Rotary Club Celebrates on the High Seas

by Kleeberger, Bruce

The regular meeting of the Rotary Club of White Rock Peninsula was held aboard the good ship MV Hornblower on Tuesday (16 December). Many members of the Millennium Club, other clubs, guests and an excellent turnout from our own Club resulted in fun for all.

A tour bus was arranged for the event so that merriment would not be discouraged by the risk of driving when impaired. A full buffet meal served while cruising the Burrard Inlet was followed by carol singing and a visit from Santa. (Santa....will never be the same!) It is unfortunate that the words to the new 12 Rotary Days of Christmas were not recorded as it would certain to be a holiday hit.

We are looking forward to receiving photos of the event from the official photographer (Suzanne? Are you there?) and will post them when they are received....unless sufficiently large ransoms are paid.....

Thanks to **Rotarian Rob Wolfe** for making these arrangements for us!

President Lyle Konner reminds us:

In January, our Treasurer Cass will be sending out "reminders" to all of us that we are now due to make our yearly contribution to the Foundation. - \$1,000 US. This goes towards the tremendous good works that our club (and Rotary International) does throughout the world. Here is a good tax tip - Make the \$1,000 US contribution right now. This way you will see the immediate benefit of a tax deduction for this year 2008!

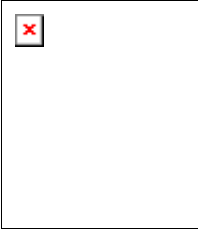

If you have questions, please call Cass or myself. Don't forget....no meeting on the 23rd, BUT, we do have a meeting on Dec/30th.

From Mr. Bruce McIndoe, Principal, WRLC

Please see attachment above of a photo of Lyle Konner,

President of Rotary Club of White Rock Peninsula, making a five thousand dollar donation to our school for purchase of video and technology equipment for our students. This picture was taken this week at our annual WRLC Family Christmas Dinner at Gracepoint Community Church. We are very pleased with our new relationship with Peninsula Rotary Club and really do appreciate their financial support in assisting us with improving student learning at the WRLC.
