary year, each district’s contributions to the Annual Fund-SHARE are divided into two funds: 50 percent is credited to the District Designated Fund (DDF); and 45 percent is credited to the World Fund. The remaining 5 percent is used to support administrative costs.

SECURING OUR FOUNDATION’S FUTURE

Our Foundation has been Doing Good in the World for almost a century, due to the generosity and hard work of Rotarians. While contributions have primarily funded programs, strong investment returns over the years have been used to fund operating costs. This strategy of funding operating expenses from investment returns, year after year, was not sustainable throughout the recent financial crisis, mostly because we did not use all the returns from the good years to build up our reserves.

Our Foundation weathered the storm better than many nonprofits, but those tough economic times prompted the Trustees to consider what actions might be needed to ensure another century of strong programs. Recognizing that financial markets will continue to be volatile, the Trustees have developed a strategy to achieve long-term financial sustainability. See the following graphic and the frequently asked questions on My Rotary for details.
The district uses the DDF to support Foundation activities that its clubs choose. The Foundation uses the World Fund portion to match funds for Foundation grants, fund packaged global grants, supplement polio eradication efforts, and more. For certain grants and programs, each dollar from your district’s DDF will be matched with one dollar from the World Fund.

The Rotary Foundation uses a unique funding cycle that gives districts time to plan and select participants and allows the Foundation to use the investment earnings to pay for administration and fund development costs.

The district Rotary Foundation committee, in consultation with the governor, governor-elect, and governor-nominee (if known), decides how the district will use its DDF. The committee is responsible for determining which Rotary Foundation grants are of most interest to Rotarians in the clubs. This may be accomplished by asking your clubs directly or inviting comments through the district website or at a district meeting, for example. After receiving this input, the committee allocates the available funds. You, as governor, and the district Rotary Foundation committee chair have signature authority for the use of DDF on behalf of the district Rotary Foundation committee.
AWARDS

It is important to honor Rotarians who support the mission of The Rotary Foundation. Receiving recognition for individual or club contributions often motivates Rotarians to provide more service to their community and communities in other countries. For more information on awards and your responsibilities for each, see www.rotary.org/awards.

QUESTIONS TO CONSIDER

Consider these questions in preparation for your governors-elect training seminar.

• How will your district structure the district Rotary Foundation committee?
• In what year will you conduct the grant management seminar?
• How will your district focus and increase humanitarian service?
• What are the priorities of clubs in your district when it comes to spending DDF?
• How does your district determine the optimum use of its DDF?
• How will you motivate every Rotarian to give every year?
• How will your district take full advantage of Rotary grants?
• How can your district practice good stewardship for the grants it receives?

SESSION 11B: ROTARY GIVING AND GRANTS – Learning Objectives

1. Determine or refine a policy for DDF allocations.
2. Plan for administering and overseeing district grants.
3. Develop a fundraising plan and ideas for cultivating donors.
**GETS WORKSHEET**

**MANAGING DDF**

Review the following scenario and answer the questions below.

**Scenario:** Your district’s Foundation committee chair has received several requests for district grants. More money has been requested than is available.

1. **When and how are clubs in your district notified that DDF is available and they may submit grant proposals?**

2. **How does your district determine who receives grant funding?**

3. **How will you handle complaints from clubs that are denied DDF or do not receive enough for their projects?**

4. **How did your district ask clubs for information about their interests before making a DDF policy?**

5. **Does your district have an internal deadline by which clubs must apply for district and global grants?**

DEVELOPING A FUNDRAISING PLAN

As governor, one of your responsibilities is to motivate Rotarians and non-Rotarians in your district to give to The Rotary Foundation. Contributions can be directed to the PolioPlus Fund, the Annual Fund, or the Endowment Fund. Select a fund for which you would like to develop a fundraising plan that will help you meet your contribution goals. Discuss the other funds if there is time.

What are your district’s contribution goals for PolioPlus, the Annual Fund, or the Endowment Fund? (Choose one.)

