Traveling Peace Arch Visits White Rock Peninsula

by Kleeberger, Bruce

The fabled, and rarely seen Traveling Peace Arch arrived at the Rotary Club of White Rock Peninsula PHS on July 15, 2008. Rotary Club of Bellingham Sunrise **President Michael Smith** presented the rarely seen gem to **President Lyle Konner**.

It is the first time that the relic has been "out of the box" since June, 2007. The immediate past custodians may hold the dubious honour of the longest keepers of the District 5050 symbol of inter club fellowship.

The Traveling Peace Arch was created in May, 2003 and it has traveled across the border between "Son's of a common mother" ever since. It is a Clubs' responsibility, when it is brought to a regular meeting by a visiting Club, to pass it on, in a cross-border exchange as soon as possible. The quickest exchange in it's history being a mere 4 hours. Six Bellingham Sunrise Club members and guests visited White Rock Peninsula to bring the relic north of the border.

Monty Ritchings, a member of the Rotary Club of Surrey Guildford since Jan, 2008 is it's PR Chair this year. He is also a published author of two books, and was the guest speaker for the July 15 meeting. His books and his presentation focus on "Power Safety" and "Stamp Out Stress". Monty reminds us "you were born in safety and then trained out of it." He suggests that we are not responsible for how our children "turn out" or what they learn, but are very responsible for the environment provided for them to learn in.

Bruce Kleeberger was the giver of the a auctionable gift which went to **Bonnie Howell**. Bonnie fingered **Lila Heilbrunn** as the next lucky Rotarian to play the game for "the benefit of all concerned"

Bread Run up and Running!

by Judy Portman

Since the Rotary meeting of June 24th. when **Rotarians Judy Portman, Rob Wolfe, and Garry McInstosh** rushed into the meeting excited with news about our newest community project the **Bread Run**, *dialogue has continued.*

A meeting was held with Karin, the Manager of Cobb's Bakery in Southpointe to gain her support for our proposal and to pursue other options for bread pick-up from Tuesday evening to Wednesday evening. Karin is more than happy to work with our Rotary Club. She will be reviewing the Charity pick-up list with a view to accommodate our interests. We expect to have that confirmed in the very near future. Details of that meeting were then shared by the team with Denise Darrell, Executive Director of the South Fraser Women's Services Society.

In the interim, consideration will be given to commence pick-up by the Rotary Club on Tuesday evenings. An assignment sheet is being prepared and will be distributed to club members in the near future.

Further details to follow at an upcoming Rotary Meeting."

GolFun for Polio Erradication

by Kleeberger, Bruce

District Governor Larry Jubie in his weekly newsletter says:

"GolFun" Tournament coming up on August 22nd at the Surrey Golf Club. This year's event is a particularly special one as the sponsorship proceeds will be dedicated to the Polio Eradication Goal of raising \$100 million to match the grant made to The Rotary Foundation by the Bill and Melinda Gates Foundation.

Clubs are being asked to consider a \$1,000 sponsorship for which they will receive recognition at the event, a Paul Harris Fellow award for their use, recognition at the Foundation Dinner, and a \$1,000 match from a private donor for their sponsorship. And the biggest prize of all will be knowing that their donation will save thousands of innocent children from the ravages of this terrible disease.

15 clubs in the District have already signed up and sent in their Sponsorship Form. We are hoping that all 55 clubs in the District will participate in this effort. That would be quite a feather in our cap! I'm attaching a copy of the GolFun Sponsorship Form for your use if you have not yet signed up.

So let's Make Dreams Real for those kids still at risk and finish the job to eradicate polio.
