## Today

Our speaker today is our very own Rotary Club of Scottsdale member, Gary Dorris. He grew up in the small coal mining town of Zeigler in Southern Illinois - *Land of Lincoln*. He graduated from Southern Illinois University in 1964 and was commissioned as an Air Force Officer. He left active duty in 1970 as a Captain and moved to Spokane, WA where he began a long career in banking and finance. Gary has developed a life-long admiration of Lincoln and has studied volumes of both favorable and critical perspectives of Lincoln's actions during the Civil War. Gary and his wife Kay, his high school sweetheart, are super people. Grab a seat next to Gary at our next meeting and learn more about him.

## Max's Message

Our Club has a strong member committee structure. Committee chairs have the responsibility to make our Club function and are listed in each issue of the Sunspot.

Members are reminded that the committee chairs should be their first point of contact for questions and information. So when you need information about a Rotary event, or wish to volunteer, or have a last minute change in plans that affect your Rotary activities, please communicate directly to committee chairs.

Our Club is fortunate to have Patti Miller as an Administrative Assistant. Most Rotary Clubs function without such support. Patti loves Rotary and interfacing with our members and guests. However, her function as an administrative assistant is a limited part time function. Her primary role is to prepare and support our Monday meetings. While there, she is available to answer questions and has the opportunity to interact with our members.

When members use the committee chairs for their communication, it will give the chairs the opportunity to interact with our members and run their activities more smoothly.

Thank you for your support on this.

*President Max*
