This Week's Program: Lieutenant Governor Byron Mallott

Byron Mallott's history of public service began in his ancestral home of Yakutat, Alaska, when he was elected mayor at the age of 22. He later went on to serve as mayor of Juneau. Byron's early start in public leadership has grown into a deep unique knowledge of all aspects of Alaskan life, including commercial fishing, aviation, timber, communications, banking, Alaska Native Corporations and investments. He has served as the president of the Alaska Federation of Natives, executive director of the Alaska Permanent Fund Corporation, co-chair of the Commission on Rural Governance and Empowerment, chair of the Nature Conservancy of Alaska and president and CEO of First Alaskans Institute and Sealaska Corporation.

Byron and Toni have five children, nine grandchildren, and one great grandchild.

PHOTO FROM LAST WEEK'S MEETING

Fabie Ferraz, Inbound Exchange Student from Brazil on March 24, 2015 at Juneau Rotary. Fabie shared a presentation with the club with details on her home country of Brazil, the sights and sounds of it's vibrant culture, and photos of her experiences here in Juneau. Also in attendance were a large number of inbound and outbound exchange students.

ROSE SALE REMINDER

Remember to wear your pins, put up your posters and ASK-ASK-ASK your friends and neighbors if they would love a dozen roses while supporting a great charity this spring. Use the order forms in your packet or tell folks to go online to order roses - top link on the [www. JuneauRotary.org](http://www.JuneauRotary.org) website.

FRANKLIN AND FRONT STREET COMMUNITY MEETING

CBJ is conducting a Conceptual Design Project for Franklin and Front Streets in downtown Juneau. The first community meeting will be held on **Thursday, April 2 at 6:30pm at the Front St. Heritage Cafe.** The purpose of the first community meeting is to listen to and solicit ideas from the community that will guide the design work. The meeting will be held as a World Cafe inquiry process in which we will together engage with the question "How do you Envision Franklin and Front Streets in 2020?" The process includes progressive rounds of conversation in small groups to help discover new ideas and link common questions and themes. Please join us!

ROTARY INTERNATIONAL NEWS: EVERY DAY IS WORLD WATER DAY WITH ROTARY

At least 3,000 children die each day from diarrheal diseases caused by unsafe water, a grim reminder for Rotary members who make providing clean water and sanitation an organizational priority. While very few people die of thirst, millions die from preventable waterborne diseases, providing the impetus for our members to provide toilets and latrines and other clean water initiatives in underdeveloped countries. Members also teach these communities to maintain new infrastructure, and organize educational projects to promote hand-washing and other good hygiene habits.

Though 22 March is recognized as World Water Day, our commitment to these causes is ongoing. In Ghana, Rotary member Samuel Obour spearheads projects to install latrines, washing stations, and toilets across

Ghana. In Latin America, youth from Connecticut, USA, lay water pipelines for communities for high altitude villages. Dozens of other water projects await financial support, from water harvesting in Mexico to a well for clean potable water in Egypt. [Join us and get involved.](#)

Or meet us in São Paulo on 4 June for our World Water Summit, the seventh time Rotary members have hosted NGOs, nonprofits, businesses, and concerned citizens of the world for learning, networking, and discussion around clean water. In addition to our summit, members regularly host water experts for roundtable discussions at their clubs. [Find a club near you.](#)
