

# Joining the Rotary Club of Andover

ROTARY CLUB OF ANDOVER  
*where doing good is serious fun*

Joining the Rotary Club of Andover is easy. Here are the steps:

## 1. Make the commitment to serve

Rotary is one of the most prestigious service organizations in the world. Rotary International consists of 1.2 million members in 34,000 clubs worldwide. Members are leaders in business, the professions and the community. Rotary's motto of "service above self" is channeled through the five avenues of service: club service, vocational service, community service, international service and new generation service.

## 2. Choose your membership level

Rotary membership has numerous privileges. Regardless of your membership level, you're a "full" Rotarian, with all rights and benefits. You can attend make-up meetings at any of the Rotary clubs around the world, and attend Rotary and Rotary Leadership Institute programs too.

**TRADITIONAL MEMBERSHIP:** The traditional membership includes all meals at weekly meetings, full dues paid to our District 7930 (and Rotary International), \$100/year contribution to the Rotary Foundation. Invoices for full membership dues are sent quarterly by our club treasurer, and are approximately \$270 per quarter.

**SERVICE MEMBERSHIP:** The service membership option was introduced to the Rotary Club of Andover in 2015. It's designed for people interested to help with our service projects, but unable to attend weekly meetings. Service members have all rights and privileges of full membership, but typically attend one meeting/month (usually an evening club meeting, typically held once per month). Service members may attend additional meetings, paying for the meals at each of those additional meetings. Invoices for full membership dues are sent quarterly by our club treasurer, and are approximately \$100 per quarter.

## 3. Complete an application

Our board and club members will review your membership as quickly as possible. In the interim, we welcome prospective members to attend club meetings, meet members, and volunteer on our numerous service projects.

## 4. Once accepted, jump in right away

Attend as many meetings as possible, meet new people, and get engaged! There are numerous committees where you can help, along with opportunities to help our service projects and initiatives in the community.

## 5. Serve

Attending meetings is a great way to share fellowship and fun with the members of the Rotary Club of Andover. We meet most weeks on Fridays at 7:30 am at the LANAM club in Andover, and also hold one evening meeting per month. As a service club it's most important to serve. All members are expected to help with service projects. This can include planning the projects, helping with fundraising, and supporting the many projects and events (including Citizens who Care, the Andover Cares Festival, Feaster Five, literacy reading program, Ironstone Farms, Lazarus House, Habitat for Humanity, Interact, food drives, Rotoplast, Polio eradication, water project, Polar Plunge, and more!)

**For more information, or to request an application, please contact our membership chairperson, Al Ruthazer: Phone: 978-886-7713 e-mail: [alruthazer@gmail.com](mailto:alruthazer@gmail.com)**
