"Be a Gift to the World"

Welcome to the Rotary Club of Scottsdale

December 7, 2015

Speaker: Russell Ford – CEO of StandardAero

Introduction of Guests: Bill Bader

Sergeant-at-Arms: Todd Brown

Invocation & Pledge: Cary Silverstein

Today

Our speaker today is Russell Ford. He was appointed Chief Executive Officer of StandardAero in October, 2013. StandardAero is a global enterprise of more than 3,500 employees worldwide and more than \$1.7 billion in annual revenue.

Ford joined StandardAero from Precision Castparts Corporation, where he served as President of Carlton Forge Works and Dickson Test Group of the Forged Products Division. Prior to his role with Precision Castparts, Ford served as President & CEO for private equity companies including ClearEdge Power Inc., Prestolite Electric Inc. and as COO for Holley Performance Products Inc.

Ford holds an M.B.A. from Duke University’s Fuqua School of Business as well as a Bachelor’s degree in Mechanical Engineering from The Georgia Institute of Technology. He is also a certified Six Sigma Blackbelt and Shingijutzu Lean Expert.

Max's Message

Rotary has been doing good in the world for decades. But how it does it has changed. The focus is now on SUSTAINABILITY. It is sort of like the old adage: Give a person a fish and they will eat for a day; give a person a fishing pole, teach them to use it and they will eat for a lifetime.

The focus is still to help people. For example, no longer will Rotary provide a local safe water system and feel the project is done. Now Rotary grants must be sustainable. The local community where the good is being done must be involved. The Rotary grant must provide training for the local citizens to maintain and operate the project into the future. And the material used in the project must be available locally.

For Rotary, sustainability means providing long-term solutions to community problems the community members themselves can support after the grant funding ends. These guidelines are being followed in the development of our Club’s family water filter project.

President Max

End of Year - Tax Credits & Tax Deduction Options

2015 is racing to the finish line and with that are deadlines for directing your tax money as you see appropriate. Here are some Rotary options to consider:

- **The Rotary Vocational Fund of AZ (TRVFA)** - Working Poor Tax Credit - Funds assist qualified applicants to obtain financial assistance to further their vocational studies to enter, re-enter, or advance in the workforce. www.trvfa.org
- **Rotary International Foundation** - Funds may be directed to specific programs such as supporting education and providing clean water or to the PolioPlus fund or to the General Fund, to name a few. <https://www.rotary.org/en/give>
- **Scottsdale Rotary Foundation** - Funds assist our many youth programs such as Scholarships, Youth Salute, Rotary Youth Leadership Academy (RYLA), & Rotary Youth Exchange (RYE).

The four (4) Interact Clubs our Club mentors:

1. **Barker Interact Keystone Club** - www.bgcs.org/taxcredit - Specify the Barker Branch.
2. **Chaparral Interact Club** - <https://touchbase.susd.org/taxcredits/>
3. **Coronado Interact Club** - <https://touchbase.susd.org/taxcredits/>
4. **Scottsdale Prep Interact Club** - https://www.greatheartsonline.com/trans/scottsdaleprep_tc.html

Past Pres Sez – Scholarship Funds Challenge

One of my clients, Peter G. Fish, has made a very generous gift of \$25,000 to our Foundation specifically for our scholarship program. It is somewhat of a matching gift in that we receive the entire \$25,000 if we raise another \$12,500. In other words for every dollar we raise he will match two, up to a maximum of \$25,000. More than likely, he will be making this gift on a recurring, annual basis so we will be able to fund more scholarships through our foundation than in years past. To date, I know of pledges totaling \$4,500 towards this effort. Please consider making a significant contribution before year end so that we will receive the entire \$25,000.

Past President Tim
