We have so many reasons to be thankful for a fun evening at our Homecoming Dance! The Rotary Interact Club at Chaparral High School did all the decorations, set up, clean up and had so much enthusiasm that it was contagious! They made the flowers, took pictures that they had developed to give to attendees and selected winners in 20 different categories and were the MC for the evening. Wow!!! Please come back next year!!!! And in January too!

What an AWESOME Group & thanks Mrs. Ford!

Lynn Given the owner of Maid Pro in Parker donated 20 gift cards to be used as prizes! We can’t thank you enough. The MC for the evening (Tom) said it gave him such a great feeling to be able to award these prizes and see so many excited people!

Thank you to the Parker Task Force, the Parker Chamber of Commerce, the Rotary Club of Parker and Chaparral High School for supporting our Homecoming Dance. This was an awesome Community Event! There were 128 attendees at the dance and we couldn’t have done this without the help from our community. We are grateful to everyone who helped!
The Rotary Community Corps of Parker is for Teens and Adults 16 years and older. An application form must be completed and turned in to join. There is no application fee. A background check may be done on any applicant.
Bullying – I believe that I was bullied last week and it was very hurtful. Tonight I remembered a time this summer when I was talking with a small group from RCC and they were sharing times when they had been bullied. There were tears and hugs and so many emotions. I believe that after I felt bullied, that God had a purpose for me to be able to better understand what you are feeling when I hear you’ve been bullied. Let’s all try to be kind to one another and understand that there is no excuse for being a bully.
