**From The Secretary's Corner – Did You Know?**

That on September 21 we will be meeting at Sally & Tony Wagner's house as the Purpoodock Club is booked with a different venue. This is a spouses night. Tony and Sally will provide the pizza and members are asked to bring either a beverage, salad or dessert. We will be collecting money for the dinner to supplement Paul's internal budget. Prices are to be determined.

**Raffle** – Tonight's raffle prize, a gift certificate donated by Meghan O'Brien, was won by Mike McGovern.

**Rotary 4 Way Test** – Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

**Bug Light Wrap Up** – Jack informed the club that the painting project at Bug Light has been completed. For the cost of approximately \$700 in materials, we were able to completed spruce up the lighthouse which is timely since an open house is scheduled for September 17. Thank you to Jack for all his hard work involved with this project.

**Polio Cans** – Please remember that the polio cans are out at every meeting, which is a great way to give your loose change in support of polio eradication. Also, a reminder that our Foundation goal this year is \$11,000, so we need to get the support of every member, if possible.

**Partners For World Health Work Day** – David Lourie announced that September 24 has been scheduled as a work day to help the folks at Partners For World Health. What we will be doing is sorting some of the truckloads of medical supplies they have collected to help them get ready to ship overseas. David will be sending a sign up sheet around in a couple of weeks to gauge the interest of the club. If there is enough interest, we will be having two shifts – morning and afternoon.

**Help Wanted** – District 7780 is looking for a GSE Team Leader for May, 2012 to lead a group to northern Germany. Age is not a requirement, but enthusiasm and the ability to take 4-5 weeks off of work are. If you are interested, please contact Marge.

**Program** – Tonight's speaker was our own Sybil Riemensnider speaking about the SP Food Cupboard. The food cupboard provide food for 60-80 families a week and does this without any paid staff members, but with about 55 volunteers. Sybil said they operate under the principal of treating people with compassion, not being judgmental, and she thanked many people, including Penny Jordan who provides fresh produce and Hannaford Bros who consistently gives large amounts of donations throughout the year. Thank you, Sybil, for filling in and giving a very informative talk.
