June 6, 2011

Rotary Club of Elgin
P.O. Box 604
Elgin, IL 60121-0604

Dear Rotary Club of Elgin:

The clients, board and staff of the Ecker Center are grateful for your generous donation of \$400.00. Your gift will buy a special lock for our psychiatry and nursing waiting room door, that will allow our receptionists to open the door remotely and save precious time for them and our doctors. Your gift will enhance our ability to provide an array of programs that include therapy, psychiatry, nursing, case management, rehabilitation, crisis and residential services to local individuals with severe and chronic mental illnesses.

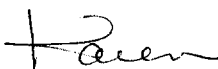

Our services are provided at fees that are determined by our client's ability to pay or through their insurance, such as Medicare or Medicaid. Your gift is especially important to those we serve in these difficult economic times because funding for human services such as ours has diminished.

As requested, the Rotary Club of Elgin's logo and web information will be displayed on the Ecker Center's new website, once it is completed.

Because no goods or services were received in return for this gift, it is tax deductible to the extent the law allows.

Thank you once again for your generosity and community mindedness.

Sincerely,

Karen Beyer
Executive Director
