Sailing the 7 'C's of the Rotary world

President Brenda discusses how Juneau will 'Engage Rotary, Change Lives' in 2013-14

Ahoy maties! This year we will be sailing the seven Cs as we "Engage Rotary and Change Lives."

Let's talk about those seven C's of the Juneau Rotary world:

Community — Our local projects will be lead ably this year by community service chair Barbara Propes and our international chair Warren Russell.

Club — Club service involves a huge team including our President Elect Karen Morgan, Vice President John Blasco, Secretary Ruth Kostik, Assistant Secretary Bridget Lujan, Treasurer Armando DeGuzman, Program Chairman and Historian Bob Rehfeld, Sergeant at Arms Luke Fanning and Administrative Chairwoman Sally Saddler.

Our club goals are to grow our membership back up to 80 members and retain 90 percent of the ones we have by increasing opportunities for engagement.

Camaraderie — The friendships built are often listed as

President Brenda Hewitt pals around with 'Vasco da Gama' while touring Lisbon, Portugal. Lisbon served as host for the 2013-14 Rotary International Convention.

one of the favorite aspects of Rotary. When we connect and work together on projects we build friendships.

Brewfest is back, bigger and better than before

Tickets are now on sale for the Second Annual Capital City Brewfest, the beer tasting event that captivated Juneau in 2012.

This event sold out last year, so don't wait to get your spot. Tickets are \$30 and can be bought online at

Please see Beer, Page 2

New RI head lays out future vision

President Ron Burton told attendees at the recently concluded 2013 Rotary International Convention it is an exciting time to be a Rotarian, and he believes the coming year will be one of the greatest Rotary years ever experienced as Rotary nears the end of its campaign to eradicate polio.

“I think anyone who’s ever run a marathon would tell you that the longer and harder the race, the

greater the pride when the finish line comes into sight — and the greater the determination, to cross it,” Burton said. “And that’s why we’re ready to start aiming higher in everything we do ... with the new Foundation grant structure we’ve been calling Future Vision.”

Burton said Future Vision is a new way of thinking about Rotary service, which includes learning to think bigger and plan for the long term.

Sailing

Continued from Page 1

You'll see lots of quad-club activities this year. Bruce Weyhrauch will head membership. Aaron Morrison has volunteered to help with organizing the Glory Hole this year and we hope to have a regatta at the end of the year so Luke Fanning will be looking for Rotarians with boats.

Caring — The heart of Rotary says “we care.” We care about our families, our community, and our club. This is the goal of “Service above Self.” World Peace is being built by caring, hosting exchange students and supporting youth through RYLA, Interact, Rotaract, and executing our projects.

Connecting — Today each Rotarian will be asked to sign up for at least one activity. I heard connecting and collaborating a lot at the Rotary International Convention and it is how people witness Rotary in action. Rotary International's new grant program will allow us to

connect and collaborate with other clubs to accomplish greater goals.

Charity — We give back to the world through charity. Polio Plus, the Foundation, Big Brothers Big Sisters, the Dolly Parton Imagination Library, funds for youth exchange, or wheelchairs to Mexico — those programs are funded by you. Your International Committee Chairman is Warren Russell, Youth Service Chairwoman is Caitlyn McLaughlin and Karen West will head our Foundation efforts.

Communication — Last but not certainly least is communication. With Sharon Gaipman, as chairwoman and her support team of Charles Ward, Ann Metcalfe, Holly Cox, Bridget Lujan and our Facebook team, we will communicate our good works both within the club and out to the community.