☐ PolioPlus: _________________________
☐ Annual Fund: _________________________
☐ Endowment Fund: _________________________

How do you plan to raise money to meet this goal, through individual donations or events or activities? List events or activities you plan to hold and how much you expect each to earn. Also note how much you think you can gather through donations.

YOUR SUPPORT FROM ROTARY TO RUN YOUR DISTRICT

District governors have a variety of administrative responsibilities, many of them financial in nature. Your Club and District Support representatives are your main resource for questions related to these responsibilities.

NOTE: Your CDS representative will lead a session called “Your Support From Rotary” about RI resources and your administrative responsibilities. Read the information in this session, which covers additional administrative responsibilities, before your GETS and take notes from that session in the worksheet at the end of this session.

RESOURCES

- District governors workgroup (accessed by signing in to My Rotary)
- Your CDS representative
- Lead Your District: Committees

FINANCIAL MANAGEMENT

As district governor, you have fiscal responsibilities, such as managing the district’s finances, monitoring the funds of clubs, practicing good stewardship, and ensuring that the district complies with all applicable local laws, including tax and nonprofit laws. Find more information about district finances in the finance committee section of Lead Your District: Committees. For general information about club and district finances, see the 2013 Manual of Procedure: A Rotary Policy Reference Guide.

Districts may establish a fund for financing district-sponsored projects and the administration and development of Rotary in the district. Such a district fund is established by resolution of the district conference. It is important to ensure that
- Decisions about the fund, including the district levy, are voted on at the district training assembly, presidents-elect training seminar, or district conference
- The fund is not controlled by one person
- An annual statement and report of income and expenditures for the fund is presented to all clubs

The district finance committee reviews the necessary costs of district administration. This committee prepares a budget of district expenditures that should be submitted to clubs at least four weeks before the district training assembly and approved at a meeting of the incoming club presidents at the district training assembly.

Select one member of the district finance committee to act as treasurer and keep proper records of income and expenditures for each of your district’s funds. You and the treasurer will supervise the funds, which should be held in a bank account in the district’s name. For more information on this committee, see appendix 4 in session 2.

Send your annual report of district finances to each club within three months of leaving office. This annual statement and the report of district finances should also be reviewed by a qualified accountant, and presented, discussed, and formally adopted at the next district event. The district finance report should include:
- Sources of the district’s funds (from RI, The Rotary Foundation, district, or clubs)
- Funds received by or on behalf of the district from fundraising activities
- Grants received from The Rotary Foundation or Rotary Foundation funds designated for use by the district
- Financial transactions of district committees
• Financial transactions of the governor on behalf of the district
• Expenditures of district funds
• Funds received by the governor from RI

If your district raises funds for a specific purpose, such as a multidistrict Rotary Youth Exchange, a budget should be prepared and submitted to the governor and the finance committee for approval. This budget should be included in the statement that the finance committee submits to the district training assembly or conference. It is essential to maintain separate bank accounts for specific funds and to designate the chair of the appropriate committee as one of the signatories.

District budgets should include funds to support the governor and governor-elect (in addition to the governor’s allocation) as they prepare for and perform the responsibilities of office. Besides the official Rotary activities within the district, special club or district events may require your participation as governor. In accordance with RI policy, the expenses associated with these additional activities should be covered by the club or district. The district fund should also be used to cover the expenses of any visit to your district by the RI director for your zone or any other RI or Rotary Foundation officer invited to your district.

Use appendix 11: Financial and Risk Management Best Practices Checklist to ensure you’re managing district finances appropriately.

**TAXES**

Check with local and national tax codes to determine which forms the district and its clubs must file, if any. (For example, a district or club that is incorporated may need to file additional tax forms.) Work with the district finance committee and your assistant governors to educate clubs about these requirements. For example, all clubs in the United States are required by law to submit an informational return to the Internal Revenue Service every year.

**FUNDRAISING**

Most Rotary clubs and districts engage in fundraising. Promote these guidelines on your district website:
• Report money earned through fundraising to your local government.
• When promoting fundraising initiatives, be precise about where the funds will go, whether it’s to a local club, the district’s own foundation, The Rotary Foundation, or some other entity.
• If a fundraiser qualifies as a tax-deductible event, issue receipts to donors as needed.
• Submit all contributions to The Rotary Foundation separately from payments to Rotary International.

