**RE: 2011 Winter Harvest Donation/Vote(s)**

Dear Friends:

Thank you so much for your support of the "Winter Harvest for the Homeless Dinner, Dance and Auction". You have provided us the hope to fulfill our mission of offering shelter and comprehensive services to our more than 410 yearly guests.

During the previous shelter season PADS provided 14,553 safe nights of shelter and over 25,118 meals, in addition to full case management, referral services, and advocacy to our guests. Thanks to your generosity we will continue to work to serve our community's neediest members.

On behalf of the PADS of Elgin staff, board of directors, and guests, thank you so much for continuing to support this mission.

Sincerely,

Dennis Hewitt  
Executive Director
