### To the Candidate:

Why do you want to join the LF-LB Rotary Club?

---

---

Current or previous volunteer or community activities:

---

---

What special skills do you have that you would want the club to know about?

---

---

**To the Candidate:**

Please attach a brief statement about yourself so the club can get to know you better.

**To the Sponsoring Rotarian:**

Please submit this proposal form to the Club Secretary or Membership Chair for consideration by the Board of Directors prior to committing to sponsorship and the guesting process.

Once a candidate is approved for sponsorship by the Board, the candidate should be invited to be a guest of his/her sponsor at three Rotary meetings within six months, i.e. the guesting process.

At this time, if the candidate is interested in becoming a member, the individual is formally proposed for membership. The Board reviews the proposal and submits a request to the membership for commentary. Candidates do not attend additional meetings until their membership has been voted upon by the Board.

After a 10-day review period, if no objections are raised, the candidate is formally accepted for membership. Protocol for membership and any questions the candidate might have shall be discussed with the candidate at an introductory session.

Following agreement to club requirements, the candidate shall be inducted into the Lake Forest-Lake Bluff Rotary Club as scheduled by the President of the Club.