Rotary Foundation grants are made possible through voluntary contributions from Rotarians and friends of Rotary. Find more information and tips about fundraising in *The Rotary Foundation Reference Guide*.
RISK MANAGEMENT

Risk management is the process of planning, organizing, leading, and controlling activities to minimize the adverse effects of accidental losses on the organization. You are in a position to minimize risk and safeguard Rotarians, program participants, and district assets. Limit liability by answering three basic questions when planning activities and events:

• What can go wrong?
• If something goes wrong, how will I or the district respond?
• How will losses be paid for?

If there’s a significant possibility that something can go wrong, reduce risk by

• Not conducting the activity or event
• Modifying the activity or event to lessen the risk
• Preparing a plan to address any potential problems
• Finding another organization that will agree to participate and share the risk

RI strongly recommends using written contracts. A contract should clearly define the roles and responsibilities of each party and can include provisions that limit risk. Before signing any contract, involve local legal counsel and thoroughly read and understand what you are agreeing to. Retain legal documents for several years in case a claim is made.

Districts and clubs are urged to seek professional legal and insurance advice regarding liability protection. They can protect themselves by incorporating themselves or their activities or by purchasing liability insurance. See the 2013 Manual of Procedure: A Rotary Policy Reference Guide for additional information.

Use appendix 11: Financial and Risk Management Best Practices Checklist to ensure that you’re managing district risk appropriately.

DISTRICT INCORPORATION

Districts may seek the RI Board’s approval to incorporate as long as they have the support of at least two-thirds of their clubs. For more information about incorporation, refer to the 2013 Manual of Procedure: A Rotary Policy Reference Guide.

If you are considering incorporating your district, contact your CDS representative. Find more information about incorporation at rotary.org.

INSURANCE COVERAGE PROVIDED BY ROTARY

During your term as district governor, you will be covered by the RI general liability and directors and officers liability insurance policies, but only while acting within the course and scope of RI.

Because you will not be serving in this role at all times, your district is urged to secure liability insurance. The cost of additional insurance is not reimbursable as
part of your district governor’s allocation from RI. To obtain insurance, contact a local insurance professional.

If you are aware of an insurance claim or an incident that may give rise to a claim, contact your CDS representative immediately.

**Coverage for U.S. Districts**

Districts in the United States and its territories and possessions are automatically covered by general liability and directors and officers/employment practices liability insurance through a program arranged for by RI and paid for by all active U.S. clubs through the July semiannual report dues. For more information, sign in to My Rotary and go to Manage, then District Administration.

**Coverage at the International Assembly**

You and your spouse will be covered by travel insurance during the International Assembly and while traveling to and from it. Your International Assembly registration packet will include more information about the travel insurance coverage provided by RI.

### DISTRICT NOMINATIONS AND ELECTIONS

Unless excused by the RI Board, districts are required to use a nominating committee procedure, ballot-by-mail, or vote at the district conference for all district elections. No member, alternate member, or candidate for membership on a nominating committee is eligible to be nominated for any office being considered by that committee. Each district selects its governor-nominee, its Council on Legislation representative, and a member of the committee that nominates the zone’s RI director. Refer to the RI Bylaws in the 2013 *Manual of Procedure: A Rotary Policy Reference Guide* for details on the selection process for these positions.

**Guidelines for District Elections**

Rotarians and election candidates shall

- Learn and follow the rules for district elections
- Consult with knowledgeable Rotarians if there are any concerns that a current assignment or a new assignment could give the appearance of campaigning
- Not undertake personal initiatives to gain visibility, personal recognition, or favor
- Not respond in kind to another candidate’s improper activities
- Not communicate with or visit clubs involved in the election, except to fulfill necessary functions

**Governor-nominee**

The process for selecting the governor-nominee in your district must be completed between 36 and 24 months before the day this Rotarian will take office as district governor. As governor, you should remind all candidates for governor-nominee that, if selected, they must attend the governors-elect training seminar and the International Assembly; the nomination should not be accepted by anyone who cannot attend these two meetings.
Election timetables recommended by the RI Board for the selection of the governor-nominee are provided in your district governors workgroup.

