Today we celebrate the upcoming holiday season with presentations about a number of holiday (and into the new year) happenings being produced or otherwise coordinated by members of our Club. You'll learn more about:

THE JUNEAU STRING ENSEMBLE, which, while not performing this holiday season, is in the throes of raising funds for their upcoming trip to China. Pam Halloran will provide more information.

Sandy Fortier is representing **THE JUNEAU REINDEER BAND**, one of the groups affiliated with the Juneau Community Bands. Each holiday season, wind instrument players and percussionists of all ages and abilities are invited to play Christmas carols with the Reindeer Band, presenting free concerts for the community at places like the Nugget Mall, Wildflower Court, and the S.O.B. The Reindeer Band also plays at one of the Salvation Army worship services.

More than 60 singers and musicians will present the 5th annual **HOLIDAY POPS CONCERT**, a traditional family program of secular and sacred musical favorites, which this year will include the premier of a new setting for "Joy to the World" written by Klaus Smedegaard Bjerre who lives in Denmark. Sally Smith presents.

Presentations about Juneau Dance Unlimited's holiday treasure, **THE NUTCRACKER**, and **KING ISLAND CHRISTMAS**, which will also be performed at the Edinburgh Fringe Festival this summer, round out today's program. This year's NUTCRACKER will include new choreography (including over ten minutes of additional music to feature the pas de deux in the snow scene) a larger cast, and new costumes. Bridget Lujan and Sharon Gaipman present.

Holiday Update

December 2nd is our next Glory Hole

Brunch, so be sure to see Barbara Propes for a slot or more information. On December 18, Rotarians and family members will celebrate at this year's annual Christmas Party. Music and merriment will be the day's

main offerings — with J. Allan, a carol sing-along, a photographer for family portraits and, of course, Santa and his elf. Remember, all elf-votes (a buck a vote) are funds for our Salvation Army adopted family.

THE CHRISTMAS DINNER PROJECT

From Alicia & Angela, co-presidents of the Capital City Rotaract, Rotaract is, once again, coordinating the

Christmas Dinner Project --

for the fifth consecutive year. "... Last year Rotaract put together 200 boxes of all of our favorite holiday foods for our friends and neighbors in need. We are working with Super Bear and Northland Services to gather supplies, pack and also deliver the boxes – but the process starts with donations from community members."

After Rotaractors assemble the boxes, Northland Services will deliver them to the Salvation Army, St. Vincent de Paul's, The Glory Hole, and Catholic Community Ser-

vices. Those agencies will then distribute the boxes to bring holiday cheer to several Juneau families.

Donations of cash and Super Bear Price Smashers are the two ways we can help. One food box with approximately \$50 worth of food, will provide a Juneau family with a complete holiday meal! Price Smashers can be mailed to The Christmas Dinner Project, P.O. Box 20347 Juneau, AK 99802-0347, dropped off at the Jordan Creek Center (drop box near Copy Works), the JACC, Mendenhall Auto, GCI (both locations) or handed to any Rotary or Rotaract Club member. (Checks should be written out to "Capital City Rotaract".)

VOCATIONAL SERVICE AWARD

Carin Smolin, JSD's Career and Technical Education Coordinator, and members of the Home Build Project, were honored with the 2012 Public Sector Vocational Service Award at last week's meeting. The "House Build" Program is a partnership between the District, the CBJ and a variety of community partners. The goal of the program, which takes place annually, is to engage students in an authentic, community-based project and provide students with hands-on workplace skills that prepare them for jobs in the construction industry.
