Monday-5:30 PM
Maldaner's Upstairs
222 South 6th Street

New Member-Mentor Year One Program

New members are asked to complete the following activities during the first year of club membership.

Mentors can help new members accomplish these goals by participating in as many of these events as possible. Mentors should also introduce new members to others in the club, dine with them at the meetings while sitting at different tables periodically to broaden the new members' knowledge of the club and other members.

1. Attend new member orientation.
2. Read "The ABCs of Rotary" and review Rotary's first 100 years at <http://www.rotaryfirst100.org/history/history/>
3. Display the Object of Rotary and The 4-Way Test at your place of employment (both available on Google Images or at www.ri.org).
4. Meet with your mentor at least twice in the first six months from weekly meetings.
5. Become familiar with Rotary ClubRunner (www.springfieldilrotary.org)
6. Contact the chair of your committee assignment to identify how you can help. Participate in the committee's activities.
7. Complete the following tasks:
 - Give your classification talk
 - Participate in a club service project
 - Participate in one of our fundraising events
 - Attend a meeting at another Rotary club or a district conference
 - Invite a guest to attend a meeting
 - Propose a new member
8. As you complete each of these steps, notify Membership Chair Robb Miller or Co-Chair Steve Schuckmann of your progress. Robb's email is papa51@comcast.net or you can call him on his cell at 312-919-7781. Steve's email is steven.schuckmann@gmail.com or you can call him on his cell at 314-471-4388.
