The main objective of Rotary is service—in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address many of today's most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy, and violence. They also support programs for youth, educational opportunities and international exchanges for students, teachers, and other professionals, and vocational and career development.

Meetings last about an hour and usually feature a speaker on topics of local, national, or international interest; self improvement; opportunities for charity and service; and plain fun. The Club also sponsors a number of events throughout the year for members and their spouses to socialize and affirm the values of Rotary.

Chartered in 1959, the Wyckoff-Midland Park Club has been a force for service to our communities for over 50 years. The Club meets every Thursday morning at 7:30am for breakfast and fellowship at The Brick House Restaurant on Godwin Avenue in Wyckoff.

The Rotary motto is:
Service Above Self.
