Time is running out to sign up for charter membership in our club! President elect Lyle says "It's a rare opportunity to be involved at the inception of a new Rotary Club." Potential members should contact membership chairman Winston Conyers as soon as possible!

The gift of Mobility! Will you be part of it?

by Kleeberger, Bruce

Who is this 100 year old lady? You just made a difference in her life! The White Rock Peninsula PHS Club will travel to Mexico to distribute at least 75 wheel chairs where they are most needed. To find out how you can join this unique opportunity to make a difference in the world....

She is sitting in one of 280 wheel chairs which will be distributed by Rotary and the Wheelchair Foundation in Mexico April 17 to 21. She received it on her **one hundredth birthday!**

Each chair is valued at \$100 and chairs are now available to be sponsored. Each sponsor receives a photograph of the recipient with their new chair, a certificate, and tax receipt.

All White Rock Peninsula PHS Rotary members are welcome to travel to Mexico to present the chairs, including any that they have sponsored. Contact Martha Delgado-Wolfe at matus@shaw.ca for information on arrangements. 75 wheel chairs are being provided by the White Rock Peninsula PHS Club as it's first international project.

The Rotary club in Cancun will be hosting the Canadian delegation who will be travelling with DG John Bosch. They need to know how many members will be joining this project. They are trying to find a good hotel rate for all of us but in order to do this we need to let them know how many members from Canada will be going.

Please email Martha DelgadoWolfe at matus@shaw.ca and let her know if you will be joining this project.

beginning in Istanbul, Turkey with establishing an x-ray clinic for a childrens health care facility. Also, as the districts first Wheelchair chairman, Jack travelled abroad and most recently to Bolivia in April, 2007. Jacks humility, vision and mentorship in International Projects is a guiding light to all Rotarians.

The take home message is that Rotary, with it's system of partnering clubs around the world, is the ideal organization to "make a difference in the world!"

Special thanks for Terri for the Valentines theme, treats and festivities during our special meeting!