As governor, you should certify the name of your district’s governor-nominee to RI within 10 days of selection. Do so by submitting the Governor-nominee Form to your CDS representative.

**Member of the Nominating Committee for RI Director**

Every four years, a zone nominates a member of one of its clubs to serve a two-year term on the RI Board of Directors. Any club in the district can nominate one of its own members.

Each zone’s nominating committee consists of a past district governor from each district in the zone. Your district should select a nominating committee member at the district conference, choosing from all the nominations submitted by clubs the Rotary year before the nominating committee meets. In certain circumstances, a ballot-by-mail can be conducted to select this Rotarian. Depending on when your zone nominates a director, your district may not need to choose a nominating committee member during your year as governor.

**Council on Legislation Representative**

Your district should elect a representative and an alternate to the Council on Legislation two years before the Council meets. A district can select its representative through a nominating committee procedure, through an election at the district conference, or through ballot-by-mail. No Rotarian can attend more than three Councils as a voting representative. Contact your CDS representative for approval if you are conducting a ballot-by-mail to choose your Council representative.

**Ballot-by-Mail**

If your district is unable to nominate its governor-nominee through a nominating committee system, your district may choose between voting at the district conference and conducting a ballot-by-mail.

When issuing a ballot-by-mail to nominate a governor, the current governor sends each club one ballot. If your district is authorized to select its Council on Legislation representative or a member of the nominating committee for RI director through a ballot-by-mail process, use this procedure:

- Follow the instructions on the ballot provided by the RI office serving your district.
- Mail one ballot to each club in your district with instructions to return it to you by a specified deadline. Any club with a membership of more than 25 is entitled to one more vote for each additional 25 members or major fraction thereof. For example, clubs with 39 members get 2 votes, as do clubs with 57 members.
- Appoint a three-member balloting committee to validate and count the ballots at an announced time and date.
- Each candidate or a representative of each candidate should be present during the opening and counting of the ballots.
- To ensure that the ballots have been completed properly, the committee should validate the ballots before counting begins.
- The candidate who receives the highest number of votes is nominated, and the candidate who receives the second-highest number of votes is the alternate, except in the case of governor-nominee.
COUNCIL ON LEGISLATION

The Council on Legislation, Rotary’s legislative body, meets every three years and will next meet in 2016. A club or a district conference may propose legislation, but any legislation submitted by a club must be voted on at the district conference or district resolutions meeting and endorsed by the district. If there is not enough time to vote in person on a proposed item of legislation at the district conference, as governor you can obtain the endorsement of the clubs in your district through a ballot-by-mail.

As governor, you are encouraged to appoint a committee of Rotarians with past Council experience, including the district representative, to help your district prepare and understand proposed legislation. In the Rotary year before the Council meets, your district should submit its proposed legislation by 31 December. This legislation should be reviewed and discussed at the district conference.

In the Rotary year in which the Council meets, the district governor is provided with copies of all duly proposed legislation. After the Council, all clubs will receive a Report of Action, which lists all enactments and resolutions adopted by the Council. If you are governor during this year, you and your clubs should review the adopted legislation and implement it starting the following Rotary year. Adopted enactments change the Constitution and Bylaws of Rotary International and the Standard Rotary Club Constitution. These enactments become effective on 1 July following the Council. Find more information about the policies and procedures of the Council at rotary.org.

QUESTIONS TO CONSIDER

Consider these questions in preparation for your governors-elect training seminar.

- What would you like to ask your CDS representative?
- Who will assist you with your administrative responsibilities?
- How can you streamline your administrative responsibilities?
- How will you ensure sound financial management of the district?
APPENDIX 11

FINANCIAL AND RISK MANAGEMENT
BEST PRACTICES CHECKLIST

Review the items on this checklist to safeguard transparent and professional financial practices at the club and district levels. Share all pertinent information about local laws and regulations with clubs in the district. Select and involve qualified professionals to implement financial and risk management best practices appropriately.

