Tequila-Glazed Grilled Chicken Thighs

If you would rather not use tequila, you can substitute 1/3 cup pineapple juice. Start the grilling over direct heat to get good grill marks and charred bits, and then move to indirect heat to gently finish the cooking.

The Cucumber Melon salsa is FANTASTIC! Can't wait to make it again during summer, with fresh ingredients from my garden. Yum.

These all look wonderful! I am so happy to have some fresh ideas for cooking healthy food for my family. I am a Cooking Light subscriber for years now and use your recipes often. They are delicious and user friendly and if some of the ingredients are not my cup of tea, or my family's, I just tweak them a little. Thank you for the great ideas.
