

WELCOME TO ROTARY

We are neighbors, community leaders, and global citizens uniting for the common good. With you, we can accomplish even more.

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Rotary's Four-Way Test

Of The Things We Think, Say Or Do;

First – Is it the TRUTH?

Second – Is it FAIR to all concerned?

Third – Will it build GOODWILL and BETTER FRIENDSHIPS?

Fourth – Will it be BENEFICIAL to all concerned?

What does Rotary mean to its members?

Tom Y. says: “Rotary means a lot to me. It means friendship, community service, and the sharing of my time and talents with people who feel the same way that I do. These are the people I want to socialize with. The people I want to play golf with. The people that I want to spend most of my time with.”

According to Tom A., who has been a Rotary Club member for more than seven years, “I *joined* Maple Grove Rotary because I wanted to give back to the community and get involved, I have *remained* a member because the projects our club is involved with have a positive impact on people’s lives...plus I really enjoy the group of energetic professionals who make up our club.”

Brenda N. says: “Besides looking forward to seeing friends once a week or more, being able to be part of something bigger than me feels really wonderful. Mike and I both have enjoyed giving back and helping when and where we can and look forward to the years ahead.”

Judy J., a very active member, reflects, “I joined Rotary because I wanted to expand my efforts in making the world a better place for all. The synergy and cooperation of Rotary can exponentially impact the world more than any one person can. I love being involved with this group of kind souls.”
