| DG Visitation Jul 28 2009 | April 21 Club Administration Meeting <i>by Bruce Kleeberger</i> |
| News | During it's administration meeting on April 21, the Club was graced by the presence of Bob Knight, PHF , editor of the Peace Arch Journal and the first lady of the Joint. In the absence of President Lyle, VP Cass somewhat ably and humbly took the reports of the Committee Chairs through the reports. |
| Mailing Address | Administration Chair Judy reported the Bread Run had been difficult on Thursday of an issue. She is currently seeking group leaders. Expansion to vegetables are now a possibility due to the availability of freezers (thanks Winston). |
| This eBulletin has been generated by ClubRunner club communication software. Visit clubrunner.ca for details. © 2002-09 Doxess. All Rights Reserved. | Membership Chair Winston attended a Rotary Leadership Institute program last week and alerted to the 12 step process recommended to involve a new member. The steps are an e-mail near the members and become part of our culture. Winston noted that we have a track record of getting things done, and a lot to offer potential new members. Discussions about the opportunities at the April 28 meeting to attract and retain new members. Rotarian Bruce Kleeberger and Silvia Kleeberger will be speaking about their experience in dentistry in Guatemala. Many prospective members will be in attendance and reminded that it is up to them to make all guests feel welcome. Club members <i>be fined!!!</i> A discussion regarding other ways to make Paul Harris TRF contributions through monthly automatic debit followed to help make the PHS contribution easier. A discussion regarding targeting community members who would be good members. Peninsula clubs are hosting a "Welcome to Rotary" event, which conflicts with the date of April 28, but Winston will let them know we are with them in "spirit". |
| | VP Cass spoke for the Foundation Chair, Mike Labadie, acknowledging Mike's contribution to the Guatemala water project. The funds (to total \$60,000) have now been received and are underway. With direction from the Hands for Peace Foundation, water collection distribution will be available to the villagers as never before. Due to change in circumstances, however, Phase 2 of the project will be delayed. |
| | VP Cass also reported that 3 students will benefit from the sponsorship of our 100th year. Two are students at the Learning Centre, and our own Dave Bolton will savor this unparalleled opportunity. In other news, The Opera Project will conclude and has been a first time success, and only 20 tickets remain for each performance. |
| | As seen recently in the Peace Arch News: <i>by Bruce Kleeberger</i> |
| | Members of the Rotary Club of White Rock Peninsula PHS - which celebrated its 100th anniversary last month - recently returned from a second wheelchair distribution. The club donated a container full of wheelchairs, which were handed out to recipients by local Rotarians in rural areas of the Yucatan Peninsula. The funds to purchase the equipment were raised by an annual Drive For Mobility weekend in Vernon. |