FINANCIAL MANAGEMENT

- Register the club or district with the government, if required.
- Submit club or district tax documentation annually, if required by the local or national tax code.
- Set up club or district bank accounts appropriately, and assign two signatories to each account.
- Establish procedures for handling club or district funds.
- Develop a budget and follow it.
- Review the per capita levy to ensure that it meets district needs.
- Make sure that the club or district has a procedure for sending contributions to The Rotary Foundation and that each club has a procedure for sending dues to Rotary International in a timely way. You may be asked by RI staff to help with dues collection in your area to keep clubs in good standing.
- Make sure that the club or district has a procedure for naming future officers and that officers’ contact information (including email addresses) are registered with Rotary.
- Be aware of local laws regarding donated funds and payment of dues, and make sure those laws are being followed.
- Have the yearly financial report reviewed by a qualified accountant who is not involved with the regular management of club or district funds.
- Ensure that the club or district has an effective way to learn about financial best practices and that these practices are passed on to incoming officers every year.

RISK MANAGEMENT

- Limit liability by anticipating what can go wrong, what the response will be, and how losses will be paid for.
- Use written and signed contracts when appropriate, involve local legal counsel when working with written contracts, and retain documentation appropriately.
- Ensure that clubs and the district have liability insurance for their activities and operations that is adequate for the region; contact a local insurance professional for assistance. (Clubs and districts in the United States and its territories and possessions are provided with general liability and directors and officers/employment practices liability insurance through a program arranged by RI and paid for by U.S. Rotarians.)
SESSION 12: YOUR SUPPORT FROM ROTARY TO RUN YOUR DISTRICT – Learning Objectives

1. Identify the resources available through the RI Secretariat.
2. Understand your administrative responsibilities.
INTRODUCING
THE NEW MEMBER SPONSOR RECOGNITION PROGRAM

BE RECOGNIZED FOR STRENGTHENING ROTARY’S MEMBERSHIP

This exciting new initiative acknowledges Rotary members who sponsor new members admitted on or after 1 July 2013. Sponsors are eligible to receive a specially designed membership pin and colored pin backer designating their achievements from Rotary as well as a place in the Membership Recognition Gallery coming soon to Rotary.org.

PREPARING FOR THE INTERNATIONAL ASSEMBLY

The International Assembly is a motivational training meeting where your class will come together to prepare for the coming year. Because every governor-elect will attend, it is an opportunity to exchange ideas and connect with Rotarians from around the world. The connections you make can become partnerships for service projects and cultural exchanges.

RESOURCES

At the International Assembly, you will receive materials for use during the meeting and your year as governor, including:

- Governor-elect's Workbook
- International Assembly Participants book
- International Assembly Speeches (available on rotary.org)

These resources supplement the materials provided in this manual. You will not need to bring your manual with you to the assembly.

GETTING READY FOR THE ASSEMBLY

The International Assembly is a weeklong meeting held annually in San Diego, California, USA (check rotary.org for dates). Plan to wear professional clothing according to your culture’s custom, and formalwear for some evenings. Spouses of governors-elect are invited to attend but are required to participate in the program.
Simultaneous interpretation of plenary sessions is provided in seven languages: English, French, Italian, Japanese, Korean, Portuguese, and Spanish. Spouse small group sessions are conducted in Italian, but governor-elect small group sessions are not. Some materials for governors-elect, however, are offered in Italian.

You will receive a registration email in August or September that will include program highlights, travel information, and logistical details. All travel is arranged through the Rotary International Travel Service (RITS). Please wait to make travel arrangements until you receive your registration packet. Your travel, hotel, and food expenses are paid by Rotary. To report other appropriate expenses as outlined in the registration packet, download the Expense Statement at rotary.org in the district governors workgroup.

In some years, attendees choose to bring a small gift to distribute to their fellow governors-elect; in others, they are encouraged to offer a donation to The Rotary Foundation in lieu of gifts. You will receive more information specific to your class before the assembly.

**THE INTERNATIONAL ASSEMBLY EXPERIENCE**

At the International Assembly, you will attend plenary and small group sessions as well as social events. The plenary sessions will include inspirational speeches by the RI president-elect, The Rotary Foundation trustee chair-elect, and the RI general secretary.

The small group sessions provide an opportunity to go over your plans for the upcoming year and discover new ideas and strategies from other participants. Although the International Assembly program varies from year to year, common topics include strategic planning, The Rotary Foundation, public image, membership, and leadership.

You will also meet with your Club and District Support representative, who will be your primary contact during your years as governor-elect and governor. This meeting will include an overview of your Rotary funding and information on Rotary resources.

Besides attending training sessions, you and your spouse will be able to meet with other participants at social events, such as the president-elect’s meals, festival night, optional host hospitality events, and banquets. You are also encouraged to visit booths during your free time, where you can talk with Rotary International staff, learn about the upcoming Rotary International Convention, or buy theme materials and other Rotary items.

View a video about what to expect at the International Assembly.
SPUSES PROGRAM

If you have a spouse, he or she is encouraged to attend the International Assembly to prepare for the upcoming year. Spouses attend plenary and combined small group sessions with the governors-elect. They also have their own program, which may include panel presentations, networking activities, or roundtable discussions. Registration information for your spouse will be included in your registration materials. As long as your spouse is a registered participant, Rotary will cover the cost of his or her travel, hotel, and food. Spouse attendance at the assembly is not mandatory; however, if your spouse chooses to attend, full participation in the spouse program is required.

QUESTIONS TO CONSIDER

Consider these questions in preparation for your governors-elect training seminar.

• What are your expectations for the International Assembly?
• What is the most important goal you would like to achieve at the International Assembly?
SESSION 13: PREPARING FOR THE INTERNATIONAL ASSEMBLY – Learning Objectives

1. Understand the program of the International Assembly.
2. Prepare for the International Assembly.
YOUR REGIONAL SUPPORT TEAM

Your region has a team of experts to support you during your term as governor. These leaders and their assistants can provide advice and assistance to you when you need them.

- 2014-15 Regional Coordinator and Adviser Directory

ROTARY COORDINATOR

Your Rotary coordinator offers support and expertise to build strong, dynamic, and effective clubs and districts. RCs can help you:

- Identify regional challenges to developing strong and dynamic districts and clubs
- Develop and implement a strategic plan to address your regional challenges
- Emphasize member engagement by encouraging Rotarians to participate in Rotary International programs and service activities
ROTARY PUBLIC IMAGE COORDINATOR

Your Rotary public image coordinator has expertise in the fields of public relations and/or media outreach. By combining their business backgrounds with their Rotary experience, they help you:

- Share Rotary’s successes with the community and media, local civic and government leaders, nongovernmental organizations, and similar entities
- Encourage stronger club-level public relations efforts
- Promote Rotary’s visual identity resources

REGIONAL ROTARY FOUNDATION COORDINATOR

Your regional Rotary Foundation coordinator is a key resource on all Foundation-related topics. He or she can provide guidance and expertise on grants, grants management, and fundraising and help you:

- Encourage Rotarians in your region to continue supporting PolioPlus
- Establish Rotary Foundation goals

ENDOWMENT/MAJOR GIFTS ADVISER

Your Endowment/Major Gifts adviser can help you and other district leaders educate Rotarians, alumni, and friends of Rotary on opportunities to give major gifts to The Rotary Foundation. This adviser will work with your RRFC to:

- Identify, cultivate, and solicit major gifts
- Ensure that donors who make major gifts are appropriately thanked and appreciated
- Train district leaders in major giving and suggest ways districts can establish structures to cultivate local major givers
- Suggest ways to develop cultivation events for existing and prospective Foundation supporters

QUESTIONS TO CONSIDER

Consider these questions in preparation for your governors-elect training seminar:

- Do you know your regional support team members? How can you get to know them?
- How can you work with your regional support team during your year as governor?
SESSION 14: YOUR REGIONAL SUPPORT TEAM – Learning Objectives

1. Understand how your regional support team can assist your district.
2. Promote the benefits of working with the coordinators to your district team and encourage collaboration on goals and projects.
